GO BUCKS!

It's great that we can enjoy our favorite fall activity at BLYC again this year — watching the Buckeyes on the Big Screen! Thank you to all who are participating and especially for practicing social distancing during the games. We can get through this if we all work together.

As many of you know, the Buckeye Lake Police Department, under Chief Wardlow, hosted a CCW class at the Club last month. The class was nearly full with 18 participants and very professionally ran. I would like to thank Tom Charles for spearheading and being the member host for this private event, as well as member Todd Vance for providing the instructors and range time through Vance Outdoors. This was a great community event and I think it was well received by all who participated. I know I learned a lot! Rodney, Rebecca, and Dena are now

in the new office space upstairs and the project is nearly complete! Some (overdue) thank yous for those who helped make this much needed improvement possible:

Monetary Donations:

Materials & Labor

New Blinds - P/C Mark Russell
Baseboard Heaters - Scott Durant
Misc. Materials & Labor - Gov. Toby Tobias
Labor - VC Charlie Campbell
Curb for the AC Unit - P/C Dave Luttenberger

As my recognition for the Past Commodores this past year (would have been my "gift" to them at the Commodores' Ball which was cancelled due to COVID-19) I donated the paint, carpet, new filing cabinets, office partitions & counter top, AC unit, and labor.

Some new committee appointments to make you aware of for the 2020-2021 BLYC year:

Sail Fleet Captain - Dave Paligo
Power Fleet Captain - Brian Thom
BLYC Golf Outing - Rickie Sue Grunden
Constitution & By-Laws - P/C Mark Pyle
Insurance Committee - Gov. Bill Collinson
Bob Dye Poker Run - Governors Barb Hein,
Brian Jones, and VC Charlie Campbell

We're trying to get more members involved in the operation of the Club and in planning Club activities this year. If you want to help, we'd love to have you. Just reach out to myself or any Board member.

See you at the Club!

Commodore Bruce Ames

BAR & KITCHEN

- Rear Commodore Jeff Hamilton

What a crazy year 2020 has been!

I am so looking forward to this year to being over with and behind us. It is hard to believe that it is November already. The holiday season is fast approaching, it may be different this year on how we celebrate but we all should be thankful that we have our health, family, and friends.

As I transition into my new role of Bar & Kitchen Governor, I am looking forward to the challenge of this new position and we have already hit the ground running. I have met with Rodney and Chef Josh and we have put together the Fall/Winter menu. By the time you are seeing this article, the new menu should be available for you to enjoy. If you would like to see it, stop by the Club's website under the "Gob's Mess" menu tab.

With the Covid-19 guidelines in place as mandated by the State of Ohio, we are not allowed to be at full capacity in our inside dining. This is why it is imperative that you make your reservations when coming to dine at the Club. One of the biggest challenges we always face in the bar & restaurant operation, especially in the off-season is maintaining proper staffing levels. By making your reservation either through the website or by calling the Club, this will help the staff to better serve you and allow you to have a pleasurable dining experience.

The Buckeye tailgates are back and are in full swing. BLYC is the place to be to watch the Buckeyes on the big screen and cheer them on to victory. We are practicing social distancing and following all guidelines.

With the holidays approaching, it is time to book your holiday party at BLYC. Please contact Rodney for details on how to book a party.

When you dine at the Club or enjoy a beverage at the bar, I would greatly appreciate to hear your feedback about your experience. We can't improve on how the staff performs unless we hear your thoughts. Please fill out a comment card or go to buckeyelakeyc.com/feedback and provide your input. If one is not with your check, please ask your server or bartender for one to fill out. My goal is to make sure that all of our members have a pleasurable experience every time you visit the Club.

Happy Thanksgiving!

HOUSE & GROUNDS

- Vice Commodore Charlie Campbell

It's amazing how something can get done when many hands coordinate together to do the work!

On Sunday October 11th the Club did just that. It was clean-up day and yes we cleaned-up. Everything from the ceiling to the floor was wiped, dried, and readied for continued use. Member volunteers, house & grounds staff, servers, bussers, kitchen staff, Board members, and trustees did a magnificent job. No slackers — just good old fashioned hard work. I personally want to thank all who helped. Of course, all workers need fuel so they ate donuts, had pizza, and a favorite beverage or two.

As of this writing the rear basin is a work in progress.

I want to congratulate all new board members on their election to a Governorship.

Currently in house & grounds, we are working on replacing the front porch floor, rear stairs, elevator, east seawall, both wharfs (east & west), enclosing the porch for winter use, replacing the band tent, and much more.

