COMMODORE CHARLIE CAMPBELL

It was a great start into February until Mother Nature dumped snow topped by sleet on the club. Unfortunately, we had to close for a couple of days but the safety of our staff, members and delivery companies is first and foremost.

Thanks to the generosity of club member Peggy Dick, we now have a new entry door. Formerly, there were two doors.

Over the many years of greeting our members their seals loosened enough to provide more cool and warm air outside rather than inside. We "down sized" to a forty-two inch, ADA compliant, multi-glassed door. What an improvement! We thank her.

If you haven't visited the club lately you are missing some fantastic cuisine from Chef Rodney and his kitchen staff. He continuously changes up the menu so each visit is a delightful eating experience. Stop in and check it out.

Your Board of Governors is actively pursuing the offer from ODNR to

fix our front basin seawall. We have contracted IBI Engineering, the firm that has provided the necessary design information to construct our previous seawall projects. We started by the pool, Phase I, swooped around to the rear, Phase II, took the path of least resistance and moved to the east, Phase III. We now are planning Phase IV, the entire front of the club. This will be the last obstacle causing erosion of club property into Buckeye Lake. If all goes as planned, we will be extending our club property by twenty-five feet to the south.

I have mentioned, and will continue to share with you, that we are hosting the national championships for Jet 14 class association this summer. This event will be one-of-a-kind. Our hopes are that sailboat enthusiasts from our club and surrounding areas will take advantage of this event by coming to see them race.

Next year, when planning that special night for your special valentine, think of the BLYC. The Valentines dine and dance was perfect for that start of a great night.

Our members tried their best to cheer on the Bengals in the Super Bowl. Club offerings mimicked some of the greater Cincinnati food favorites. There were many who had their "Who Dey" jerseys and T's on. The bigger than life BLYC big screen was in full view with full sound. The Bengals lost but the spirit of the game was surely at the club.

Fat Tuesday, the "real" Mardi Gras day, was celebrated at the club on Saturday, February 26. I got to hear from many what they were going to give up during Lent. Hopefully, they did it in

Continued on p. 2

COMMODORE

Continued from p. 1

moderation. Giving up club beverages and food is a stretch. March is here and that means college basketball and of course, "March Madness." Our entertainment Governor Bruckelmeyer, food and beverage Governor Hamilton and Rodney, our GM, are preparing many specials for this exciting battle for the NCAA championship. So pick your team, try to do the most sought after accomplishment by picking all the winners, and visit the club to tell all why your's is the best team.

Advancing a little ahead, April is the Commodore's Ball. The committee is already preparing for this event. Plan to attend. I have always respected our American flag. It is our symbol of American uniqueness and how each and everyone is important. Thanks to Governor Barb Hein we had the largest American flag standing above the club waving proudly. I mentioned earlier in this article about the snow and sleet storm. This storm produced strong winds, rain that soaked the flag then froze. The pull of the flag from the wind moved the flag pole erratically enough to cause significant damage. The flag was ripped along the seams and the pole became a safety hazard if left standing. It has been removed. The dedication plate at the bottom is being kept and will be used when a new pole is erected.

The Winterfest committee is meeting to review how things went and how to improve the Winterfest experience for our members. If you have ideas talk to any Board member or contact Governor Bruckelmeyer.

I have stated about funding projects affecting the BLYC. I mentioned last month some of the ways we are looking at how this is accomplished. My report this month is brief in that we are moving forward and will soon be presenting the finance committee's report.

I sometimes forget to mention that when or if you have an idea that will benefit the club let me or a Board member know. Not all ideas will work but, none will move to fruition if we do not know what they are.

That's all for now,

Be safe and attend the club, it's worth it!

BAR & KITCHEN

- Vice Commodore Jeff Hamilton

Happy Spring!

We are just days away from Spring officially being here. It sure has been fun to see the ice fisherman on the lake, the snow mobiles, and people walking on the ice but it is time for Old Man Winter to pack his bags and get out of Buckeye Lake. It is time for the lake to be at full pool and start thinking about boating season.

With warmer days ahead, it is time start planning for our summer staff. We are seeking servers, bussers, bartenders, and kitchen staff. If you know of anyone looking for a summer job, please have them apply online at our website.

Also with warmer weather, there will be many events happening at BLYC. One of the events coming up at the end of April is the Commodore's Ball. This annual event is in the planning stages and we have set the date for April 30th. Save the date and plan on attending the Commodore's Ball. This event honors all of our previous Commodores as well as our current Commodore, Charlie Campbell. This will be an evening of wonderful food, great entertainment, and an opportunity to see your friends or make some new ones. Please stay tuned for more details.

As we get into our busy season, please consider booking your private party at BLYC. If you have any kind of event coming up, we would love the opportunity to help you celebrate. Please reach out to Rodney and he would be happy to help you plan your event.

