COMMODORE
BRUCE AMES

What a Great Week!

I just got back from the I-LYA Junior Bay Week Regatta at Put-in-Bay. BLYC was well represented this year. Our team of Zeb, Bryor, Kyle, and Kensie sailed well, improved throughout the event, and represented our Club well. Four days on sailing in nearly every condition that Lake Erie can throw at you and they stuck with it! I, personally, wouldn't have even gone out on Wednesday in 15+ knots of breeze and heavy waves — definitely not in a 14-foot boat! Great job guys! A big thank you to our coaches Susannah & Katy for all that you do! Way to represent!

While we may have had one of the smallest teams, we definitely had the largest turnout of Club members to support them. Several members had roles in the management of the regatta, others came to work on the launch & recovery team, and several more were there to provide their support in a variety of ways. If other clubs there

hadn't heard of BLYC before, they certainly know about us now. Thank you everyone for supporting the team. Sadly, our summer season seems to be coming to an end with the kids going back to school and fall activities getting started. But, there's still plenty to do at BLYC this season and a full lineup of activities into the fall. Don't miss out. As always, please remember to make reservations for dining and events and keep in mind that "premier events" are for members only. Please help us by following this as it helps to keep the operation efficient so that we can serve all of our members at the level of quality we all strive for.

With the coming of fall, this year's board term (and mine as Commodore) will be coming to an end with elections being held on Sunday, September 19th. As always, there will be several open spots on the board for election this year. If you love BLYC and can share some of your time and talent, we want you! The nominating committee is currently working to fill this year's ballot and would love to answer your questions and talk to you about the process. Contact P/C Dave Lawrence, VC Charlie Campbell, or Dave Paligo for more information. I'm sure that any Past Commodore or current Board member would be happy to answer your questions as well.

Let's finish out the 2021 season strong and have a great time at our beloved Club. We are truly lucky to have this little oasis in our world.

See you at the Club!

Commodore Bruce Ames

Dog Days of Summer at BLYC!

It is hard to believe that we are already in August. Summer is flying by. Soon, the kids will be back in school but the fun continues at *your* BLYC. We have plenty of time to enjoy the pool and outdoor dining at BLYC.

Speaking of going back to school, we have a lot of our staff members who are bussers and servers who will either be going back to high school or college. They have all worked very hard this summer and I am very grateful for them and the wonderful job Rodney and his team have done this summer. I wish them all well in the new school year and we hope to see them back during breaks and next summer. Please be sure to tell the staff how much you appreciate them. Without them, we do not have a well oiled machine.

If you recall, we had a special on gift certificates at the end of last year. Those will be expiring at the end of August. If you have not used your gift certificates, please make sure to make a reservation and use them while you are at the Club this month.

Effective August 1st, we are going to enforce a “**no show**” policy. We have had an ongoing issue of people making reservations and not showing up or bothering to call to cancel. We will charge a \$25 per person fee that will be charged to your account. Please be courteous and call the Club if you have to cancel. A 24-hour notice would be much appreciated if you have to cancel. We can certainly fill the table with other members who would like to dine with us. Not only does the Club lose income, but the staff loses out on tips as well. We have a couple of big events coming up this month and this will be enforced. We appreciate your cooperation and understanding.

I appreciate all of the comment cards via the website or the hard copies. Please keep filling them out! I look at each and everyone of them. As I have mentioned previously, we can't fix an issue if we are not made aware of it. It may be something very small or something big to someone but if we don't know that there is an issue, we can't make it better. We strive to make your dining experience to be the most enjoyable at your Club. We have the best view of the lake and a great place to dine/drink. Please be sure to make a reservation when you want to come to your Club. This really makes Rodney's job easier for staffing. It is so easy to make a reservation. You can do it the old-fashioned way and call the Club directly or you can make it via the website on your computer or smart phone device.

I hope that everyone is enjoying their summer on the lake and at BLYC. There are plenty more of good times to be had either at the pool on a hot August day or dining on our wonderful porch. I look forward to seeing you at the Club!

Cheers!

HOUSE & GROUNDS

- Vice Commodore Charlie Campbell

Thanks to the help of Chuck Fadley, Mike Smith, Rose McEntire, Greg McEntire, Bill Collinson, & Mark Severance, the old boards for the west pier walkway have been replaced. We used 102 2x8x14 boards. Each board was cut in half making the actual boards placed to make the walkway all new again 204. Thank you all again.

If you haven't noticed, thanks to Governor Barb Hein, we have two new, very large, flags flying on our flag pole. The American and State of Ohio. I feel all members will agree that they are beautiful to see.

We are in the final stages of making our club access mainly for our members. Quotes for gates, locks, blacktop, key entry etc. are in and being reviewed. When this project is completed, each member will use a, yet to be decided, device to enter the club. Be it a key-fob, pass card, punch pad or whatever, entry to the club and to our docks will be by our members and their guests — not the general public.

