COMMODORE CHARLIE CAMPBELL

Good Day!

I want to thank our Board of Governors, Trustees, General Manager, Chef, Kitchen Staff, Servers, Bussers, Office Staff, Bartenders, Maintenance Staff and members for the continued hard work they do for the club.

The club staff and officers face many issues on a daily basis. Some are those that are designed to make the club as great as it can be. Some are those mundane, every day, nuisances that happen without notice. Some are those that take months to years to achieve resolution. Many factors enter into each issue; regulations, codes, cost, how they fit into a reasonable budget, and so on. Facing each of these is challenging but, never to a point of failure. Your Board of Governors is up to any quest that may present itself.

The East dock project is well underway. There is a fence and caution tape separating the construction from the

sidewalk to the club. Please stay on the club side. If further information is needed, contact House & Grounds Governor Bill Collinson.

The club is experiencing the same staffing shortages as is happening across the USA. The club *IS* hiring! If you know of anyone who needs employment, send them to the club.

With a shortage of kitchen, server, bussing and bartender staff there are, at times, longer than desired waiting times for bar and/or food service. I ask that you remain patient. If you make a reservation for a specific time please be prepared to be seated and order your food within a reasonable time. When a member makes a reservation for, let's say, six o'clock then waits to order with those who have seven o'clock reservations the kitchen becomes overwhelmed – Too many orders all at once. Our chef makes each order so when a table of members are being served their food, all get to eat at the same time.

Walk-ins, no reservation made or required. Walk-ins are a staple of our club. Every member, anytime, can walk into the club and be served. The bar area is always open for our members; no reservation needed at the bar. This is a great amenity, however, when coming to the club without a reservation we ask that you understand our members who have made a reservation will be served first. Again, please remain patient, you will be served as soon as possible.

Continued on p. 2

COMMODORE

Continued from p. 1

There are times when a member will make a reservation and find they can't keep it. Absolutely understandable. However, failing to cancel so another member could take that table is not. The club puts on extra staff, buys more food and beverage and rearranges seating to accommodate all who make reservations. December 1st, we will be implementing new policy regarding missed reservations. Please see Vice Commodore Hamilton's article for more information.

This club is the best venue for entertainment. If you have a request for a specific band, type of music, etc., please contact Rear Commodore Bruckelmeyer.

The Board of Governors put a moratorium on allowing new members several months ago. I am pleased to say that for the October Board meeting we opened membership. We had the first reading of membership applications for thirty new members. See the Membership Governor's report for more details.

Please read this newsletter from cover to cover. Each Governor has detailed what is going on in their respective governorship.

If any member has taken pictures of any club event or member; has comments; needs information concerning the club, please forward them to the club Communication Governor, Stephanie Dolan.

DOCKS & RENTALS

- Governor Vic Schroeder

I hate to say it, but it looks as the boating season is winding down. We will clean and repair docks and the storage area as needed. I encourage all members to bring to my attention any issues of maintenance, safety and security so that they can be addressed in the off season. Also, demand is high for slips! Accordingly, if you have not contacted us to get your request in, please go to buckeyelakeyc.com and fill out a request. Lastly, we still do have space in the gated storage area as well.

Vic Schroeder

JUNIOR TRAINING

- Governor Barb Hein

Our Annual Snowball Regatta was a success. Thank you to all of the volunteers.

In upcoming events, we have the I-LYA (Inter-Lake Yachting Association) winter meeting in Westlake, Ohio. It will be at The Doubletree Hotel beginning on December 3rd with a social evening. On Saturday the 4th, meetings will take place followed by a black tie ball that evening. Finishing out the weekend on Sunday. All are welcome.

Our Junior Training program is selling sandblasted bricks! We are a 501(c)(3) and we fundraise all the money for this program. What a great way to support our sailors and see your brick on every BLYC visit.

Euchre has begun — Sundays @ 1:00 pm. Come join us. Any questions please contact me blychein@gmail.com

See you on the Starboard side.

ENTERTAINMENT

- Rear Commodore Mike Bruckelmeyer

I am extremely excited to be responsible for entertainment at our fantastic Club. This job lets me schedule entertainers and keep the party going! I am looking to expand the types of entertainment we enjoy while bringing back our favorites. If you know of an entertainer (musical or otherwise) you would like to see at the Club, please let me know. I am starting to book gigs for next year so let's get ready to have fun!

