COMMODORE
BRUCE AMES

It's Almost Spring!

This sure has seemed like a rough winter! We've probably just been spoiled the last few years though. The good news is that the snow is finally melting and we can see warmer days on the horizon. It also looks like we may finally be past the worst of the mitigation efforts on the pandemic. Restrictions are easing up and it looks like life might get back to some sort of "normal" in the near future.

Bring on summer, outdoor fun!

Of course, although restrictions are easing up a bit, there are still fairly specific guidelines that we need to follow in regards to social distancing, etc. I know that none of these are easy or fun — I don't like it either — but in order to keep our members and staff safe and to keep the Club operating, we *will* continue to follow Health Department guidelines and appreciate your cooperation.

This time of year, our thoughts turn to

the upcoming boating season and getting back out on the water. The "promotion of yachting and aquatic sports" is the first purpose listed in our Club's mission statement. It's great to see all the activity and planning going on with Governor Collinson and Fleet Captains Paligo and Thom. They've got some great ideas for boating activities this summer that are sure to be fun for all! Stay tuned — it'll be here before you know it.

Speaking of boating... Although we couldn't host the annual ODNR safe boating course due to the pandemic, it's still important to review boating safety and to do a "safety check" of your vessel before launching this year. There are a number of good, free resources for boating safety you can check out online. BoatUS offers a free course, tailored to Ohio Watercraft laws, that's worth checking out — courses.boatus.org

I regret to announce that Governor Debbie Haptonstall is resigning from the Board of Governors. Bill and Debbie are permanently relocating to Florida and will be leaving our Buckeye Lake community. We wish them the best and thank them both for their service and especially their friendship over their years at BLYC. Pursuant to Article VI, Section 7(b) of the BLYC Constitution, the Board has appointed Rickie Sue Grunden to serve on the board as Governor of Membership for the remainder of this Club year. ***Welcome aboard Rickie Sue!***

Let's get Ready for a GREAT 2021 Boating Season!

Commodore Bruce Ames

BAR & KITCHEN

- Rear Commodore Jeff Hamilton

Happy Spring!

We are so close to end of winter! I am so ready for spring to be here. Let's hope that old man winter has his bags packed and is ready to move on out.

Before we know it, it will be boating season and the pool will be open. I am so ready for hanging out at the pool and enjoying boat rides on the lake.

The spring menu is currently being worked on and it should be out over the next month. If there is anything that you would like to see on the menu please feel free to reach out to either Rodney, Chef Josh, or myself.

I would like to thank the Auxiliary for the purchase of the new dining room chairs. Hopefully, you have been able to come to the Club and see them. They add a touch of class to our wonderful Club. We appreciate all of the great things that the Auxiliary does to help support the Club!

Last month, we held a contest with the staff on who could get the most feedback forms. We will announce the winner next month. Did you know that when you make a reservation online or by ensuring that we have your email address when calling in your reservation, that you will receive a feedback form sent to your email address that you provided? We are also putting paper forms in with your checks each time you dine at the Club. It is very important that we hear from the Club members on how their experience was at the Club. I appreciate everyone who has taken the time to fill out a feedback form. We can't make our Club better if we don't know that we need to correct something.

The new gas range and convection oven have been installed. The new floor tile behind the bar has been replaced and the bar top has been resurfaced. I hope that you have been able to come in to the Club to see these completed projects. Thank you to Bill Collinson for having new cabinets made for behind the bar.

Hopefully over the next few months, things will be getting more back to normal... pre-COVID-19. We have gotten through this as a family and we need to continue to working together until this pandemic is over. I look forward to the days that we can have a full porch and full dining room. I have missed seeing so many of our Club members.

I look forward to seeing you at the Club!
Hurry up Spring and get here!!

Cheers!

Jeff Hamilton
Bar & Kitchen

BLYC AUXILIARY

- Tracey Davis, President

Happy March from your BLYC Auxiliary Board!