We are starting the next step of protecting our island from erosion, Phase II B. The east seawall, docks and overhead cover will be removed starting in October. This project started in 2017 with Phase I, replacement of the seawall by the pool. We began Phase II A, the rear seawall and jet ski/kayak/small sailing craft docks, in 2020 with completion in time for the 2021 boating season. By doing the seawall in phases we have been able to complete other much needed projects right along with each phase.

From time to time, our members need to be informed of what do the governors spend club money on. A small recap starting December of 2020 to July 2021, we have replaced the bar area floor from the floor joists to the tile you walk on, a stove, a prep table, chairs, dish washer, ice machine, porch floor, front of club siding, removed brick flower planter, rear seawall and many small fixes to name a few.

As Vice Commodore, I am in charge of elections for this year. I am taking advantage of this newsletter to encourage all that have a desire to work hard, not get paid, give up the second Thursday of each month, spend money on a uniform, like decision making, want to be involved in shaping the future of this club to consider running. See a governor, get a packet, follow the instructions, run for office, be a governor.

As House & Grounds governor it is my responsibility to, as best as possible, ensure the safety of all members while on club property. Please be alert to where your children are at all times. We are an island which raises the potential of falling into the lake. Secure your boat properly; help those entering and leaving your boat; use hand rails while traversing club steps; NO running around the pool; jump, walk, do a cannon ball while entering the pool but NO diving head first into the pool and NO glass in pool area. If any member or their guest should be injured on club property, please complete an accident form. Forms are kept in the office, just ask any board member or bar tender for a copy.

Be Safe! Enjoy the Club!

COMMUNICATIONS

- Governor Barbara Hein

May all of our Veterans, Americans, and members of BLYC continue to enjoy our R.W. McAllister flagpole with our brand new American Flag and the State of Ohio flag. Our 4th of July flag raising ceremony was spectacular. God Bless America.

We have generous members who donated to fix our flagpole. I have anonymous donors who I am truly touched by their generosity and patriotism and their willingness to give. I also have donors who I would like to mention, without them this would have not been possible. Steve Goodyear and the Commodores Association were two of the top contributors along with dozens of others. My heartfelt thank you goes out to all.

RACE & REGATTA

- Governor Bill Collinson

I would like to take this opportunity to congratulate Chuck Bendig and his boat, *Big Girl*, for winning the Commodore Earl O. Williams July 4th Long Distance Race. We had a record number of boats participating this year and with favorable winds and sunny skies, it was a memorable event for all who participated.

I had mentioned this next event on several occasions in the past and would like to take this opportunity to speak about it one more time. On Saturday, August 7th, Buckeye Lake Yacht Club will host the Inaugural Cardboard Boat Race Regatta. This event is open to all members of the club and their families as well as to First Responders representing the various townships and villages around the lake. In addition, we are also opening the competition to any teachers in school systems around the lake.

If you visit the yacht club, you will note signage by the Grill Tent advertising the event. Next to the signage there is a cardboard boat built by Dave Paligo and myself.

This boat was built from cardboard, glue and high speed duct tape. Please feel free to incorporate these ideas into the construction of your vessel. If you go on line to the BLYC web page, you will see all the information necessary to register your boat for the event. As I have indicated before, this is an excellent opportunity to embark on a project for you and your children or grandchildren to participate.

We will have first, second, and third place awards for the three boats that complete the course in the quickest amount of time. In addition, we will have "Best of Show" awards. In an effort to raise funds for the Junior Sailing Program, we will charge \$1 for every vote cast. In addition, the Junior Sailors will be accepting wagers for who will finish first, who will sink first, and any other wager we can come up with. The wager is based on a 50/50 proposition with half of the funds going to the Junior Sailing program with the other half going to the individual who made the wager.

So, start your design, gather your cardboard, glue and tape and build your boat. Again review the rules posted on the BLYC web page and we will see on Saturday, August 7th.

Until next time...

Keep your Sails Dry and your Bottoms Wet!

- Governor Rickie Sue Grunden

Please Welcome Aboard the following new members:

Teri Watson
Fred Pryor.

The waiting list has had 30 inquiries since the May meeting when new member applications were temporarily suspended. Of the 30 inquiries, 10 have completed on line applications with 2 sponsor letters. We have 4 who have one sponsor letter. If someone has asked you to do a sponsor letter, please do so ASAP so they can be added to the waiting list.

We have established a Membership Committee to review membership policies and to help meet and greet those who are potential members. The Membership Committee — Chair, Rickie Sue Grunden; Commodore Rose McEntire; Commodore Steve Harris; Stephanie Dolan; Stacey Buechel; Mike Perez; John Sowers. The committee met on July 8th and sent the following recommendation to the Board of Governors regarding BLYC Reciprocity:

- Current policy of BLYC is to follow guidelines established by I-LYA which BLYC members follow when visiting other Yacht Clubs.
- BLYC extends reciprocity to members of other Yacht Clubs when notified by the visiting member's Club. Usually the reciprocity is for a specific time period.
- Reciprocity does not apply to the use of the BLYC pool, the use of courtesy docks, and premium events without the permission of the BLYC Commodore or the Membership Governor.
- Reservations can only be made for dinner and drinks by presenting your I-LYA card.