There are still plenty of opportunities to enjoy OSU Football games during November, in fact, this is the part of the season where Champions are made. So come out and support your Buckeyes and get ready for some big games! **Supper Clubs** in November kick off **November 5** with **Shawna Corder**, **November 12** brings a Club favorite, **Gayla Smith and Mike Nelson** to entertain us. Be sure to have your requests ready for Gayla! **Pete Mernedakis** will be here on **November 19**. Mark your calendars for out **Dine & Dance** events; **November 6** - **Eric Solomon**, **November 20** - **Just Jazz Live** and **November 27** - **Project Delta**.

Be sure to join us the night before the "THE GAME" **Friday, November 26** for the **Beat Xichigan Party** featuring the **Cat & Howard Show**. I am sure there will be members of the **TBDBITL Pep Band** to help us get ready to BEAT "that team up north"!

Looking ahead we have a busy Holiday Season planned at the Club with a lot of parties and events to celebrate. Plan to attend the **BLYC Speaker Series** beginning January and into the month of March. Thanks to P/C Dave Luttenberger for arranging interesting and informative speakers. Come out on Thursdays to enjoy a delicious meal and learn about a wide array of topics.

Finally, be sure to make your reservations for all our events by using the online feature or by calling the Club directly.

PRÓST!

BAR & KITCHEN

- Vice Commodore Jeff Hamilton

Happy Thanksgiving!

Wow! It is hard to believe that we are approaching the holidays. Where has time gone this year? Seems like yesterday we were all out on our boats and enjoying the sunny hot days at the pool. Now we get to enjoy the tailgate parties and cheer on our beloved Buckeyes! I hope that you have been able to come to the Club and cheer on the Buckeyes and enjoy our tailgate menu and your favorite beverage or two.

With the holidays approaching, it is time to book your holiday parties at the Club. Dates are filling up fast. Please contact our General Manager Rodney to book your holiday party. Just as a reference, we do not allow parties to be booked on Friday evenings. Fridays are our busiest nights for members.

Update on our staffing... Chef Patrick has been able to hire the staff that he was wanting to add. Please welcome Sous Chef Dustin Rees, Aurek Field, Alex Carpenter, Michelle Ennis, and Michael Archambault. We are very fortunate to have this amazing kitchen staff. They are all very excited to prepare wonderful meals for our members.

We have also been able to hire bussers, servers, and bartenders. Please welcome Adam Carpenter as our head bartender. Adam is very knowledgeable with wines and bourbons. We have also hired Tracey Brown, Landin Bentley, Tamara Galik, Holly Hite, Kaylee Bryan, Courtney Costantino, Taylor Gail, Jason Gao, Layken Gombeda, Brittany Kaylor, Madison Marrs, Judith McQuaid, Evan Parsell, Bryson Pascarella, and Mya Piddington as servers, bartenders, and bussers. We continue to look for staff. We have been able to hire some students from the New Lexington High School. They have a work program that gains them high school credits towards graduating. We are very fortunate to have all of these new employees. When you are at the Club, be sure to introduce yourself and get to know these

fine students and hard workers.

If you have been to the Club lately, you have noticed a wonderful energy among the staff. They are all excited to be there to help our members. We are still working with them to get them trained so we ask for your patience and understanding. We do have times when your wait may take longer than usual, but please be kind to our staff. They are working very hard to make your dining experience a memorable and delightful one.

Have you tried Chef Patrick's new menu yet? WOW! If you haven't tried it yet, you have to make a reservation and check out the new menu. He will continue to have weekly specials as well. Be sure to check out the new breakfast menu too. The food at our Club has taken such a wonderful positive turn. Every time I see our Chef he has a smile on his face from ear to ear. He even goes out to the tables to see how your dinner was. We are very excited and fortunate to have Chef Patrick and his team in our kitchen.

Please remember to continue to make reservations when you plan to dine at the Club. This helps with staffing and with food ordering. Our goal is to make your dining experience a very memorable one.

Beginning December 1st, we will be enforcing the \$25 per person no show policy. If you make a reservation and do not show up, you will be charged for each person that was to be in your party. This will be billed to your member account. You will be allowed up to 4:00 pm the day of your reservation to call and cancel. If you have any questions regarding this, please ask Rodney, myself, or any of the Board members.

I want to wish all of our Club members a very Happy Thanksgiving! I hope that you get to spend it with family and friends. We all have so much to be thankful for, especially all of our wonderful Club members.

Cheers!