We are so excited! Your Auxiliary has purchased 150 navy blue dining chairs for the porch and fireplace room. By the time you read this, they should have arrived from Coconis Furniture. Other projects that we are working on include new ceiling fans and lights throughout the club along with the new porch floor decking. On February 27th, BLYC welcomed, Put-in-Bay Yacht Club, Commodore Marcia Ashley, and PIBYC members for a fantastic social get-together.

Save the dates for 2021 and Join us:

Saturday, March 6
Yoga, Water and Wine
1:00 to 3:00.

Saturday, April 3
Easter Egg Fun
11:00 am to 12:30 pm

The Easter Bunny will be making an appearance. Kathy Severance is looking for helpers. Please call the club or go online with the names and ages of your children and/or grandchildren.

Thursday April 8, 2021
April Auxiliary Meeting

Socializing and dinner will begin at 5:00 pm. We will begin the meeting at 6:00 pm. We will close the evening with our special "Spring Social" activity set to begin at 7:00 pm. Be sure to bring your creative side to this fun activity. More details to come. Please RSVP either online or by calling the club. We can't wait to see everyone!

Thursday, May 14
Auxiliary Meeting/Dinner and Social Activity

Saturday, July 31
Annual Fundraiser

Thank you to everyone for your generous donations to our Annual BLYC membership raffle. Congratulations to the winner, Mark Severance.

Reminder: Please make reservations by calling BLYC at (740) 929-9941 or going online at www.buckeyelakeyc.com to support your Auxiliary with a \$25.00 donation for membership dues or fill out the form. Payment can be made by cash, check, or member charge... or contact Trinda Ward, Membership Secretary.

The Auxiliary email is blycauxiliary@gmail.com for any questions, ideas or concerns.

This past year, we have all had to learn to be flexible as things are ever-changing so please check the BLYC website and weekly e-News for the most up to date information.

Tracey, Jan, Stephanie, Kathy, Trinda, and Sue

RACE & REGATTA

- Governor Bill Collinson

Sailing... Year Round!

So here it is early February.... The lake is frozen. The temperatures are nearly in the single digits. What is there, then, for a Race and Regatta Governor to talk about??? Hard water sailing, of course. Ice boat sailing has always been on my bucket list. The idea of screaming down the ice at 50 miles per hour in a vessel made up of steel blades and thin wires holding it all together has a certain appeal to me.

Low and behold, on Saturday, February 6th, Dave Paligo called to let me know that Chuck Bendig, skipper of *Big Girl* in our Sunday Sailing Races, indicated he was going to launch his ice boat. The three of us met up at the ramp at Leibs Island and I got my first up close look at an ice boat. The first thing we needed to do was assemble the boat. It runs on three steel blades, two attached to a boom-like structure in the back and one at the bow of the boat which also doubles as the steering mechanism. The next step was to attach the boom to the back of the boat providing the triangular support that supported the hull off the ice. Finally the mast and sail was raised and held in place by a forestay and port and starboard shrouds. The final

step for setup was running the main sheet line that controls the main sail. The boat does not have a jib which would only complicate the handling at high speeds.

So after assembling the boat and enjoying the crisp 16 degree sunny skies, that left only one element to make the adventure a go. WIND! Unfortunately, just like on our Sail on Sundays in the summer, the wind failed to materialize leaving us stationary at the shore. Although we were unable to sail the boat on that day, it did offer us the opportunity to fine tune the sails by adjusting battens for a better outcome on our next attempt. I want to thank Chuck Bendig for providing the opportunity to get up close and personal with an ice boat. The temperatures for next weekend are supposed to be in the single digits and we have made plans to try it again at that time.

I would like to take this opportunity to congratulate P/C Steve Harris on being appointed as a National Race Officer by US Sailing this past month. There are only ~40 people with this level of certification in the entire United States! Steve has been a big part of our racing program at BLYC for years and it speaks well for our Club and our programs to have him as a part of our activity. Congratulations Steve!

We have completed the 2021 calendar for Race and Regatta and that information will be posted online shortly.

Until next time...

KEEP YOUR BOTTOM WET AND YOUR SAILS DRY!

