#### Summertime! (almost)

It's been a long off-season! By now, many of us are getting our boats in the water and making plans for a great summer. Hopefully, your plans include fun times at the Buckeye Lake Yacht Club. I once heard someone refer to BLYC as "our own little slice of tropical paradise — right in the middle of Ohio." A pretty apt description if you ask me. For what you might pay for a weekend away at some fancy resort, you can have the same thing all year at BLYC. Before long, the pool will be open, the horizon will be dotted with sails, and the fun we've all come to associate with the Club and our beautiful lake will be in full swing. Honestly, we've got it pretty good, don't we?

As you'll read in this issue of the *Log*, we have a full schedule of activities planned for this month and into the summer. If you've been to the Club lately, you've certainly noticed all of

the work that's been going on as well. Maintenance and capital improvements are an ongoing effort and with our old house, it takes a lot. Fortunately, we've got a great maintenance staff and plenty of member volunteers to make the job easier and more affordable. Thank you to everyone who's pitched in recently from the porch, to work day, to planting flowers, and everything else that it takes to keep the Club moving along.

As we prepare for boating, I would like to draw your attention to the upcoming **National Safe Boating Week, May 22-28**. We sometimes take boating safety for granted and don't give it the attention we should. Yet, it should be a priority for all of us. We'll be posting daily boating safety videos on our website that week to draw attention to safety and I encourage everyone to participate in "**Wear Your Lifejacket at Work Day**" to kick off the week on **Friday, May 21**. Share your selfie wearing your lifejacket to our Facebook page that day! If, like me, you're retired, wear your lifejacket to breakfast, mowing the yard, walking the dog... whatever. It may seem silly, but it is one way that we, as a Club, can continue our leadership in the lake area in promoting boating activity and setting the example on doing so safely.

#### See you on the water!

### Summer is almost here!

Spring in Ohio is always such a wonderful time. One day it is sunny and warm, the next day it is rainy, then the next day we are back to fall/winter. If you don't like the weather then wait five minutes and it will change. Summertime is right around the corner and we are getting ready for some summer fun at the Buckeye Lake Yacht Club.

Thank you to all of the volunteers and staff who came to work day. The Club is ready for the summer season and it looks wonderful. The new front porch and siding is completed and it looks outstanding. Thank you to Vice Commodore Campbell and his group of volunteers who put in many hours to get it completed.

Over February and March we held a contest with the staff for who received the most comment cards. Between the two months we received 93 comment cards and Danielle received her name on 43 of them! That is 46% of the total cards. She worked very hard and was very persistent on getting

people to fill them out. She received an Amazon gift card for her hard work. Thanks Danielle! Your hard work and dedication to the Club members is greatly appreciated.

I appreciate everyone on our staff for all that they do for our members. We are going into our busy season and they will be hustling to serve you and your guests. Please remember to treat them with respect at all times. They are part of our family as well and we are very fortunate to have all of them.

Last month, we had to replace our dishwasher in the kitchen. The cost to fix it was not economical as compared to getting one that we could lease. Having one that is leased, we will not be responsible for repairs. We are also replacing the glass washer that is behind the bar. This will also be a leased piece of equipment.

Over the past couple of months, we have been discussing with members about repurposing the back part of the dining room where the salad bar currently is. At our last board meeting, we discussed this in great length. We have decided that this is something not to take lightly. We are forming a committee to

figure out a short- and long-term plan for this area and the kitchen. We are a growing Club and we need to figure out how we can better serve our members efficiently and to obtain more work space. I am looking for any of our Club members who would like to be a part of this committee. We are also looking to find a person who is in the profession of kitchen expansions/repurposing of spaces. I would love to hear from you if you have interest in being a part of this committee. We will also have our Club Manager as part of the committee. Please check the website and weekly e-News for updates as to when we will meet. Please reach out to me via the website if you would like to be a part of this committee.

I am looking forward to the hot summer weather, being on the lake, fun at the pool, and spending time with BLYC members. Patio season is here and it is my goal to make sure that you have a wonderful time while you are at BLYC. Don't forget to give us your feedback so we can see how we can improve your Club. See you at the Club!

**Cheers!**

## DOCKS & RENTALS

- Governor Greg Tobias

### Happy spring everyone !

Literally, as of April 15<sup>th</sup>, all docks are now rented. In addition to the five guest docks in front of the club, docks 54, 55, and 56 will also be designated as guest docks. They are located in area six — west side of the island. A dock request list will now be necessary for all areas and will be maintained in our club office. It will be a first come, first served process. Keep in mind that there is always a change in status of docks so please submit requests in order to secure your position on the list. With regards to Eastport storage, we are in the process of redefining the use of the area. This should be completed and presented to the Board of Governors for approval at May's monthly meeting. As always please contact me, Toby Tobias, with any questions or concerns about docks and storage.