COMMUNICATIONS

- Governor Stephanie Dolan

Fall has arrived at the club and there are so many fun and exciting things happening. It was a wonderful summer season and now it is time to look forward to the leaves changing and the crisp fall air setting in.

The Buckeyes are on TV and the tailgate parties on Saturdays are overflowing with SO MUCH EXCITEMENT!! I would like to take a moment to say thank you to 2021 Communications Governor Barb Hein for all of her assistance and direction as I transition into my role as Communications Governor. We are currently working on the 2022 club calendar and there are many great things to look forward to.

Stay tuned for more event details. Please do not forget to send me your pictures of all of your fun moments enjoying the club as well. I look forward to seeing everyone and enjoying the beautiful fall atmosphere at BLYC!

RACE & REGATTA

- Governor Andrea Taylor

It's that time of year when the sails come down, the boats come out of the water and we reflect on the 2021 Racing/Sailing Season. I want to thank our 2021 Race and Regatta Governor Bill Collinson and our Fleet Captain David Paligo. Our program continues to grow, it has expanded to include fun events where all members can participate, and this is based on the foundation that they have laid! We cannot wait to have more boats join the fleet, more crew members, and more people join us at the porch after party on Sundays!

November is the time we begin to plan and work on the 2022 calendar for Race & Regatta events. We want more people, to have more fun, in more ways! Stay tuned for developing news and exciting updates.

Andrea Taylor
Race & Regatta

IT'S THAT TIME OF YEAR AGAIN!

The Good Neighbor Committee has kicked off their planning for this year's Christmas Party. In an effort to continue to keep everyone safe, we will be hosting the Christmas Drive-

In for a second year in a row, where families will meet Santa from the safety (and warmth) of their cars, while our volunteers load gifts, goodie bags, and food gift cards into their cars in the parking lot. For the past 20 years, BLYC has been the home to a Christmas Party hosted for over 120 less-fortunate children of the Buckeye Lake area, and with the difficulties that the families have faced, specifically over the past two years, we need your help now more than ever to make it a bigger success than in year's past.

WHAT IS BUCKEYE LAKE 2036?

Buckeye Lake Region 2036 (BLR2036) is a grassroots Declaration created in January 2016 by over 270 volunteers to chart the economic growth of Buckeye Lake Region, in order to improve the well-being and prosperity of its residents and businesses.

Buckeye Lake Region Corporation (BLR Corporation) is a non-profit organization open to all political and civic entities of the tri-county Buckeye Lake Region, created to coordinate and implement the mission outlined in BLR2036.

HOUSE & GROUNDS

- Governor Bill Collinson

Even though the summer season has come to an end, there is still a lot of activity going on at the Club. Those of you that have visited the Club recently have noticed that the covered docks on the east side of the island are being disassembled. Once the roof and existing docks are removed, the construction crew will start installing the new seawall on the east side which will be followed by the installation of the new docks. I will be providing updates in this forum regarding the progress. On Sunday, October 10th, the Club held our semi-annual

work day. We had a good turnout with 32 members in attendance. In addition to taking down and storing the band tent and pool umbrella, the

landscaping underwent a grooming in preparation of the winter season. The elevator shaft was painted along with the stair hand rails on the porch. The interior cleaning took place in both the Commodores' Lounge and fireplace room with the walls being wiped down and the windows and blinds being cleaned. The fan lights were also cleaned in the fireplace room as well as those on the porch.

In addition, the bar foot rail was polished. And, as usual, we removed quite a bit of debris located in the basement. I personally have a few bumps on my head and as a result can attest to that work being done. We had coffee and donuts waiting for our volunteers in the morning and after work was completed

enjoyed pizza and beverages to celebrate a day well spent. We will hold a similar work day in the spring — the date to be announced in a future article.

We are currently working with our engineer and ODNR regarding the

construction of the docks on the south side of the island and will have more information to report on that project in future articles.

I look forward to my tenure as House & Grounds Governor and working with the membership to make Buckeye Lake Yacht Club an outstanding venue for all members to enjoy.

Bill Collinson

LOOKING AFT

- P/C Steve Harris, BLYC Historian

115 Years ago.... December, 1906

"... a group from the Club, led by Lynch, barged in on the fall meeting of the Inter-Lake Yachting Association in Toledo..."