With the warmer days ahead and busier times at the Club, please remember that reservations are required. We will accommodate you and your guests the best that we can. It is easy to make your reservation through the website or you can call the Club.

We are still continuing our search for a Chef. Rodney and his kitchen staff have really stepped up to the plate and has not skipped a beat. He has given us some wonderful weekly specials. Our Club is very fortunate to have Rodney as our General Manager and Chef. When you see him be sure to show him your appreciation. I will keep you posted on our search for a Chef.

I am looking forward to the days of spending time on the porch watching boats go by, listening to great entertainment, and having wonderful food with some adult beverages. All I can say is hurry up spring!!

See you at the Club — Cheers!

ENTERTAINMENT

- Rear Commodore Mike Bruckelmeyer

Spring is almost here!

We have some great parties this month that will help you shake off those Winter Blues!

We kick off the month with our first *Dine & Dance* of the Year on **March 5th**. *Usual Suspects And Repeat Offenders* will help us dance the night away. We will have special guests that evening too. The Flag Officers, Board, and many members of the Put-in-Bay Yacht Club will be joining us that weekend. Be sure to get your reservations in early.

The Supper Clubs for the month will be on **March 11th** with *Acoustic Steel* and we welcome back *Gayla Smith and Mike Nelson* on **March 25th**.

We continue the *2022 Speaker Series* this month with BLYC's Head Bartender *Adam Carpenter* on **March 3rd** who will teach us all about *Scotch* whiskey, Aryana and Al McCoy speaking on *Alluring Lures - Antique Fishing Flies* on **March 24th** and *David Newell* sharing his talent in *Magic* on the **31st**. Be sure to come to the Club on Thursday to enjoy these discussions.

On **April 1st** we will have an **APRIL FOOLS DAY Party!** I am not sure if we have ever had a party like this but I think we have a lot of talent to pull this off. Along with the entertainment for the evening you will have the opportunity to tell a funny story or joke to entertain us.

Mark your calendar and dust off your best evening attire for the *Annual Commodores Ball* on **April 30th**. More details in next month's *Log*. Until then...

JUNIOR TRAINING

- Governor Barb Hein

Spring is coming and I am asking you to plan on attending our Junior Sailing fundraiser on Sunday May 29, 2022. As you may or may not know our Junior Training program is a 501(C)(3) which is a separate entity from the rest of BLYC. We are fully funded by your donations. We are looking forward to a fun filled evening including raffle & auction items. Buy a ticket to win an engraved brick. More details to come so please put it on your calendar.

RACE & REGATTA

- Governor Andrea Taylor

The days are getting longer, the sun is beginning to shine a little more, my excitement is growing, what is this feeling..... it must be Spring Fever!! This is the perfect time to begin prepping for the upcoming boating season.

Have you signed up for the BLYC Notice Board to help you prepare? These are great updates such as, US Sailing's 2022 release of Safety Equipment Requirements and the US Coast Guard changes for fire extinguishers effective 4/20/2022.

This is also a great time to brush up on Safety, Safe Boating is not an accident! These seminars are open to all members and we hope to see you there.

DOCKS & RENTALS

- Governor Vic Schroeder

Spring will be here in a blink of the eye. Accordingly, if you want a dock or storage space in the yard, please go to our website and sign up. If you want to move or drop a dock please use the same form on the website. Currently there is a waiting list for the docks, but this is a fluid situation as people move and such, so get on the list!

Vic Schroeder
Docks & Rentals

BLYC AUXILIARY

We are pleased to announce this year's Gatsby Roaring 20's fundraiser scheduled for Saturday August 6th, 2022! Proceeds from this year's fundraiser will benefit a dining room makeover and continued beautification of our club. There will be various opportunities to partake in this event, more specific details to come. If you are interested in volunteering for the event committee or being a Corporate Sponsor at the Platinum Level (\$1,000), Gold Level (\$500) or Silver Level (\$300), please contact Trinda Ward at 740-821-2933 or send an email to blycauxiliary@gmail.com. We are looking forward to an evening of entertainment, activities and fun in support of our club.

We will not have a meeting in January, February or March. The next meeting is scheduled for Thursday, April 14th — Social time/Dinner 5:00 pm, Meeting 6:00 pm, and fun activity following the meeting. RSVP either online www.buckeyelakeyc.com or by calling the club 740-929-9941. Make sure to note you are coming to Auxiliary, we look forward to seeing everyone!

Murder Mystery Party and Dinner — April 23rd, 2022, additional details coming!

Reminder: Please go online at www.buckeyelakeyc.com, select Auxiliary tab, to support your Auxiliary with a \$25.00 donation for membership dues or fill out the form, payment can be made by cash, check or member charge. Annual dues run from September 1, 2021 to August 31, 2022. Feel free to send an email to blycauxiliary@gmail.com for any questions, ideas or concerns.