## FROM THE GM...

- Rodney Probst, GM

### A Note on Reservations...

With the season approaching us, now is the time to talk about dining reservations. We are still operating under Governor Dewine's COVID-19 restrictions. This Public Health Order limits the number of tables that we have at our disposal on any given night.

Please be patient with us as we strive to accommodate your seating request. Please be advised that a dining reservation guarantees you a seat, *NOT* a specific seat or area of the Clubhouse. Reservations are taken on a first come first served basis and we are currently limited to 120 people. Reservations can be easily made online through the online system at [www.buckeyelakeyc.com/dining-reservations](http://www.buckeyelakeyc.com/dining-reservations). When you make your reservation, you will receive an email notifying you that it was received and a followup email once it is confirmed. You may also call the Club at (740)929-9941

**We thank you for your Continued Support**

## HOUSE & GROUNDS

- Vice Commodore Charlie Campbell

If you have been to the club since March 15<sup>th</sup>, you will see that the front porch is taking on a new look. The old blue carpet, which has served well, needed replaced and has been with Trex. Trex is a plastic like planking that will last for a considerable amount of time. The exterior face of the club porch was the original wood siding painted many times. We have insulated, wrapped with wind proofing, and replaced the wood with siding. Yes, it has caused some delays in using the porch for outside dining and just sitting in one of our rocking chairs enjoying the view. By the time this newsletter gets to your home this much needed project will be completed.

I want to thank each and every one who helped with our spring work day. I have posted in the bar room a list of those who assisted. A lot was accomplished. Work day is not only a twice-a-year club tradition, but is a time that members get an opportunity to keep the club looking great. If you forgot to sign the "I helped" roster no worry, we know you were there. Again, thank you.

Parking on our lot is for our members and a member's guest while visiting the club. Please display your sticker on the front windshield of your car. This year's color is pink. For your guests, please get a visitor's pass and place it on the vehicle dashboard. Visitor passes are available at the club bar. We are moving forward with entrance gates.

Last year, due to Covid-19 restrictions, we had members bring their own chairs to use at the pool. For 2021, we are going to use our chairs. As is club policy, our chairs will be cleaned and sanitized daily. If you prefer to bring your own chair, you may. The club will provide cleaning and sanitizing items for your use. Pool rules on items you can use in our pool will be followed. If throwing balls back and forth, be mindful of other members. Keep your throwing distance short. Straws are not allowed in pool unless it can't be removed from the drink container. Follow the rules as posted. The pool opens May 28. The crane used by many to launch

their boats is now removed. We were no longer able to use the crane due to construction of the ODNR dam.

The rear stairs are being painted with rust prohibitive paint. Painting will be complete by pool opening.

We continuously explore ways to keep birds off of our docks. Bird droppings cover members' boats and our docks. We are not allowed to shoot them, we can't shoo them away, they can be scared into flying but unfortunately return. However, in all cases, they "drop" on everything. Again, this year we will attempt to remedy the problem.

Rainy season is here be mindful of slippery conditions while crossing the bridge.

## COMMUNICATIONS

- Governor Barb Hein

Spring has sprung and we had our semi-annual volunteer work day. As you will see when you arrive at the Club, our planter box has been removed. Allow me to tell you about our peony plants that were in that planter. Our 2009 BLYC Commodore Will Price has an amazing wife. Her name is Paula and she is a Master Gardener. She led an effort in 2004 to redesign our landscaping and flowerbeds on the island and donated the peony plants. These peonies, several plant generations back no doubt, originally came from her grandmother's garden. We have relocated many of them to other areas of the island so as to continue the great lineage of these plants. As far back as I can remember, Peony plants have been growing at BLYC and may they continue to grow and provide us all pleasure in the flower beds.

As always, if you have a story to share or pictures, please send them my way.

# BLYC AUXILIARY

## Happy Mother's Day from your BLYC Auxiliary Board!

In April, we hosted the Auxiliary's Children's Easter Egg Fun — Kathy Severance and her crew did a fantastic job organizing and executing family activities at their tables. We had 41 children and a total of 118 people. Zeb Loring did an excellent job as the Easter Bunny. We also received a \$200 cash donation from a very happy member. We enjoyed getting together for our Auxiliary Social, meeting, and painting glasses and picture frames.

## Save the dates and Join us:

**Thursday, May 13<sup>th</sup> — 5:00 pm Social time — 6:00 pm Meeting/Dinner — 7:00 pm Wine Tasting**

**Thursday, June 10<sup>th</sup> — 5:00 pm Social time — 6:00 pm Meeting/Dinner — 7:00 pm Salsa Dance Class**

**Thursday, July 8<sup>th</sup> — 5:00 pm Social time — 6:00 pm Meeting/Dinner — 7:00 pm Fun Activity**

Please RSVP either online [www.buckeyelakeyc.com](http://www.buckeyelakeyc.com) or by calling the club 740-929-9941.

