#### Happy Days Are Here Again!

WOW! Talk about a year (plus)! It was starting to feel like things would never get back to normal again. As distancing and masking restrictions are being lifted, I want to take this opportunity to thank all of our members for their patience and cooperation over the past 14 months as we have striven to keep the Club open and operating as close to normal as possible. Not only did you adhere to the guidelines we had to follow, but your generous support of our staff – through our Employee Relief Fund last spring and your continued patronage since we reopened – truly exemplify what is great about our Club... **the Members!**

I know that each and every one of you join me in also commending our staff for the outstanding job that they have done. Their efforts, cheerful "can do" attitudes, and strong work ethic have helped to make BLYC, quite literally, a safe port through this storm. Whether front of the house, back of the house, maintenance,

or management, they've all done a great job for us. I'm confident that they, too, are looking forward to an enjoyable, albeit busy, summer.

As I look at our summer calendar, there are a lot of great activities happening at BLYC coming up. We'll kick it in gear this weekend with the I-LYA Traveler Series Regatta. If you haven't been at BLYC when we've held this before, you need to come check it out. We'll host nearly 100 junior sailors from all over the region. I, myself, am not a sailor and admit that I don't know a lot about the sport but, I can honestly say that volunteering for this event has been a very rewarding experience and I can't wait to be on the committee boat again this year. After that, the activities just keep coming all summer long. Make plans now for the return of the Poker Run, the Classic Boat Regatta, the Golf Outing, Commodores Steak Nite, the Auxiliary Fundraiser, all of the Independence Day activities, our inaugural Cardboard Boat Race event, and much, much more. After the last global pandemic, Buckeye Lake, along with the entire country, enjoyed a time of great fun in the Roaring '20s. Brace yourself!

I truly believe... **Here it Comes Again!**

**See you on the water!**

### **This Just In...**

At the time of writing my article, the Governor of Ohio announced that he is ending all of the COVID-19 health orders on June 2nd. **HALLELUJAH!!!!!!!**

The light at the end of the tunnel just got even more brighter. We have weathered this storm together as a Club family and we have come out of this stronger. Thank you so much for all of your support and patience during this pandemic.

There are some new faces and some familiar faces this summer at BLYC. Please welcome our new staff members. When you visit the Club, you will be asked your member number when your server greets you. Please do not be offended by this. I have asked Rodney to have the staff members to start doing this so that they are able to learn the members by name and by face. This will also help alleviate any issues with people trying to use the Club who are no longer members or people coming in off of the lake. We all pay to be a member here so we all have the right to enjoy it. This summer you will see the staff wearing new logo shirts. The servers and bartenders will be wearing a blue shirt and the bussers will be wearing a red shirt.

Thank you to everyone who reached out to me about participating on the Kitchen Committee. Once we have a plan in place, I will be making our recommendations to the Board of Governors and letting the members know as well.

Hopefully, this month things will be getting back to a more normal state at BLYC. Don't forget that it is still a good idea to make reservations. This helps Rodney with staffing and making sure that all of the Club members are being taken care of in a timely and efficient manner. Also, keep those comment cards coming. I read each and every one and I appreciate all of the comments. If for some reason, you do not have one with your bill please ask your server for one or please fill one out online. We can't make your experience better if don't know if there are any issues.

Get ready for a fun summer season at BLYC! The pool is open, the Club is looking great, the lake is up and it is time to have some fun in the sun.

**I look forward to seeing you at the Club this summer!**

## HOUSE & GROUNDS

- Vice Commodore Charlie Campbell

The front porch now has a new floor. The materials used should last 20 plus years. We also resided the front of the club. That also should last 20 plus years. If you attended the semi-annual meeting, you heard about all the capital improvements completed over the last 2 years. Capital improvements are on-going. Our main goal is always to prevent Watkins Island from cascading into Buckeye Lake. We have replaced the lake wall on the West and North sides of the island.