Reminder: THE BRIDGE WHEN WET, DAMP, SNOW COVERED, ETC. IS SLIPPERY!!! Please hold on to the hand rails when crossing either way.

RACE & REGATTA

- Governor Bill Collinson

I would like to thank those members of the Buckeye Lake Yacht Club who supported my candidacy for the Board of Governors. I am looking forward to a successful year as your Race & Regatta Governor and to building upon the good work started by Governor Paligo.

In that capacity, it is my intent to grow our racing program by adding more boats to the fleet. To that end, it would appear that, based on recent events, we will have three one-design fleets for the Lambrecht Cup Series - Catalina Capri 22, Interlake, and O'Day 26. More to come on this development in future articles.

As Race & Regatta Governor, I am also looking to add two new events to our calendar"

Kayak Regatta Cardboard Boat Regatta

We will also be adding an Introduction to Sailing program and an Introduction to Racing program this season.

Wrapping up the 2020 season, I am pleased to report that we had a very successful outing for the Snowball Regatta that took place on Saturday, October 10th with eleven boats participating. There were a few mishaps with two capsizes in the mixed-dinghy fleet and one broken tiller on Runaway in the PHRF class. Congratulations to Bill Reynolds, winner of the PHRF fleet, and John Vangilder, winner of the mixed-dinghy class in this year's Snowball.

Until next time...

JUNIOR TRAINING

- Governor Mike Bruckelmeyer

As of this writing, the new Junior room is about ready to have the final touches started so we can move into it before the end of the year. So, I need your ideas and decorating expertise (NOTE: I have NONE) to make your space more useful and enjoyable. We already have a television, sound bar, and a couch that have been donated. Please let me know any thoughts or ideas you have.

Just a reminder, the Club's Junior Training Program is for children and grandchildren of the Members of the Club to come together to learn about aquatic sports and activities.

I am expecting to get back to the "OLD" Normal so planning for the year is underway. I am anticipating the Traveler Series Regattas, Sailing Camps, and Junior Bay Week at Put-In-Bay. We will again have the Powerboat License Course (adults and children), Scuba Diving Experience, and Summer Movie Nights by the pool.

We will have a busy and exciting year but I need your help. Please think about other activities and things you would like to do during the year. The bulk of our activities are centered around the summer months but I would like to do more for you during the other times. This program is for YOU, so let me know YOUR ideas and let's have some FUN!

Finally, the BLYC Junior Sailing/Training program is a self-funded organization that relies upon its OWN fundraising activities to pay for its activities throughout the year. We rely upon your financial support through fundraisers and donations to pay for equipment, instructors and coaches, regatta fees and camps. We continue to offer our commemorative Brick Pavers for you to purchase. The BLYC Training Program is a 501(C)3 charitable organization so your donations are TAX DEDUCTABLE. Please see me or the Yacht Club's website, Junior Tab, for an order form and instructions.

DOCKS & RENTALS

- Governor Greg Tobias

The season is winding down fast but it has been a good one. I took advantage of a sunny nice day to walk and inspect all of the docks and storage area. It's obvious that our efforts to correct the bird problem has met limited success and it's not because we haven't tried. By in large, the docks appear to be in reasonably good condition with only some minor repairs to be needed. The storage area has several spaces available to rent but it also needs to be cleaned up and reorganized. Maintaining these areas is an ongoing task that is never ending and is always work in progress. I encourage all members to bring to my attention any issues of maintenance, safety and security so that they can be addressed in a timely manner. With respect to the 2021 season that information will be forthcoming as soon as possible. I hope everyone is enjoying our nice fall, has a good holiday season and a mild short winter!

See you at the Club!

LOOKING AFT

- P/C Steve Harris
BLYC Historian

BLYC's "Missing" Commodore

I was fortunate to serve the Inter-Lake Yachting Association as Commodore in 2014. Having been under the mentorship of P/C Gus Schell for several years, I considered it a great honor to be the third BLYC member to represent our fine Club in this capacity, following Gus who served in 1975 and P/C Edgar Wolfe in 1937. Much to my surprise, however, when I received the proof of the 2014 I-LYA Yearbook, I discovered that history as I understood it was incorrect. I was not the third, but rather the fourth! The I-LYA Historian reported, **"I-LYA 50 Years Ago (1964): Frank H. Miller of Put-in-Bay and Buckeye Lake Yacht Clubs was I-LYA's Commodore."** This set me on a search... Who was Commodore Miller? — His picture does not hang in the Commodores' Lounge with Commodores Wolfe & Schell neither is he listed among our Past Commodores of BLYC. I learned from BLYC's 75th Anniversary edition of the *Log*, that he had been a member in BLYC's early years, later relocated to Put-in-Bay, became Commodore of PIBYC and, eventually, I-LYA. But there is much, much more to the story of Commodore Miller.