Make sure to notate you are coming to Auxiliary. We look forward to seeing everyone!

# RACE & REGATTA

- Governor Bill Collinson

## Welcome to Spring fellow boaters.

You may have noticed a new event in our Race and Regatta Calendar. I direct your attention to the Cardboard Boat Race and Regatta set for August 7<sup>th</sup> of this year.

The concept is that all competitors design and build their cardboard boat using only cardboard, duct tape, and paint. Your boat must be able to complete the designated course without sinking in the process. Many yacht clubs around the country stage this event as an annual reason to party and Buckeye Lake Yacht Club should be joining that group. For this year's competition, the race is open to all yacht club members and their families. In addition, all employees of the yacht club are encouraged to participate. The event is also open to our first responders around the lake — that would include police and fire. For safety reasons, all competitors must be 12 years or older and wear a life jacket during the competition.

The course this year will start at the newly constructed jet ski and kayak docks on the north end of the island, continue west, then south around the pool, then east towards the entrance to the club with the finish line being the entrance to the club. We will have two classes of boats — singlehanded and doublehanded. The only wood acceptable will be the paddles. Every other aspect of the boat must be made out of cardboard, tape, and paint.

For those concerned about the viability of their crafts, we will have safety boats stationed strategically around the course to salvage the competitors as well as what is left of their crafts if they are not up to the task.

Trophies will be awarded for 1<sup>st</sup>, 2<sup>nd</sup>, and 3<sup>rd</sup> place in both the single- and doublehanded categories.

The reason for posting this article now is to give you time to plan, design, test, start over again, further design, and hopefully come out with a vessel that will survive the race. All boats completing the course will be timed and the winner determined by the fastest time.

Registration will start immediately by emailing me at [williamxcollinson@gmail.com](mailto:williamxcollinson@gmail.com). Please let us know if you wish to compete in the singlehanded, doublehanded, or both categories. This is a great opportunity to partner with your child or grandchild in what should be a constructive, fun event.

To begin your quest to build a viable boat, I recommend that you google search “cardboard boats” and or “cardboard boat races.” To get some excitement generated to the event, I have added several photographs to whet your appetite.

**Start your design, start your build and as always keep your bottom wet and your sails dry.**

## Greetings from your BLYC Auxiliary

On July 31, 2021 we are hosting our annual Fundraiser, this year called **Glitz and Glamour, An Evening with The Gatlin's**. Proceeds used from the Auxiliary Fundraising events included purchase of 150 navy dining chairs, Trex decking on the front porch with 5 dimmable ceiling fans, pool bar stools, dining chairs, tables, umbrellas, and landscaping. Donations were also made to the Junior Lounge renovation and charitable gifts to community food pantries. We are raising new funds to help continue the beautification and updating of our wonderful club as well as being active community partners. There are many ways you can participate and show your support.

Option 1: Come on July 31 with your BLYC friends. At this time we are limited to 120 reservations and we will have a waitlist should we be able to increase our numbers. You can make reservations by texting/calling Tracey Davis 614-446-0131 or emailing [blycauxiliary@gmail.com](mailto:blycauxiliary@gmail.com). We need to know names of people in your party with member numbers to reserve your seats. Supper Club menu for dinner. Raffle tickets will be available to purchase for individual baskets/items displayed inside and the Live Auction will be held at 7:00. \*\*\*There is no ticket charge to attend the event but you must have a seat. If you cancel after July 15 or do not attend on July 31<sup>st</sup>, there will be a \$25 per person donation added on your member account.

**Order Dinner 5:00 to 9:00 and raffle tickets purchase 5:00-6:45.**

**Live Auction 7:00-7:45**

**Music and dancing to the Gatlins 8:00-11:00.**

Option 2: Donate items for Live, Auction or Raffle. Your donations should be delivered to BLYC by July 15 with notation of your name and contact information. Buy tickets at BLYC, which will be available July 29, 30 and 31 (closing at 6:45). We will have all raffle items setup at BLYC by July 29. Tickets are \$20 for 1 chance, \$100 for 8 chances, \$200 for 20 chances. Place your ticket(s) on the item(s) you want to win.

Option 3: Be a Corporate Sponsor (goal \$500 per donation). Companies donating by June 13, will be listed by company name in the Auxiliary Article for July and August Logs, in the July 31 Event program, and on the Auxiliary Sponsor Banner.

Option 4: Not able to attend the auction? Your generous donations are most welcome! Please send your check to BLYC Auxiliary, BLYC, P.O. Box 867, Buckeye Lake, OH 43008 or member charge by calling BLYC 740-929-9941.

**Together we make a difference at BLYC!** Your contributions are greatly appreciated!