Together, we make a difference at BLYC

Trinda, Jan, Sue, & Karen

MEMBERSHIP

- Governor Rickie Sue Grunden

As the Luck of the Irish would have it, we will have new members joining us to celebrate closing the gates, St. Patrick's Day, and the welcoming of spring! Give them a hearty welcome! We are still working from a waiting list as we continue to receive membership applications.

Waiting List:

67 Inquiries including 2 reinstatements. 2 requested to stay on list until March. Twenty have completed all requirements and are ready for membership when the Governors open it again in 2022.

Sponsor Letters:

In May 2021, the Board of Governors reinstated the by-Laws requirement of 2 sponsor letters accompanying all applications for membership when they instituted the BLYC membership waiting list. The applicant is not on the BLYC membership waiting list until the second letter is received. All online applications and sponsor letters are time stamped by the email date they are sent. Please help your friends by emailing their sponsor letters in a timely manner.

2022 Waiting List Fees:

The Board of Governors passed the following proposal regarding initiation fees and active Membership Fees for the 2022 applicants: All applicants on the BLYC membership waiting list who have completed an online application and have 2 sponsor letters on file by October 31, 2021 are accepted on the 2021 initiation fee and membership fee structure. All applicants on the membership waiting list completing requirements from November 1, 2021, will be subject to 2022 initiation fees and membership fees.

The proposal for changes to the Non-Resident By-Laws is published in this Log for review.

2022 BLYC Membership Committee:

Steve Harris, Rose McEntire, Stacey Beuchel, Stephanie Dolan, Matt Glanzman, Michael Perez, John Sowers.

HOUSE & GROUNDS

- Governor Bill Collinson

The winter weather has caused a slow down in our progress on several projects, but the good news is we are still within our completion time frames.

To that point, we have installed the final two balusters completing our security gate set up for the parking lot. All three gates are now in place. Remaining tasks for completion include running power to the gates, doing the proper markings for our traffic flow, and getting the pass cards out to the members.

We have completed the installation of the new front door replacing the double doors with one larger single door providing space for the new display cabinet that will occupy the foyer. The new door is equipped with a bar control to improve easy exit from the building. I think you all will agree that it improves the aesthetics of our entrance.

Progress on the east side seawall is progressing on schedule. While you may not notice because of the snow and ice, several large concrete platforms have

been put in place below the ground level. These concrete platforms will work as dead men and are attached to the sea wall by steel tie rods. This will prevent the seawall from being pushed out due to ground pressure. The next step is to run the power and water to the wall in preparation for the dock installation.

Since my last report, we have received our new cooler which some of you may have seen in our lobby during Winterfest. It has now found its final resting place at the bar. The old cooler gave up the ghost several months ago and this replacement will allow our bartenders to better serve our members. You may also recall we ordered a new

grill for the kitchen at the same time and are currently waiting for its delivery.

I am sad to report we had some damage on the island from the ice and snow storm that hit us in early February. Due to the weight of ice and force of the wind, the tall flag pole on the west side of the island was compromised and was in danger of collapsing. Because of the safety issue involved, it was necessary for the board to take immediate action and the flag pole was removed in mid February. The plaque at the base was saved and will be reinstalled at a new location to be determined.

Finally, the three large silver oaks in front of our house on Walnut are on the calendar for removal. These trees are extremely large and they are long past their prime. We expect their removal to take place in the next several weeks. As winter comes to an end, we expect house and grounds activity to increase, and I look forward to sharing with you those developments in upcoming articles.

COMMUNICATIONS

- Governor Stephanie Dolan

The sights and sounds of winter remain around the club but spring is SO very near!! It won't be long until boats are in the water and we are watching evening sunsets while dining on the patio. I'm ready and I'm sure you all are too!

We have been very busy from a communications standpoint. We have officially finalized our contract with JONAS and we are in the process of training staff for the use of the JONAS system. We are also looking into various new media options and equipment to broadcast our Speakers Series to the community and also broadcast the many wonderful events around the club during all seasons.

The Jet 14 Nationals is a FANTASTIC event that will be coming to the club this summer. It is our honor and privilege to host this event and we are SO EXCITED about it! Be sure to look for our club ad in the Buckeye Lake Region Chamber of Commerce 2022 Tour Book. This ad will highlight BLYC and this wonderful event!!

As always, please send me your pictures of you and yours enjoying the club for social media and the Log. I'm also always happy to answer or help with any questions that you have as well.

Stay warm friends... boating weather is right around the corner!

See you at the Club!

Stephanie Dolan

LOOKING AFT

- P/C Steve Harris, BLYC Historian

Jet-14 Nationals

This month's article is not so much about history, but the future — a future event occurring right here on our lake this summer — a NATIONAL championship!