Born in 1902, Frank Miller first came to Buckeye Lake in 1910, summering at the Schell Beach Hotel with his family. His father, James, joined BLYC in 1914. In 1917, he and Max Slaughter became the first Junior Members of the Club. Frank quickly became very active — iceboating and racing boats (power) were his passion. Over the years, he owned some of the fastest boats on Buckeye Lake — *Unadilla*, a 33' long, 46" wide speedboat — the fastest boat (24 mph) in the early 1900's — which he "rescued" from Circle Island; *Dixie II*, "The Fastest Classic Boat on Earth," now on display at the Antique Boat Museum in Clayton, NY; and *Cat's Paw*, a Luedtke K Cat sailboat, later purchased and brought back home to Buckeye Lake by Gus Schell.

In his early years, Frank represented BLYC at the Detroit Gold Cup Races and the Chris Craft events in Algonac, Michigan

Dixie II

I-LYA Commodore Frank H. Miller - 1964

(according to P/C Miller, Chris Smith, the founder of what would later become Chris Craft was, himself, a member of BLYC). In 1919, the founding fathers of BLYC, including our first Commodore, Larry Sackett, were grooming Frank to become the youngest Commodore — at the tender age of 18! Believing that he lacked the maturity to run an active Club, he declined, instead offering to run the Club's races that season — sail and power. Sackett agreed to take his place, thus serving his second term as Commodore.

Around that same time, Commodore Sackett introduced Frank to Ruth Smith, an Olympic swimmer, on board his boat, *Dancing Sally*. Frank and Ruth married in 1924 and moved to Ashland, Kentucky, ending his regular involvement at BLYC. He was a founding member and the 2nd Commodore of the Ashland Yacht Club, modeled after BLYC, later purchased a home at Put-in-Bay and joined the Put-in-Bay Yacht Club. He went on to become very active in PIBYC, becoming its first "off-island" Commodore in 1952. Although most of his activity was at PIBYC, he remained involved at BLYC, returning each winter for iceboating. However, distance and the commitments of raising a family kept him from serving our Club as an officer. He did, however, continue to enter *Cat's Paw* in the annual I-LYA Regatta under BLYC's burgee and remained a member until his death in 1995.

I recently located Commodore Miller's portrait in the archives. When I removed it from its frame so that it could be digitized, I made an exciting discovery — a handwritten letter, dated August 1979, from Commodore Miller to Commodore George Fisher

(1958), detailing his history with BLYC and requesting that his portrait hang in the Commodores' Lounge at BLYC - "...my favorite Yacht Club where I cut my teeth..."

As I-LYA Commodore, many of his key volunteers were BLYC members and an integral part of the team that made 1964 a very successful year. He went on to encourage Gus Schell to follow and also represent BLYC as Commodore of I-LYA, continuing a long tradition of BLYC leadership.

Somewhere through the years, likely due to a lack of institutional memory, Commodore Miller's portrait was removed. It has now been digitally restored and, in 2018, was reprinted and framed to match those of Commodores Wolfe and Schell (and now Harris), and appropriately hung in the Commodores' Lounge, per his wishes.

Editor's Note: Commodore Miller's handwritten letter is available in the History Archives on the BLYC Website

Inselruhe, The Miller's Put-in-Bay Home

UPDATE: I first published this article in the *Log* in February of 2016. Since that time, I have also learned of the "Ghost Trophy." For many years, following the demise of the K-boat fleet — once the largest one-design fleet in the Lake Erie region — at I-LYA Bay Week, Commodore Miller would continue to sail *Cat's Paw* in the regatta. As she was the only entrant, he said that he was racing against the "ghosts" of K-boat sailors past. Presented a silver cup for first place in 1955 he donated it as a perpetual trophy for the I-LYA Regatta. Eventually, it was retired and re-dedicated as the Commodore Gus Schell Trophy, currently awarded at Junior Bay Week. Tom Thanasiu, I-LYA Historian purchased Commodore Miller's original "keeper" trophy at auction when *Inselruhe* went up for sale a few years back. He has given it to BLYC on permanent loan and it is currently displayed in our trophy case in the Fireplace Room.
