COMMODORE
BRUCE AMES

Good Bye 2020!

I hope that everyone had an enjoyable Christmas and New Year. I'm looking forward to a better year in 2021. We all know and understand the immense challenges that our Club has faced in 2020 and it looks like we just need to keep up our masking and distancing and hang on for a few more months and things are bound to get better. I know that I've said it before, but I want to again express my appreciation for Commodore Pyle's leadership last season when all of this started and the example he has left for us to follow. Your Board and the staff continues to evaluate our procedures and adjust as necessary to keep things moving along. I must also commend our General Manager, Rodney Probst, and the entire BLYC staff for adapting — often on little notice — to keep our Club open and serving our members *safely*. It has been no small task, but they did it with class and style!

We continue to work diligently to maintain the highest standards of safety at BLYC during this time. Thanks to Bill Collinson and David Paligo, we have installed new plexiglass dividers at the bar to ensure safer distancing, our dining tables are well spaced, and our staff cleans and sanitizes on a regular, continuous basis. Winter is typically slower around the Club by nature and there's plenty of opportunity to safely enjoy your Club. BLYC is likely one of the safest places you can enjoy an evening out or a casual drink at the bar. We will continue to follow all guidelines to ensure the safety of both our members and our staff while maintaining the highest levels of service and quality. For those who may not be comfortable dining in, Curbside To-Go service will continue. Please support your Club and support our staff! They are a part of our BLYC family.

Looking forward to better times, it won't be long until we're back on the water and enjoying the summertime at our Club. Governors Collinson and Bruckelmeyer, along with Fleet Captains Brian Thom and David Paligo, have some great boating events in the planning stages. *All Hands on Deck!* Let's gear up for a great boating season at our beautiful lake!

Please — stay safe, take care of yourselves, and always remember that we are in this together.

Because of your efforts...

We will get through this — as a FAMILY!

Commodore Bruce Ames

HOUSE & GROUNDS

- Vice Commodore Charlie Campbell

It's January and the start of another great year at the Buckeye Lake Yacht Club. Here's wishing all had a wonderful and joyous Christmas and New Year.

The BLYC Seawall & Dock Phase IIA project is complete. The next time you are at the club, take a look at the rear basin. When ODNR did the "Dam" project, the area we own behind the club was not able to be used due to construction. As I have stated in many previous House & Grounds articles, it was an uphill battle to get to reuse what we own. Permission from ODNR, Army Corp of Engineers, EPA, Ohio & National Historical Preservation was necessary. The new docks and launch ramp in the rear basin will be used for jet skis, kayaks, canoes, and small sail boats.

If you enter the club by way of the front door you have probably noticed that you have to walk around to the front steps. We are replacing the porch flooring this winter. For those who use the elevator, it will be out-of-service until the project is complete. If anyone needs assistance entering the club, please notify club personnel in advance of your arrival. All needed assistance will be provided.

The club will be closed the evening of Sunday, January 17th to noon Saturday January 23rd. We are replacing the floor tile behind the bar, replacing the carpeted area from the back door to the hardwood with tile, and removing a few scratches on the bar surface. Although closing is not what we want to do, it is best for completing this project.

Projects in the works include the rear-entrance stairs, pool bar, front entrance gate system and landscaping, east side of island seawall and the front finger seawall, just to name a few.

Any member who would like to assist in replacing the porch floor, please contact Charlie Campbell, Vice Commodore, House & Grounds Governor.

Reminder: When crossing the bridge when it is damp, wet, snow covered, etc. — it is slippery! Please hold on to the handrail.

Stay Safe & Stay Strong!

Charlie Campbell
House & Grounds

RACE & REGATTA

- Governor Bill Collinson

I would like to take this opportunity to wish all a Merry Christmas and a Happy and Prosperous New Year. I don't often take pleasure in wishing a year "goodbye," but in the case of 2020, I am happy to make an exception. If this year taught us anything it is realizing the importance of family and friends.

Looking forward to 2021, I am excited for the events scheduled this coming season. In late January, COVID notwithstanding, race and regatta will be hosting the Skipper/Crew Fleet Meeting. The most exciting piece of news is the possibility of three one-design fleets. Those fleets being O'Day 26's, Catalina Capri 22's, and Interlakes. Exact date and time of the meeting will be forthcoming.