As many are already aware, BLYC has been selected to host the National Championships for the Jet-14 Sailing Class Association this summer. BLYC has hosted two National Championships in the past of which I am aware — Interlake Nationals in 1994 and again in 2011. This will be the first time the Jet-14s will hold their event here.

While we've seen a number of one-design sailing classes at Buckeye Lake through the years, most are not likely familiar with the Jet-14. While I had heard of the class previously, my first experience with them was just ten years ago at their 2012 National Championships in Lorain. A late addition to my calendar that summer, it was a great way to finish off a busy season before heading back to work for the coming school year. The Jets are a fairly small class with currently only seven active fleets, all in the eastern U.S., they're a fun, casual group and the boats are pretty cool, too. That said, they still take their racing seriously and the 2022 Nationals are sure to be competitive.

The Jet-14 design was developed in the early 1950's on Barnagat Bay in New Jersey. Sailing was becoming increasingly popular during that time, but many of the designs available had significant drawbacks - cost, speed, performance, etc. The Barnagat Bay sailors were looking for something competitive with good performance characteristics, yet easy to sail and, perhaps most importantly, something affordable and easy to maintain and transport. Thus, the Jet-14 was born. The Jet-14 is a high-performance, two-person dinghy especially designed for optimal sailing in a variety of wind

conditions. Jets are just as well suited for the flat, calm waters of Hoover Reservoir as they are for the choppy waters of Lake Erie off Cleveland. The boat's simple rigging, planing capability, and marginal cost make it both an exciting and affordable boat to sail.

The first national championship was held in 1955 has been run continuously since, with the exception of 2020. This year's event will feature 4 days of racing on Buckeye Lake — Wednesday through Sunday, the last week of July. Wednesday is measurement & registration day, along with the Women's & Juniors Nationals. At present, the time for the first race is scheduled for 1:00 pm. That evening, we will welcome our guests who will be coming from as far away as upstate New York, North Carolina, and the east coast with a cocktail party "meet & greet" at BLYC. The National Championships will start in earnest on Thursday morning with the first race scheduled to start around 10:30 am. Over the three days of the nationals, we hope to run as many as twelve races, conditions permitting. Those who know Buckeye Lake know that every day here can bring new wind and weather and we hope to provide a variety of sailing conditions to our guests over the course of the event. Thursday evening, the class will hold their Annual Meeting at BLYC followed by the Annual Class dinner. Awards are planned for Saturday after racing — likely early

afternoon.

So... you're probably thinking, "This sounds exciting. How can I get involved?" It's going to take a sizable crew to pull this event together and show our guests both great sailing and a great event. **We need volunteers!** We're bringing in some top race management personnel to assist, but most of the on-water race management crew will be made up of BLYC members. This is your opportunity to get involved, learn some more about sailboat racing, and have some fun while you're at it. Likewise, it's going to take an army of volunteers on shore to ensure that our guests have a great time and BLYC is known as a great place to host top-tier regattas. We need people to help with registration, meal distribution, launch & recovery of boats, local advertising & sponsorship, and much, much, more. We are fortunate to have Gov. Rickie Sue Grunden volunteering her organizational and planning skills as the overall chair for the event. I will be coordinating the race management aspects of the regatta and serve as the Principal Race Officer. If you're interested in getting involved, please reach out to one of them. You can also go online to the BLYC website, under the "Sailing & Boating" tab where you will find a volunteer interest survey to fill out. We will be in touch.

Get involved! Let's show our visiting sailors and the entire lake community that BLYC is the place to be!

PROPOSED CHANGES TO THE CLUB BY-LAWS

The Board of Governors is currently considering changes to Article I. Section 6(a). Of the By-Laws regarding NON-RESIDENT MEMBERS.

As required by Article X of the Constitution, the changes are being published in the December issue of the Log. The Board of Governors would appreciate all feedback and suggestions from the membership.

CURRENT BY-LAWS

By-Law Article 1. Section 6 (a). NON-RESIDENT MEMBERS are only persons residing outside a radius of seventy-five miles from the Club premises and not temporarily residing within the aforesaid radius for more than eight weeks during the fiscal year, each of whom must be at least twenty-one years of age; and each is entitled to the same privileges as those of an Active Member excepting Electoral Privileges.

PROPOSED BY-LAWS CHANGE

January 1, 2022-Non-Resident Members

Change the following section:

Article I. Section 6 (a). NON-RESIDENT MEMBERS are only persons residing outside a radius of seventy-five mile from the Club premises and not temporarily residing within the aforesaid radius during the fiscal year, each of whom must be at least twenty-one years of age; and each is entitled to the same privileges as those of an Active Member excepting Electoral Privileges.