The Board of Governors unanimously passed these recommendations at the July 8th bovernors meeting.

See you on the Lake!

JUNIOR TRAINING

- Governor Mike Bruckelmeyer

Congratulations to the BLYC Junior Sailors who represented us at I-LYA Junior Sailing Championship at Put-In Bay — Bryor Burke, Zeb Loring, Kenzie King, and Kyle Buchwalter. **THANK YOU for representing our Club! We are so proud of you!** Also, thanks to our Coaches Susannah Schroeder and Katy Schroeder! What an exciting time! It was also great to see our members supporting and cheering for the Junior Sailors Team Night Dinner. We had over 50 Club members celebrating and honoring our Race Team!

Thank you to everyone who came out and supported the Juniors at our Annual Pancake Breakfast on July 4th. It was fun to see everyone and watch the Juniors participate in the Pancake Stacking Relay Race. We had a record-breaking turnout!

Be sure to show your pride in our Club by purchasing a BLYC License Plate and BLYC Phone Protector from the BLYC Juniors! Both items are available at the Club for a combo price of \$25 (ask your BLYC Server)!

DOCKS & RENTALS

- Governor Greg Tobias

It's amazing how fast the 2021 season is going. So far, the water level of the lake is staying up with sufficient rains keeping the lake fresh. The dory poles that were purchased have now been installed. The seagulls haven't returned as of this writing but by the time you receive this issue of the *Log*, they will probably already be here. Hopefully the dory poles will have an impact on where they congregate and preferably not on our docks.

Just a reminder for those requesting dock space — please indicate the area or areas that you are interested in. The requests will be maintained in our club office and eventually made available for all to review. As always please contact please contact me, Toby Tobias, with any questions or concerns relating to docks and storage.

CRUISIN' AT THE YACHT CLUB

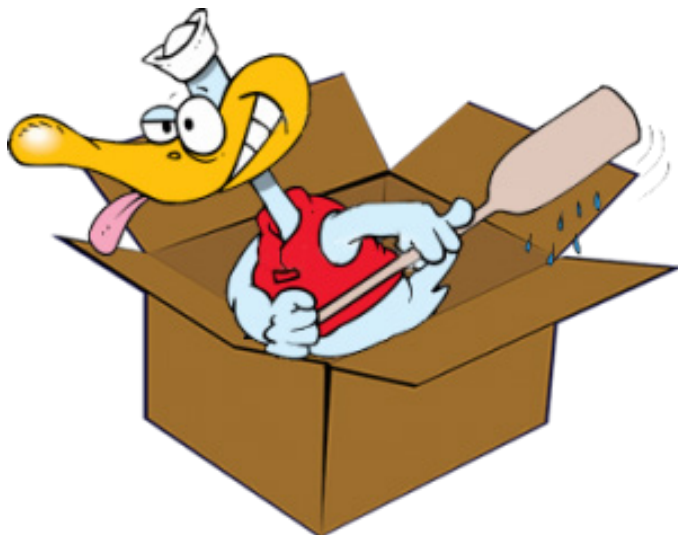

On July 11th the "Cruisin' at the Yacht Club" car show opened under threatening skies, but the dedicated entrants came rolling in anyway. By noon we had 53 registered cars, which is around half of our usual count. That was also just about the time that the weather made good on its threats and the skies opened up with an absolute deluge of rain and enough wind to bend, fold, and mutilate several pop-up tents. Some of the cars left for the safety of their garages while the show judges and I hastily made our choices and presented the awards.

Many of the door prizes that we were going to give out were gift cards, so Ann & I randomly drew winners from the registered entrants and mailed them on Monday. The rest went into the prize closet for next years' show.

The car show is a lot of fun and it is also a fund-raiser for the BLYC. In spite of the light attendance the Club still came out OK due to the generosity of the event sponsors. Thanks to Affordable Portables/Waste Away, Autosmarts Radio (Saturday mornings from 8-10 on 610), Buckeye Lake Brewery, Chef Shack, Jax Wax, JEGS and Pizza Cottage for their financial support of our event. Special thanks to the most organized and best-looking BLYC event committee: Ann Fornataro, Dwight Shrigley, Jeff Lyons, Jeff Odonnell, Tim Ryan and car show judges Nick Fornataro, Steve Matheny and Tony Brownlee. Thanks also to John Albrecht for contributing to the "goody bags".

I have been Chairing "Cruisin' at the Yacht Club" for a decade, during which time it has become a successful fixture on the local car show scene, known for its unique awards, scenic location, diverse field of entries and generally laid-back vibe. It is now time for someone else to have all the fun, and for me to enjoy the show as a participant. I plan to Chair the '22 show, but I would very much like someone to step forward now to be the future chair so that I can work with them (you?) on next years' show. If you would like to lead this event into the future, please call/text/email me at 740-964-4520 or mformataro@buckeyelake2030.org
