### **It's Boating Season!**

Between the last year of learning new ways to socialize while staying safe and the blast of real winter that we had in late February, I think that we're all MORE than ready for summer this year. Bring on the FUN!

It looks like the worst of the pandemic may soon be behind us and things will soon be a lot more "normal" this season. (I got my vaccine... Did you?) On behalf of the Board and the staff, I want to thank everyone again for your patience and cooperation over the past year. Things are certain to ease up in the near future. We ask your continued cooperation as things change. We have to be prepared for the fact that it might not change as quickly as some of us would like, but BLYC will continue to follow all Health Department guidelines and rules.

As you have no doubt noticed, there's been a lot of work going on around

Watkins Island lately. Thanks to good management, a strong economy, and excellent stewardship by the Finance Committee, we are able to finally address some long-awaited capital improvement projects. Vice Commodore Campbell discusses some of these in his article this month, but there's even more on the horizon. We plan to present a complete plan to the membership at the Semi-Annual Meeting on Sunday, May 2<sup>nd</sup>. Assuming that we can safely do so, we hope this year to, once again, hold an in-person meeting. The meeting will start at 2:00 pm and the agenda will be made available on the website and published in the e-News.

A quick look at the upcoming events for this month, you can see that activity is on the rise. Please continue to make reservations when dining at the Club so that our staff can properly plan and be prepared for your visit. In that same vein, it is imperative that we better control our parking lot. The parking lot is for members only, and only when you are visiting the club or accessing the docks. While we're taking efforts to better control non-Club use of the lot, we also need the members to self-police their usage as well. We have to keep our club accessible to our members. As the lake gets busier, this becomes critical to the health of our operation.

**Reminder:** Dues are now past due. Prompt attention is appreciated. Please contact the Club Office if you have any special needs or concerns.

**Let's have a GREAT 2021 Season!**

Commodore Bruce Ames

---

## BAR & KITCHEN

- Rear Commodore Jeff Hamilton

### April Showers...

We know the ending to this phrase but I think "April showers bring a full pool" sounds much better. Hopefully, we will start to see boats out on the water soon and the fun will begin. I am looking forward to seeing sailboats as well. I'm setting a goal this summer to learn how to sail. I should since we are a sailing club.

Please join your friends on April 11<sup>th</sup> for Spring Work Day. Many hands make light work. We want to dust off the winter doldrums and give our grand old building a good spring cleaning.

Join us on April 17<sup>th</sup> for the Commodore's Ball. This is an evening to celebrate all of our Commodores. Chef Josh will have a wonderful menu prepared. It will be a wonderful evening of great music, great friends, and great food. Please be sure to make your reservations early as we are sure to sell out.

Do you know any one looking for a summer job? We will be starting to hire for our summer staff starting this month. As you know, Buckeye Lake Yacht Club is a great place to be and it is a fun place to work too. Please see Rodney for details.

The spring menu is being fine tuned and it will be available later this month. If there is anything that you would like to suggest be added to the menu, please feel free to reach out to either Rodney, Chef Josh, or myself.

I am working with Rodney on updating our wine list. If you have a wine that you would like to see on our menu, please feel free to reach out to either of us. As I mentioned last month, we held a contest with the staff on who could get the most feedback forms. I extended the contest through the end of March. We will announce the winner next month. Did you know that when you make a reservation online or by calling in your reservation, that you will get a feedback form sent to your email address that you provided? We are also putting them in with your checks when you dine at the Club. It is very important that we hear from members about their experience. I appreciate everyone who has taken the time to fill out a feedback form. We can't make our Club better if we don't know that we need to correct something.

The busy summer season will be here before we know it and we will be able to dine outside. When you plan to visit the Club for dinner, I can't stress enough to please make a reservation. It helps to have the correct number of staff available to be able to serve you better.

I am looking forward to the spring and summer months. I think it is going to be a great time this year. We were denied so many things last year and it is time to put it behind us and have some fun. What a better place to have fun than at Buckeye Lake Yacht Club! I look forward to seeing you at the Club!

**Cheers!**

Jeff Hamilton  
Bar & Kitchen

---

## HOUSE & GROUNDS

- Vice Commodore Charlie Campbell

### Busy time on Watkins Island...

We have started the front porch floor project along with re-siding the front wall. When the porch project is completed, a new "Trex" floor will welcome your shoes or bare feet. This floor will enable a better surface for tables and chairs, a warm welcome look, make for ease of cleaning, and provide long-lasting durability.

The front wall of the Clubhouse, which I have commented on in several articles, will have a uniform look from top to bottom and left to right. Maintenance and ability to clean the surface were our main objectives when choosing the type of siding. It will be white, thus keeping the club's look as if it never was changed. Hopefully, both projects will be completed by mid-April. As with most projects since COVID-19 began, the limiting factor on completion will likely be the availability of materials.