Our next preventative project is the East lake wall. Walk along the wood sidewalk and look down. You will see the lake beneath your feet. We have lost around 8 inches of property to erosion.

The pool opening went as planned. If you bring your own chair or use one of the club's a cleaning station is available. Our chairs are cleaned every day. The pool is cleaned every morning. Pool rules and opening/closing times are posted. Please follow them.

Our chimneys have been tuckpointed and recapped – They look great. The cost of lumber has dramatically increased. This impacts our allowable funds for repairs. We are replacing floor boards for our walkways on a as needed basis instead of a complete replacement.

The gates to our docks and club are heavier than our locking system can handle. They slam instead of softly close. This jams the latch into the keep. We are working with several contractors to fabricate aluminum gates that fit into our current framework. The front entrance gates are a work in progress. We have met with contractors and are proceeding forward to make our parking lot for members only.

As with any structure unexpected repairs occur frequently. We had some issues with our hot water system. Although remedied, when an old building has problems, one of the issues encountered is compliance with current building codes. We are “grandfathered” until a repair has to happen. Then we must bring our problem up-to-code. This usually increases the cost considerably. We now have a great hot water system that is code compliant.

The rear stair painting is complete. They look nice. If you decide to enter the club via them please hold on to the rail.

It is unfortunate that our neighbor, The Buckeye Lake Winery, had a loss of business fire. The club is currently doing what it can to assist the owner, also a club member, in any way we can.

Thanks again to all those who helped with the porch/front of club project, mulching and other house & grounds projects.

**Stay Safe!**

## DOCKS & RENTALS

- Governor Greg Tobias

Just a reminder all boat docks are currently rented. Guest/transient docks that are available, in addition to the four in front of the club, are 54, 55, & 56 on the island, 843 & 844 in area 800 and 437, 438, 460, & 475 at Eastport. For jet ski docks 5, 9, & 10 in the rear basin. These docks will also be identified with blue and yellow tape on the posts. With respect to the waiting lists for dock rental a request form will need to be submitted. There will be three lists; covered docks/Area 3, Area 800, & Eastport/remainder of docks on the island. Be sure to indicate your preference on the request. As always contact me, Toby Tobias, with questions concerning docks and storage.

## JUNIOR TRAINING

- Governor Mike Bruckelmeyer

**Thank YOU** to everyone who donated, volunteered and participated in our Junior Sailing Shrimp Boil and Fundraising event over Memorial Day weekend. Without all of you it would not have been a success. I will announce the final tally of the event in the July Log.

**Sailing Season Is HERE!!!!** As you may have heard, the Buckeye Lake Yacht Club will be hosting the first I-LYA Travelers Series Regatta of the 2021 season on June 5. We anticipate over 100 junior sailors along with their family and friends. Come out to the Regatta and cheer on the BLYC Race Team! Please contact me to volunteer as we will need... **All Hands On Deck!**

We have 7 sailors on our Team representing the Buckeye Lake Yacht in the I-LYA Regattas this year! Thank you for supporting our Team and be sure to thank them for their commitment. Here is the 2021 BLYC Race Team:

**Club 420 – Bryor Burke (Team Captain), Zeb Loring**  
**Laser – Kenzie King, Kyle Buchwalter and Cici Dodd**  
**Opti – Frannie Dodd and Millie Chrstos**

### **Sailing Camps!**

As I write this article I am happy to share that our camps, with the exception of the Advanced Sailing Camp, are full. As it stands now we have 66 sailors registered for our camps. I am beyond excited to think of our BLYC sailors learning to sail and gaining a lifelong love of the sport.

### **June**

1-4 – Sailing Camp – Beginners – Camp is full  
7-11 – Sailing Camp – Race Team  
14-18 – Sailing Camp – Beginners – Camp is full  
21-25 – Sailing Camp – Intermediate – Camp is full

## RACE & REGATTA

- Governor Bill Collinson

Well... Spring has sprung and as I am writing this, we are suffering from extensive rain and disappointingly low temperatures. That being said, I want to take this opportunity to remind you of upcoming race and regatta events.