- Kyle Armstrong, "Story of Buckeye Lake Yacht Club"

I love this story! When I first read the above words in Armstrong's book, I thought, "Wow! That was a gutsy move." BLYC has been a member of I-LYA for many years now. Our members first attended the annual regatta at Put-in-Bay that following summer. (That's another cool story. You can find in the History Archives on the website.) But, in many ways, certainly over 100 years ago, a relatively small club of "stump skippers" don't seem to fit into the association. I-LYA was founded in 1885 by Detroit, Cleveland, and Toledo Yacht Clubs. (the design of the I-LYA burgee reflects this founding – the three corners represent Detroit, Toledo, & Cleveland. The red dot in the center represents Put-in-Bay. And, the three white lines connecting them, represent those yachtsmen coming to the islands to gather, socialize, and compete in the annual regatta.) At that time particularly, these Clubs were the "big boys" in Lake Erie sailing & boating. They had lavish facilities, large sailing "yachts," and counted among their membership the movers and shakers of business and industry in those bustling metropolitan centers. BLYC, on the other hand, was trying to carve out an existence as a yacht club on what was viewed by most as little more than a mudpuddle – an old, neglected, shallow canal reservoir that was certainly not conducive to the type of "yachting" for which these other clubs were known. We did not yet have a permanent location, let alone a Clubhouse. We certainly couldn't race big boats here. And, although our membership represented the captains of business and industry in Columbus, Newark, and Zanesville, it wasn't at all convenient. The only easily accessible transportation to the lake at that time was the Interurban Railroad.

But, nonetheless, BLYC was admitted

to I-LYA – in the most technical sense, against their standing rules at the time. Since it's inception, membership in I-LYA was restricted to clubs on the "wide open and connected waters" of Lake Erie. Buckeye Lake was certainly *not* on Lake Erie! But, BLYC had a powerful ally within I-LYA. Commodore George Worthington had, at that time, served as the leader of I-LYA twice (1896 & 1905 – He would again serve as Commodore in 1908 & 1913.) After much discussion among the delegates, he arose in support of our small, fledgling upstart. He pointed out that Buckeye Lake, formerly the Licking Summit Reservoir, was on the Ohio-Erie Canal which ran from Portsmouth, Ohio, through said reservoir, to Lake Erie at a point very near his home Cleveland Yacht Club on East 9th Street downtown. *Buckeye Lake water was Lake Erie water!* That settled the debate and BLYC was admitted – only the 8th Club admitted to the Association – and our own Commodore Lynch was invited to serve on the I-LYA Board of Directors. Through the ensuing 115 years, several BLYC members have held positions in the organization – including four who have served as Commodore.

Now, understanding somewhat how the canal system worked, I feel the need to point out that the Licking Summit Reservoir was so named as it was the *high* point on the Ohio-Erie canal system. It provided water for much of the rest of the system. Buckeye Lake water is not, therefore, Lake Erie water. Rather, Lake Erie water is Buckeye Lake water. When I tell this story to my Lake Erie friends and point that fact out, well... Let's just say they're not nearly as impressed by that tidbit as I am.

Most BLYC members' familiarity with I-LYA is through our participation in the annual Junior "Bay Week" Regatta. BLYC has participated every year since its inception in 1956 and BLYC members have chaired the event eight times! – second only to Mentor Harbor Yachting Club. BLYC makes a strong showing at JBW. The sheer number of volunteers that we bring is astounding! But, there is much more to I-LYA than Junior Bay

Official Burgee of the Inter-Lake Yachting Association Week. Several BLYC members have served on the I-LYA Board of Trustees, on the bridge, as appointed officers, and on committees. In addition to JBW, the association hosts an annual sail regatta – now running, uninterrupted, for 128 years – the longest tenure of any event in North America, a powerboating week, and a growing junior powerboat program. As members, we enjoy reciprocity with other member clubs. The association meets twice a year in the spring and fall. At these meetings, much of the business of the association occurs, including the delegates from member clubs electing the officers and representing their club's interests in the business of the association. These weekends are not, however, just endless meetings. It is a great opportunity to meet, socialize, and network with members of other yacht, sailing, and boat clubs in our region. Friday night is all about fun! There will be several hospitality rooms and plenty of opportunity to meet other, like-minded, boaters. It truly is a fun time and a relatively short drive from home.

All members of I-LYA Clubs are also members of I-LYA. *Events and activities are open to all members.* If you haven't been "invited" to come join in the fun of the I-LYA Fall Meeting, consider yourself now invited. **Let's make another strong showing from BLYC!**