We now have new dining room chairs thanks to the generosity of the BLYC Auxiliary. Our new pool chlorinator is now on the installers schedule. The rear stairs have needed painted for several years. The hold-up is the amount of erosion, rust, that has taken its toll on every part. A member has made a donation for each part sanded, and have two coats of rust inhibitor primer and two coats of exterior rust resistant paint applied. The club thanks this member for this generous gift.

As soon as the front porch projects are complete, our focus will turn to the pool bar — then on to the pool painting and opening.

Last year, if you wanted to sit at the pool, we had all members bring their own chairs. This assisted greatly in meeting the current sanitization requirements. We are now considering what to do for 2021— members bring their own chairs again or we use the club's? If we use our chairs, we have new lounge and poolside chairs thanks to the BLYC Auxiliary. We await Governor Dewine and the Licking County Health Department for updated 2021 regulation on the operation of the pool.

If you have a dock and plan to add to it, you need House and Grounds approval along with the Governor of Docks. It is against the rules to construct anything on BLYC property without approval. When you take it upon yourself to add electric, build a platform, add a storage box etc., you add liability to the club. Please, when considering an improvement we ask that you follow the rules and ask. We remind you to be prepared with a brief diagram, rationale, who pays for materials and construction, etc.

**Thank you and Stay Safe!**

Charlie Campbell  
House & Grounds

## ENTERTAINMENT

- Governor Brian Jones

### April Entertainment Line-Up:

**Dave Bott**

Friday, April 2

**Big Bad Stache Trio**

Saturday, April 3

**Ron Jae**

Friday, April 9

**Drew Allen Duo**

Saturday, April 10

**Shawna Corder**

Friday, April 16

**Just Jazz Live Trio**

Saturday, April 17

**Lakeside Trio**

Friday, April 23

**Michael Doctor**

Saturday, April 24

(All acts are scheduled to play from 6:30 — 9:30)

There's no better place than the Buckeye Lake Yacht Club to enjoy a great meal and some fantastic entertainment. Please remember to make reservations. You can do so easily online at [www.buckeyelakeyc.com](http://www.buckeyelakeyc.com) or by calling the Club at (740) 929-9941

**See you at the Club!**

Brian Jones  
Entertainment

## FINANCE COMMITTEE

As we slowly return to a more normal state and the spring weather improves, we continue to pay close attention to the financial condition of BLYC. We appreciate the members who continue to support the Club, especially those who made timely dues payments this winter. For the few members who have not paid or made payment arrangements, you are now considered delinquent and will have your member charge privileges suspended effective April 1<sup>st</sup>. As a reminder, summer dock rental is only available to members in good standing.

We recently filed with North Valley Bank for forgiveness of our \$99,800 PPP Loan used to maintain our payroll during the difficult shutdown periods in 2020. NVB reviewed and forwarded our application in March to the IRS, who has 120 days to process the request. In late December, Congress changed the rules for the Employee Retention Credit and we are now in the process of amending the 2020 payroll tax returns to claim the tax credit for up to \$10,000. The Board is also assembling documents and information to get bids to make sure our insurance costs remain competitive. Our insurance policies renew in July each year.

## EASTER EGG FUN

**Saturday, April 3**

**11:00 - 12:30**

Sponsored by the BLYC Auxiliary  
RSVP Online or by calling BLYC

# COMMUNICATIONS

- Governor Barbara Hein

Crocus & daffodils are blooming and that means our spring and summer days at BLYC are nearing. In the meantime, come and sit by the fire pit and enjoy the lake. Congratulations to two of our junior sailors, Bryor Burke & Zeb Loring, who have decided to participate in High School Sailing this spring. They will represent BLYC and compete against other high schools. The "home" lake is Hoover Reservoir in Westerville. If you have any questions, would like to share a story with me, or have a favorite picture please reach out, blychein@gmail.com

Barb Hein

# DOCKS & RENTALS

- Governor Greg Tobias

Happy Spring everyone! Now that the weather is improving, we would like to spend time now doing maintenance before the season gets well underway. For those of you who maintaining a dock at the club, be sure to let us know if any repairs need to be made if we haven't already done so. Questions have come up about transient/guests docks. Many members aren't aware of how many there are or where they are located. Along with the posting of dock assignments we will also highlight docks that are available to rent and the docks that will be designated as transient/guests docks. We are now starting to review the Eastport Storage area. It appears that other personal items are being stored there that aren't marine related. Policies regarding this area will be reviewed and modified if necessary. This information will be posted at a future date. As always, contact me, Toby Tobias, with regards to Docks and Rentals.