In February, we will be hosting an Introduction to Sailing Program. The program was designed to provide the basics of sail boat handling. I would encourage anyone interested in taking up the sport to join us for the program.

In March, we will put on a program designed to introduce sailboat owners and "would be racers" to the basics of sail boat racing. The goal is to simplify the rules and procedures connected with sail boat racing. If you see us out there on Sundays and can't figure out what is going on, you will find this to be an informative program.

As 2020 comes to an end, let's resolve to make the most of the new year and challenge ourselves to try new things and to never take life for granted.

Until next time...

Keep your bottom wet and your sails dry.

BAR & KITCHEN

- Rear Commodore Jeff Hamilton

Happy New Year!

As we ring in a new year, we all should be looking forward to seeing what this new year brings to us. This last year was not the year that we were expecting, but we can only hope that this year is better. I am looking forward to the day when this pandemic is behind us and we can get on with our normal lives.

Instead of dreaming of a White Christmas, I am dreaming of sunny warm days at the pool and seeing lots of boats on the lake. Full pool will be here before we know it — in just sixteen long weeks.

As Vice Commodore Campbell mentioned in his article, we will be closing the Club from January 17th and reopening the afternoon of January 23rd so that we can have the tile replaced behind the bar area. Thank you to the volunteers that will help to get all of the equipment removed from behind the bar.

Don't forget that we are still offering Curbside To-Go orders. If you don't feel like cooking, just give a call to the Club and we will prepare your

favorite meal off of the menu. It will be delivered out to you in the parking lot by one of our wonderful smiling staff members.

Speaking of the menu, we will be offering the new winter menu after we reopen. Check out what Chef Josh has done with the menu. I am sure there will be some delightful favorites and some new choices. The menu may be slightly scaled down to the slow winter months and to COVID. We will continue with the weekly specials and the Two-Fer deals on Thursdays. If there is something that would like to see on the menu please feel free to reach out to me or to our General Manager Rodney.

We are in the final few days of the gift certificate special that we are offering. It ends on January 3rd. Have you gotten yours yet? I would like to thank all of the Club members who purchased gift certificates and especially to the staff for working so hard on promoting this. I will announce the staff member who sold the most in my next article. This person will be receiving an Amazon gift card for all of their hard work.

We have received several of the feedback forms from members about their dining experience at the Club.

Thank you to everyone who has taken the time to fill one out. Every time you make a reservation online, you should receive an email the following day asking you to give us feedback on your experience. Please contact me if you are not receiving one. I do want to hear from you and I want to hear your feedback. We can't make something better if we don't know that there is an issue.

During the next few months of winter, please support your Club. The staff is the backbone of our Club and they need our support as much as we need and appreciate them. There is light at the end of the tunnel and we just have to keep doing what we need to do to get through this rough patch. As a Club family, we will get through this and we will come out stronger than ever. Keep washing your hands, keeping socially distant, and keep wearing that DARNED mask. I think when this pandemic is over, we should have a huge party on the patio and have a mask burning party. That will be one big fire!

Stay warm, stay healthy, and stay safe! I look forward to seeing you at the Club.

Cheers!

Jeff Hamilton

BLYC AUXILIARY

Happy New Year 2021 from your BLYC Auxiliary Board!

We hope everyone had a Merry and Healthy Christmas. Our BLYC Children's COVID safe Christmas party was headed up by Claudia Belt who did a wonderful job organizing, executing and working with Tracey Davis and VC Charlie Campbell. We had 20 very happy children and families.

Saturday January 16, 2021 is the last day to get a chance or two to win our Annual Membership Dues Drawing. Thank you to P/C Steve Harris who created a form/link for a \$35 donation per chance to win. (Winner will receive an \$800 credit on their dues statement in February 2021)

Save the dates for 2021: (stay tuned for details)

Auxiliary Saturday Fun — February 20

PIBYC members visit to BLYC — February 27

New Member Social and Murder Mystery Evening — March 6

Easter Egg Fun — Saturday, April 3

We are looking for helpers!

Our next Auxiliary meeting Thursday, April 8.