HOUSE & GROUNDS

- Vice Commodore Charlie Campbell

Hopefully, winter weather is behind us and with this comes sprucing-up our yard. Raking, fertilizing, planting flowers, maybe a garden, and of course starting that never ending chore of cutting grass.

Although, for most of us, this is a chore of pleasure and gets us outside, it also reminds all members that club Spring Work Day, Sunday April 11, 08:30 to noon, is just around the corner. Spring cleaning of our club is an excellent way to enjoy a day taking care of our club. The bar floor tile and top of bar repair are complete. We were, however, closed for 14 days instead of 7. I will take responsibility for this as the extent of repairs necessitated the time closed extension. We added phone charging jacks and plugs to the bar. So, if your phone is about to go blank or has and your computer won't compute — just plug in at the bar for a quick fix. Our contractors, club members, and club staff made this project come together beautifully. I thank each and everyone who helped.

It is now time to start replacing the siding on the front of the club and replace the floor of the porch. We have waited for better weather and now that it is the middle of March, we are starting. We always welcome any member who would like to help. Just let Charlie know. Pool preparation for opening will immediately follow upon completion of the front of club siding and floor project. We plan to paint the pool and have a radar inspection. Painting is necessary every 3 years. The radar inspection is to determine if any voids have

occurred under or along the sides of the pool and if there are any leaks in areas we can't see. Included in the pool project will be replacing the wood behind the pool bar and refurbishing the pool bar. We plan to put our pool chairs back out if the pandemic has subsided enough for us to keep up with sanitizing. Face masks and social distancing will still be required.

During each of the above projects, we will be preparing to install a front entrance gate on the parking lot. There will be plenty of advance information prior to putting the gate into service. It is time to ensure that members get to use the parking lot — not the general public.

I continually remind all members to be careful when crossing the bridge when wet. I am working with ODNr to assist in remedying this as much as possible. So, while crossing the bridge to the club and white knuckling the hand rail, look to your right at the new lake wall and small water craft docks. Get with Governor Tobias if interested in renting one. Yes, there are visitor slips for members or guests to park their water craft, as in the front of the club, to enjoy the club for the day and leave. Visitor slips are not for overnight parking.

Please display your vehicle parking sticker for 2021. It is pink and is to be displayed on your front windshield in the lower left corner. (Left as you look out the window from driver seat)

Be Safe. Stay Strong

HELP! WE NEED PHOTOS

We try to feature photos in each issue of the *Log* highlighting activities at the Club and our members having fun. It's always a challenge in the winter months with less activity — and this year with limited capacity even more so — but we can always use your help. If you've got photos of fun around BLYC, please share them directly with Governor Barb Hein at blychein@gmail.com

Are you interested in being one of our "regular" BLYC photographers?

We know that some people just *LOVE* to take pictures. If that describes you, contact Barb and let her know. We'll get you set up so that you can upload your photos of BLYC activities directly to the BLYC Flickr account for all of our members to enjoy.

DOCKS & RENTALS

- Governor Greg Tobias

The new year is moving along very quickly. Dock assignments have been made. However, there are always changes being made. Currently we have no one on a waiting list for area #8. If anyone is interested in a dock in this area please contact us. Currently we are near full capacity. An updated status of the docks will be posted on the porch this month. Issues about the Eastport Storage Yard and what can be stored there have come up recently. More on this issue will be included in next months Log. As always contact me, Toby Tobias, with regards to docks, rentals, and storage.

BLYC Historian

Bowling but no Billiards, and the Best Dining Views on Buckeye Lake...

Captain Eddie Gettrost was a well known citizen of Columbus, a veteran of the Spanish-American War, a Captain in World War I, a successful businessman, and our Commodore in 1925.

Born in Bellaire, Ohio in 1877, Gettrost came to Columbus at the age of 16 where he worked in a restaurant by day and attended business school at night. When the Spanish-American War broke out, he enlisted in the US Army, served in Cuba and participated in the landing at Guanica, Puerto Rico in 1898. After returning from the war, he purchased the Swift Bowling Alley on East Gay Street. Over the years, he purchased several other bowling alleys and restaurants throughout Columbus, culminating in his lavish Gettrost Recreation Hall encompassing the second, third, fourth, and fifth floors of 44 North Front, at the corner of West Gay (this location is the site of the Leveque Tower Garage today.)