- Governors Debbie Haptonstall/Rickie Sue Grunden

I hope everyone had a nice St. Patricks Day! I hope you were able to enjoy the activities at the club to celebrate.

*Please reach out to our new members and welcome them to BLYC.*

**John Alfred Brothers**  
**Longo Guisippie**

In April, my husband Bill and I will be moving to Florida. We have really enjoyed our time at the club. We have met so many great friends that it will be very difficult to leave. However, we do plan to come frequently for visits. I would like to thank everyone for their support while I was Governor. I know the BLYC will be in great hands with Rickie Sue Grunden taking my place for the remainder of the year. She is very excited about the position and I know she will do a great job!

## JUNIOR TRAINING

- Governor Mike Bruckelmeyer

Thanks to everyone who came out for the March 13<sup>th</sup> planning meeting. We covered a lot of information and got 2021 off to a good start. As of this writing I will be attending the I-LYA Spring Planning Meeting at the end of March. I hope to have definitive information about this year's sailing season. As it stands now, please plan on attending events listed below.

I need **ALL HANDS ON DECK** for our April 10 Junior Work Day. We have to get our fleet ready for the season and we have a lot to do. Many hands make light work so I hope to see you there. The Club's Work Day follows on Sunday April 11<sup>th</sup>. Back by popular demand! We have a Junior Social scheduled for April 24<sup>th</sup>. Come on out and enjoy the evening with your friends (Juniors and Parents alike)!

Sailing Camp Registration is currently open online so please sign up soon. Camps are filling up fast! (June 14 Beginner's Camp is already Full!)

- April 10** – Jr. Work Day, 9:00am - Noon
- April 11** – BLYC Work Day, 8:30am – Noon
- April 24** – Junior Social – Evening.
- May 30** – Shrimp Boil - Jr Fund Raiser
- June 1-4** – Sailing Camp – Beginners
- June 5** – Travelers Series @ BLYC
- June 7-11** – Sailing Camp – Race Team
- June 14-18** – Sailing Camp – Beginners - **Camp is Full**
- June 21-25** – Sailing Camp – Intermediate
- June 28-July 2** – Sailing Camp - Advanced

### Fair Winds and Following Seas!

## BLYC AUXILIARY

**Happy Spring from your BLYC Auxiliary Board!**

We had a wonderful turnout for the social evening with BLYC and PIBYC members. Yoga, Water, and Wine was a fun afternoon. We are looking into adding a few more yoga classes.

**Save the dates for 2021 and Join us:**

Easter Egg Fun — Saturday, April 3, 11:00 am to 12:30 pm  
The Easter Bunny will be making an appearance. Kathy Severance is looking for helpers. Please call the club or go online with the names and ages of your children and/or grandchildren. The kitchen and bar will be open, please make reservations.

Our April Auxiliary meeting will be held on Thursday April 8, 2021. Socializing and dinner will begin at 5pm. We will begin the meeting at 6pm. We will close the evening with our special "Spring Social" activity set to begin at 7pm. Be sure to bring your creative side to this fun activity.

Thursday, May 13, 6:00 Auxiliary Meeting/Dinner and  
7:00 Social Activity July 31....Fundraiser 5:00 to 7:45....  
Entertainment GATLIN 8:00 to 11:00 The most dynamic, entertaining duo this side of Vegas! GATLIN is an entertaining show like none other! These two dynamic voices will amaze you with their ability to sing all genres of music, from classic country to rock to pop to opera. Add in the "request" portion of the show, and you will certainly enjoy the true strength, power and versatility of these two energetic performers. Come see what everyone is talking about! More details to come. Please RSVP either online [www.Buckeyelakeyc.com](http://www.Buckeyelakeyc.com) or by calling the club 740-929-9941. We can't wait to see everyone!

**Reminder:** Support your Auxiliary with a \$25.00 donation for membership dues or fill out the form. Payment can be made by cash, check, or member charge or contact Trinda Ward, membership secretary. The Auxiliary email is [blycauxiliary@gmail.com](mailto:blycauxiliary@gmail.com) for any questions, ideas or concerns.

This past year we have all had to learn to be flexible as things are ever changing so please check the BLYC website and e-News for the most up to date information.