Reminder: Please go online at www.buckeyelakeyc.com under the Auxiliary tab, to support your Auxiliary with a \$25.00 donation for membership dues or fill out the form. Payment can be made by cash, check, or member charge... or contact Trinda Ward, membership secretary.

The Auxiliary email is blycauxiliary@gmail.com for any questions, ideas or concerns. This past year we have all had to learn to be flexible as things are ever changing so please check the BLYC website and weekly e-News for the most up to date information.

Best Wishes and Stay Safe,

Tracey, Jan, Stephanie, Kathy, Trinda and Sue

JUNIOR TRAINING

- Governor Mike Bruckelmeyer

HAPPY NEW YEAR!

It is my plan that 2021 will be an exciting year for your Junior Training program and we will be starting off with the GRAND OPENING of the NEW Junior Room! Save the Date — in the evening, January 23rd, 2021 for the opening of our new room when we will open the room and welcome the entire BLYC Family to join us. We have new furniture, a new TV, and a new gaming system for our Juniors to enjoy. Thank you to everyone who helped make this room possible — specifically Commodore Bruce Ames, Vice Commodore Charlie Campbell, Rear Commodore Jeff Hamilton, P/C Mark Pyle, Governors Tobias, Collinson, and Paligo, Randy Coconis, and the BLYC Auxiliary. A special thank you to Andy and Stacey Buechel for the donation of the new television!

The Buckeye Lake Yacht Club Juniors will again be hosting the opening I-LYA Travelers's Series Regatta on June 5th, 2021. We can expect 125+ Sailors and their families and friends for this event. Buckeye Lake Yacht Club has set the standard for hosting the Travelers Series in previous years and I have no doubt we will do the same this time. To pull this off, we will need ALL HANDS ON DECK! More information will be shared as we get closer to next summer

ODNR Powerboat License Class UPDATE — BLYC usually hosts an all-day ODNR Boating Class in the month of February. However, given the uncertainty of the virus, I am going to postpone the class until early spring. Watch the March and April Logs for further details!

DOCKS & RENTALS

- Governor Greg Tobias

I hope the holidays went well for everybody. Despite the COVID situation, they seem to come and go in the blink of an eye. Nevertheless, we are starting a new season with much to look forward to. The jet ski docks and kayak launch behind the club are finished and look great. While away, I have continued to look into additional solutions for our sea gull problems on the docks and it's not going to be easily resolved. More on this in the coming months. With reference to docks and the boatyard, I will have all information on the availability and current assignments by January 15th, 2021. For those of you who have submitted new dock requests, I will be contacting you in the first part of January, in the order of submission, to make new assignments. As always, feel free to contact me, Toby Tobias, with any questions concerning docks and storage.

See You at BLYC!

ENTERTAINMENT

- Governor Brian Jones

Happy New Year!

I hope everyone had a very Merry Christmas and let's make 2021 a year not to forget! We will be kicking off January on the 8th with live music — Britt Reed (Just Jazz Live) from 6:30-9:30, and on the 16th we will be having our annual Parrot Head Party with the Drew Allen Duo from 6:30-9:30.

The club will be CLOSED the 20th through the 22nd and will reopen on the 23rd. On the 29th Sam McCoy will be playing the Steel Drums from 6:30-9:30.

Please — if you have someone that would be a good fit for entertainment at our club, reach out to me.

Hope to see everyone at the BLYC.

LOOKING AFT

- P/C Steve Harris
BLYC Historian

BLYC's First Voyage to the I-LYA Regatta at Put-in-Bay

I've been thinking a lot about sailing lately. I don't know if it's the cold weather or the pandemic or just a desire to take a break from "real work" for awhile. What do sailors do in winter? — Well, we talk about sailing! Recently, Bill Collinson and I were discussing the Mills Trophy Race and how BLYC should enter a boat in the event this summer. The Mills is an overnight, distance race on Lake Erie starting at Toledo and ending at Put-in-Bay. The "short course" is approximately 30 miles long. Thirty miles through the darkness and unpredictability of summer weather and waves on Lake Erie. That, reminded me of this story about a similar voyage taken by some of our early BLYC members in 1907. I hope Bill's planned trip this summer involves far less "adventure."