On May 16<sup>th</sup> we had the Blessing of the Fleet followed by our first race of the Sail on Sunday Series. Thank you Father Mike for a wonderful ceremony. This year, the series will run from May 16<sup>th</sup> to September 19<sup>th</sup>.

We have started our Grow the Sport Sailing Program on Friday evenings at 6:00 pm. This program encourages those who would like to be exposed to sailing a chance to sail with one of our skippers. To arrange a sail, simply email me at [williamxcollinson@gmail.com](mailto:williamxcollinson@gmail.com).

On May 21<sup>st</sup>, we will held our Pray for Wind Party and Burning of the Socks celebration. Thank you P/C Steve Harris for the poem & dedication.

On May 22<sup>nd</sup>, Saturday, we hosted the BLYC Mean Green Regatta. Three Thistles from Hoover & Leatherlips joined us for a good day of racing. Scott Evans & Matty Davis skippered *Phoenix*, representing BLYC. It was great to see her on the water.

On May 31<sup>st</sup>, Memorial Day, we raced the Commodore Edward C. Metzger Memorial Day Long Distance Race. BLYC has held a Memorial Day Race every year since 1906 (some years, admittedly with no wind). What a great tradition!

On Saturday, June 5<sup>th</sup>, BLYC will be hosting the I-LYA Junior Travelers Series Regatta. We expect between 70 and 80 boats to participate in the event and a good many visitors at the Yacht Club. Please make plans to have lunch on the porch and experience the excitement of a fun sailing event.

Finally, as I indicated in last month's Log, we have the cardboard boat race scheduled for August 7<sup>th</sup>, 2021. This is an excellent opportunity for a family project to construct your boats out of cardboard and race them around the designated course. Looking forward to as many participants as possible. We are discussing this now because it will take some time to design, build, and test your craft. We are anticipating two classes — singlehanded and doublehanded.

In closing, I would like to take this opportunity to thank Robbco Marine, especially Jeffrey Robb, for effecting repairs to our race safety boat.

So get out to the club and enjoy the events. And as always,

**Keep your Bottom Wet and your Sails Dry**

# LOOKING AFT

- P/C Steve Harris  
BLYC Historian

## Ohio's Inland Seashore "The Atlantic City of the Middle-West"

Recently, while going through some old files I'd saved "for later," I came across an article from the *Medina Sentinel* dated August 1, 1913. To set the stage of the time — it was just a decade earlier that the Interurban added the spur from Hebron to Buckeye Lake. The Columbus, Buckeye Lake, & Newark Traction Company, at that time, purchased 100 acres on the north shore of the lake for the development of hotels, restaurants, and other attractions in order to attract passengers. BLYC, founded in 1906, was a driving force in the lake's development in those early years. By 1912, we had outgrown our "temporary" clubhouse - over the water on the southeast corner of Watkins Island - and construction of the "new" clubhouse began. Our current Clubhouse was dedicated in May of 1913 and Buckeye Lake was quickly becoming the hotspot resort in the midwest. Here are a few excerpts from that article.

*So, up bobs the annual question: Where shall I spend my vacation? To the majority of people a waterside vacation is most desirable. The invigorating breeze from a body of water will put new life into anyone and instill an appetite that craves four meals a day. It is not necessary to go to the seashore to get the benefits of a stay on the waterfront. There are many inland bodies of water that are accessible. For those living in the middle west, especially the central and southern parts of Ohio, Buckeye Lake, thirty miles from Columbus, the state capital, offers a pleasant solution of the vacation problem.*