# LOOKING AFT

- P/C Steve Harris  
BLYC Historian

*Recently, Gov. Bill Collinson announced that BLYC would be hosting a regatta for local Thistle class sailors later this month. We have hosted a wide variety of regattas for different classes through the years - including Thistles. Back in the early 2000's, when, like today, our sail race program was in a time of rebuilding, members Brett Pfahl and Walter Grubb, Jr. spearheaded an effort to build the Thistle class here at BLYC and hosted a regatta to help spur that along. As the chair, Walter put together a very good event and, being on Buckeye Lake, he dubbed it the "Mean Green." Well, this year, we're bringing it back! Thistle sailors from all over central Ohio will be joining us on the 24<sup>th</sup> for an early season "tune-up" which we will also use as training for our race committee so we're ready for our summer season and the other 2021 regattas we're hosting.*

*While there are plenty of stories from those Mean Green's a few years back, I'll hold them for now to protect the innocent. However, as we start the season, I thought I would share the story of BLYC's first regatta, Memorial Day, 1906. The following is reprinted from P/C Kyle Armstrong's 1956 book, Story of Buckeye Lake Yacht Club, with minor edits.*

— SGH

## **BLYC's First Regatta**

### **May 30, 1906**

Break of Memorial Day, '06, was most promising. The gleaming sun arose to a transparent blue sky. Little thermal zephyrs danced over the waters. Venturesome fledglings fluttered from nests on maiden forays and the newly fledged yacht club also preened for its maiden trophy flight.

To be on time for the first event, Columbus participants in BLYC's initial regatta got up with the birds to catch the 7 o'clock interurban car, arriving at the Lake at 8:30. Even this left little time for ferrying across to Orchard Island and readying boats for the day's activities. At 9:30, a half-hour late because of interurban considerations, the squadron parade finally got underway. Most of

the Club's 40 craft, gaily decorated with flags and bunting, loaded to gunwales with members, relatives and guests in holiday attire and spirit, moved in line around Middle Basin, with power boats towing sailboats, leaving the island nearly deserted. Fanfare of gunfire, from one of the leading boats, announced their progress. The numbers of spectators attracted to the water's edges were amazing for that time in the morning.

The parade over, participants and spectators, on island and shores, were kept alerted by periodic cannonfire.

As smoke belched from muzzle in the last of such blasts, 23 of the Club's 34 one-lunged, torpedo type, Mullins steel boats, and others of similar nature, churned across the starting line. It was a free-for-all over a 2 mile course to aid in determining handicaps for subsequent races. Only boats finishing this contest would qualify for entrance in the main power event to follow — and less than half finished.

The cup race for powercraft started nearly on hour late, due chiefly to handicapping computations and complications. Eleven boats took to the course, westward from Orchard Island to a duckblind at Hole-in-the-wall, then eastward to another duckblind near Spring Run Island, and back to the starting line — twice around, 9.8 miles.

First boat finishing made it in 59 minutes and 47 seconds, and the last 5 minutes and 48 seconds later. Two failed to finish — one coming in with engine smoking.

A wind that had sprung up didn't interfere with contestants. But there was sufficient wind for sailing to follow around the same course with jolly parties aboard. It was almost 2 o'clock before boatmen and guests got around picnic baskets and refreshments.

The "Sail Yacht Race," starting at 3:20, was another cup event, and climactic. Its course, following generally that of the power boat cup race, was said to be about a mile shorter.

The wind had freshened considerably. Weather and the half-hour gun had crowded shorelines with spectators destined to get more than their interurban

fares' worth of excitement.

The seven contenders lost no time in nosing the line at crack of the starting gun. Just having gotten well underway, one lost a crewman. Amid shouts from island and main shores, he managed to scramble aboard again. Then, as the craft filled away vigorously raider a sudden puff, there was a rending crash as her mast snapped and sails and rigging tore into the water. One out — six still in!

Another skipper was sailing his new craft single-handed. While on her first lap, a gust reached under her heeled-up bilge and turned her over. Her skipper found a resting place on her centerboard until a club powerboat came to the rescue. Two out — five going!

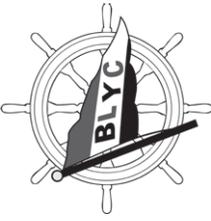

A third boat, manned by three, apparently was weathering the young gale without difficulty. All aboard confidently expected to come in for a trophy. Then the mainsheet fouled and wouldn't start under a knockdown. Over she went, her sailors clambering for centerboard and topside. Three out — out of seven starters!

A schooner, owned and sailed by a crew from Buckeye Boat Club, really was an interloper. She had no business in this regatta, anyway. Her skipper, reconsidering the weather and her status, pulled her out of the race at the end of her first lap.

With only three contestants left for the finish, all were trophy winners. For the "9 mile" race, times respectively were 56:37, 61:12 and 79:15 — not bad!

Trophies were awarded winners of first three places in each main (cup) event. These were loving cups purchased "in the east." They had been exhibited at Bancraft's jewelry store in Columbus during the preceding week, and were "of the very latest design, each standing over nine inches in height." In addition, "challenge cups" of similar nature and history were awarded first place winners to be held until defeated in later regattas. Charter membership reached 80 by the July 1, '06, deadline. This was net, considering losses as well as gains, in enrollment. The 67-day-old yacht club no longer was an infant in size, experience or vigor. It was underway on its own.