At the start of World War I, Mr. Gettrost placed his businesses in the hands of his managers and again enlisted in the US Army. He was soon thereafter commissioned as a First Lieutenant and sent to Virginia where he organized and trained a company of African American soldiers. In August of that year, he accompanied them to France as their Commander where they were assigned to the Quartermaster's Corps. While overseas, he was promoted to the rank of Captain, and was honorably discharged in August of 1919.

Mr. Gettrost owned property on the south shore of Buckeye Lake near Millersport and was quite apparently a very active part of the lake community and BLYC. In that time period, one of

the more popular "off-season" activities was participation in the Inter-Lake Yachtsmen's Bowling Association. Frequently, their tournaments were hosted at Gettrost's fine establishments in Columbus.

Sadly, club records from the 1920's are scarce and, according to Kyle Armstrong's Book, *Story of Buckeye Lake Yacht Club*, there is also some question as to the manner of how officers were elected during that time. There are no records available, save the names of the Commodores, of who served BLYC on the Board or its committees. Regardless, Eddie Gettrost became Commodore, our 14th, in September of 1924.

Commodore Gettrost's elevation to the office coincided with the period of U.S. history later to be known as the "Coolidge Prosperity." Industrial production was up 70%, wages rose nearly 25%, widespread electrification improved the lives of many Americans, and by the end of the decade over half of all American's owned automobiles and other "luxury" items previously beyond their reach. The Club, too, benefitted from this era. Activity at BLYC was higher than ever! In order to accomodate this increase in participation, the Board eliminated the old "billiard hall" upstairs, enclosed the staircase, and added additional sleeping accomodations for members visiting the lake on the weekends. BLYC had also outgrown "Gob's Mess" (today, the bar) as it's only dining area with meal service frequently spilling over into the "lounge" (as we now know it, the Fireplace Room). The Board elected to enclose the west porch to add our current glazed-in dining room with arguably the best dining views on Buckeye Lake. As a part of this project, BLYC *finally* and officially dedicated our island in the name of the Honorable George H. Watkins who was immensely instrumental in the early developement of both the lake and of BLYC years earlier. On the evening of July 3rd, 1925 — 11 years after his death

Eddie Gettrost - 1916

and nearly two decades following the Club voting to so dedicate the island — a group of Mr. Watkins' friends, along with members of the Club, unveiled and dedicated a monument appropriately commemorating this "member and and lover of the Club, friend of the common people," who "departing, left to them in Buckeye Lake a beautiful and valuable heritage to which his spirt invites us to return again and again to enjoy the fruits of his labors. He it was who made our Yacht Club possible." So originated the large bronze tablet still mounted, although perhaps somewhat obscurely, on the chimney in the Club dining room.

Commodore Gettrost passed away in November of 1929 following a stroke suffered at his Buckeye Lake cottage. He was 52 years old.

While bowling may not enjoy the popularity today that it once did and both the billiard hall and sleeping rooms upstairs are gone, the members of BLYC are certainly indebted to Commodore Gettrost for his leadership and vision in providing us what is, arguably, still — nearly 100 years later — one of the greatest features of our Clubhouse. Regardless of the season, is there anything better than enjoying a good meal with friends while looking out over our beautiful lake?

						COMMODORE BRUCE AMES SUNDAY, MARCH 21

CURBSIDE TO-GO

Due to the recent increases in COVID-19 in our area, we understand that some members may not be comfortable dining in with us. Please support your Club, support our Staff, and still enjoy all of your favorite BLYC meals while we all work to get through this and get back to normal.

Wednesday - Saturday
4:00 - 8:00

Sunday
1:00 - 7:00

Simply call the Club to Place your Order
(740) 929-9941

Full Menu & Weekly Specials Available

When you arrive in the BLYC parking lot, call the Club again and we will deliver your meals to you.

NO NEED TO EXIT YOUR CAR