*The vacation seeker who goes to Buckeye Lake will find his plans ready made for him. Boats, from a yacht or a high-powered motor craft down to a rowboat or canoe, are at his disposal. He can live at the Harris Hotel in Buckeye Lake park, he can rent a cottage along the waterfront or deep in the beautiful woods that border the lake or he can*

*stay at one of the summer hotels or boarding houses scattered along the eighteen miles of lakeshore. He can mingle with the merry crowds of cottagers and transient visitors from neighboring cities, which daily seek recreation among the many amusements offered at the park, or with rod and line he can haunt the quiet nooks and marshy inlets, where lurk the bass and their kindred of the lake.*

*"More and more people each year are learning the advantages of Buckeye Lake as a pleasure resort," said Will D. Harris, manager of the park, in a recent interview. "Not only are Ohioans flocking here in greater numbers than ever, but many from other states have discovered this inland seashore, and have dubbed it the 'Atlantic City of the Middle West.' I know a family from Virginia who come here every year because they find the society so congenial and free from the loose elements so often met with at summer places. Before they began coming here they had spent the vacation season at Old Point Comfort and other eastern resorts."*

### One Joyous Day

*Here is a typical summer day as it was spent by a family living in one of the cottages along the lakeshore. All are up early, and after a hearty breakfast father stocks his rowboat with fishing tackle and goes out for a forenoon's angling. Mother prefers to stay at home and just rest during the forenoon. Brother Bob hurries away to join a yachting party and the girls go for a ride in a motorboat.*

*The family are all back in time for a dip in the lake before luncheon. Even mother joins in the fun. They don their bathing suits in the cottage, and with a few flying strides Brother Bob and the girls are across the boat landing, splashing in the cool blue depths. Father and mother are not far behind them. Luncheon is waiting when they come out.*

*After luncheon father and mother decide to take one of the boats that ply the lake and run down to Summerland*

*Beach, where they spend the afternoon at the Chautauqua. The young people are full of plans for attending a house party which is being given by some young acquaintances on the other side of the lake. Brother Bob brings "Bessie," the little family launch, around to the landing, and they go chugging across the lake to their friends' bungalow.*

*In the evening, the house party charts a big launch for a ride over the waters, now glowing scarlet with the sunset, to one of the hotels, where they have dinner. Then back they go through the dusk to the park. Some of the boys get out their mandolins and guitars and the tinkling music floats over the water in the wake of the launch. A burst of electric lights as they round a point shows them they are nearing the park. the launch lands and the laughing young folks scramble out. The remainder of the evening flies quickly while they dance at the park pavilion to the music of an orchestra that plays and sings.*

*By 11 o'clock Brother Bob and the girls are in bed, talking in whispers so as not to disturb father and mother, through the door separating their rooms, about a regatta that is to be held on the morrow by the Yacht Club.*

*Visions of days spent like this floating through the brain of the worker as he toils through these heat-ridden weeks must cause a sigh of longing. Perhaps he pushes the thought of a vacation from his mind with the conclusion that it is too expensive. A vacation at Buckeye Lake is not costly. Round trip tickets from Columbus via the Ohio Electric railway cost only 75 cents. Hotel rates in all the summer places about the lake are exceptionally low and fully furnished cottages can be rented for moderate cost.*

So it seems, over a century later, as much as things change, they also stay very much the same. Buckeye Lake is quickly becoming a "hotspot" again as we enter a new time of development, growth, and increased activity. As in the early days, the Club remains a driving force in our lake community. We are truly blessed to have the opportunity to enjoy it.

## WHAT IS BUCKEYE LAKE 2036?

Buckeye Lake Region 2036 (BLR2036) is a grassroots Declaration created in January 2016 by over 270 volunteers to chart the economic growth of Buckeye Lake Region, in order to improve the well-being and prosperity of its residents and businesses.

Buckeye Lake Region Corporation (BLR Corporation) is a non-profit organization open to all political and civic entities of the tri-county Buckeye Lake Region, created to coordinate and implement the mission outlined in BLR2036.