- SGH

Shortly after her founding in 1906, BLYC's officers "stormed the Inter-Lake Yachting Association's meeting in Toledo" to make application for membership. However, up until that time, no Club had ever been admitted that wasn't on the waters of Lake Erie proper. BLYC was I-LYA's first, of now several, "inland" clubs. As members of the association, BLYC's members were eligible to compete in the annual "Bay Week" Regatta at Put-in-Bay. This is the story of that first trip.

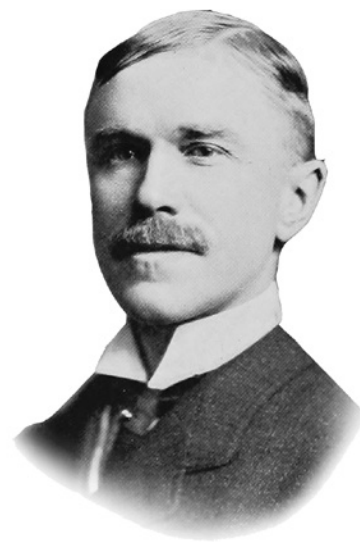

In those days, the I-LYA Regatta was primarily a sailing regatta — this was long before the powerboating events and the Junior Regatta. Sailors from around Lake Erie would come from all "corners" — Detroit, Toledo, and Cleveland — to meet at the Bay to compete. The design of the I-LYA Burgee reflects this — three white bars on a field of blue, converging from the corners, to meet in the middle — Put-in-Bay, represented by a red circle.

In 1907, it was decided that BLYC would be represented at the I-LYA Regatta by Commodore Charles Lynch, Vice Commodore Caleb McKee, Governor T. Ellis Minshall, and Race & Regatta Chairman Guy Sackett (Commodore 1923) aboard McKee's sloop, *Floating Debt*. She was shipped via rail from Lakeside on Buckeye Lake to Toledo where McKee, along with Commodore Lynch and a friend from the east coast as crew, sailed her to "The Bay," where they would be joined by the rest of the BLYC contingent.

On Saturday afternoon, *Floating Debt* cleared her moorings at Toledo Yacht Club and sailed out into the Maumee Bay, headed for South Bass Island. She was warned by incoming craft to turn back due to developing foul weather. Undaunted and heedlessly, she was held to course with the same enthusiasm for which her upstart home club was becoming noted.

It wasn't long until the BLYC sailors were engaged in stiff competition, not with other sailboats, but with Mother Nature herself. As the day wore on, Lake Erie displayed her famously unforgiving nature as wind and waves grew increasingly ominous and skipper and crew grew quite weary of their increasingly perilous situation. While it may have been advisable to turn back towards safe harbor in Toledo, the crew concluded that it would be nearly impossible as a return course would put the relatively small craft crosswise to the mountainous waves and she would certainly be swamped. The only advisable option was to hold course and ride out the storm. So, they sailed on as dusk approached and the south shore, to starboard, faded into darkness.

Near dark, a "chilling rasp" telegraphed up the centerboard trunk and the vessel jarred to an abrupt stop — *Floating Debt* was aground! Trying valiantly as they could, the intrepid BLYC sailors could not free

Calob Lodge McKee
Early BLYC Member and Owner of *Floating Debt*

her from whatever beach or bar upon which she was trapped. With sheets running free, the sails slapped viciously. Aground and battered by waves, the vessel rolled and pitched uncontrollably repeatedly rising up and crashing back down with a "freezing shudder." Not wanting to be splintered up with the craft on an unknown coast, the crew abandoned ship. Somewhere between Toledo and Port Clinton, they made their way to shore through the darkness. Bodies and most certainly egos bruised, but otherwise safe, they took refuge on a beach for the night.

Awakened by a bright sunrise, the craftless skipper and crew opened their eyes to a cloudless sky and a gentle, rolling sea. Then, much to the crew's surprise, not far down the beach, they spied *Floating Debt* lying apparently intact. After considerable heaving and hoing and with the aid of swells, they finally got her afloat and sailed on to Put-in-Bay. That afternoon, they hauled into the yacht-filled harbor where they were joyously greeted by a hoard of I-LYA Yachtsmen, along with their fellow BLYC crew, who had heard of their departure from Toledo into the teeth of the storm, and had been concerned about their unknown whereabouts and welfare.
