COMMODORE  
**CHARLIE CAMPBELL**

The Speaker Series is now over for another successful year. Each speaker provided an informative evening of entertainment. If you did not get to one this year plan on attending next year. You will be glad you took the time. A big thank you to Commodore Dave Luttenberger for putting this together. House and Grounds had a busy April. On Sunday April 24<sup>th</sup> we held our annual Spring Work Day. As is usual, the many hands made the work easier. Along with cleaning, the wall behind the pool bar was replaced. For those who participated Governor Collinson sends you a large thank you.

The Commodores Ball — wow what an evening!!! To say the least, as Commodore, I was surely impressed. To honor all Commodores in such a way is truly the BLYC way. Thanks to Vice Commodore Jeff Hamilton and his committee for planning and making this a memorable event.

The entrance gates are now in temporary mode. We are experimenting with practice scenarios, writing how to use the card passes, and providing an information card for each member. By June, they will be in full operation. You will be receiving two pass cards and an information card. The information card will fit into your glove box. The pass cards will open the parking lot gate and bridge gate. Each card does both. Additional or lost cards will be available at an additional cost.

The east seawall project is either complete or will be by Memorial Day.

Memorial Day weekend has the pool opening starting Friday May 28<sup>th</sup>.

Our Entertainment Governor, Rear Commodore Mike Bruckelmeyer, is promising plenty of great entertainment for this, so get out your swimming suit, beach towel, flip-flops, and plan to make an appearance at the Club.

At the semi-annual membership meeting we discussed many items. One of which, BLYC Phase III, is the front of club basin tear down and rebuild. After the members had the opportunity to add your thoughts,

our engineering firm, IBI, is now completing the design and obtaining the necessary permits. IBI is tasked with providing the design, estimated cost, and assistance during tear out and build. Financing this project will be challenging, however, the end result will be an improvement well worth the cost.

Whether one way of financing is used or many ways in combination, the following are considerations to financing this project: borrow Funds from a local institution, issue Club bonds, increase fees, IRS Charitable designation, members donating without the possibility of an IRS charitable deduction, member(s) wanting to personally, or by a group of members, finance a certain project and a financial assessment. PLEASE NOTE: All finance options are just being considered.

We've got a busy summer planned this year — I-LYA Junior Regatta, Junior Sailing Camps, Weekly Sailboat Races, Cardboard Boat Races, July 4th Weekend & Fireworks on the 1st, Junior Bay week at Put-in-Bay, Jet-14 National Championship Regatta, and much more. Follow the latest news at [www.buckeyelakeyc.com](http://www.buckeyelakeyc.com)

A no-show for dining or an event reservation policy was instituted several months ago. Although designed to cover several aspects of why it is needed, it needed a slight adjustment. Starting April 14, 2022 the policy is:

*When a member makes a reservation for dining or an event at BLYC, that member is responsible for the reservation. As long as one club member, of the persons included within that reservation, shows up for that reservation, whether for dining or an event, there will be no charge for those who do not.*

*Example 1: Club member reserves table for eight, either for dining or an event. Only one club member shows-up or reservation maker cancels by 5:00 pm the day of dining or event, there will be no charge for those who did not attend.*

*Example 2: Club member reserves a table for eight, either dining or an event. No one shows up or failure of reservation maker to cancel. Club member making the reservation is responsible for all eight. A fee of \$25 per person will be added to the club member's member charge.*

Thank you for being members of the greatest yacht club

## BAR & KITCHEN

- Vice Commodore Jeff Hamilton

### Happy Spring!

By now, we should be done with the cold weather and heading into warm and sunny days. We do live in Ohio so we could be seeing more cold wet days. As the saying goes, wait five minutes and the weather will change! Let's hope that sunny and warm is here to stay!

I would like to thank everyone who attended the Commodores Ball. It was a lovely evening with wonderful food, great entertainment, and memories were made with new and old friends. I would like to thank everyone who helped put this event on for our Commodore and for all of the Past Commodores.

Thank you to all of the members and staff who came for the clean up day. The Club is ready for summer and the ole gal is looking like a shiny diamond. Please join your friends on May 7<sup>th</sup> for the greatest two minutes of sports with the 148<sup>th</sup> running of the Kentucky Derby. Ladies — wear your lovely big hats and gentlemen get your seersucker suits ready for a fun time. Our chef will have a menu with all of the favorites from Kentucky and I am sure that mint

julips will be served up as well.

As food costs continue to rise, you will start seeing increases in prices on our menu items. We will also need to rise the cost of our beer, wine, and alcohol. We strive to be competitive with other places on the lake and we have historically had lower prices on our alcoholic beverages. With inflation rising, we will need to continuously look at our pricing so that we can continue to stay somewhat profitable. We don't like having to do this, but it is the cost of running a business. We appreciate your patience and understanding.

Hopefully by the time of publication, we will be on our way with our new POS system. This is a definite upgrade for our club. We ask for your patience and understanding during this transition phase. As we roll it out, we will let members know about the exciting features of JONAS.

With our busy season fast approaching, we continue to search for staff for the kitchen and front of the house. We have some new faces already so please introduce yourself and get to know them. I am not trying to sound like a broken record, but if you know of anyone looking for a great and fun job, have them apply on our website

or stop in to fill out an application. I really appreciate everything that our staff does for our members. Without the dedication and hard work that our staff has put into making this club a success, we would be lost without them.

The busy summer season will be here before we know it and we will be able to dine outside. When you plan to visit the Club for dinner, I can't stress enough to please make a reservation. It helps to have the correct number of staff available to be able to serve you better. It is easy to do either by calling the Club directly, using the mobile app, or making a reservation on your computer. Soon we will be switching to our summer uniforms. We will again try to designate between the servers/bartenders and the bussers.

I am looking forward to the hot summer weather, being on the lake, fun at the pool, and spending time with our fellow BLYC members. Patio season is here and it is my goal to make sure that you have a wonderful time while you are at BLYC. Don't forget to give us your feedback so we can see how we can improve your Club.

- Governor Stephanie Dolan

Spring is here and summer is right around the corner. Boats are back in the water — *FINALLY!!* Thank you to all of those who helped and participated in club work day last month. The club looks beautiful and your efforts are greatly appreciated. We have recently invested in a GoPro 10 camera and accessories. We continue to be busy implementing the JONAS system and look forward to all the great benefits that it will provide for the club.

A housekeeping note — please do not post flyers around the Club without permission. There is a "for sale" bulletin board for boating related items in the bar area by the popcorn.

Be sure to join us for Yoga that will be starting again on Saturday May 28<sup>th</sup>, 2022. The class will begin at 8:30 am with our wonderful, certified Yoga instructor, Amy Hosenfeld. # HOUSE & GROUNDS

- Governor Bill Collinson

As I write this article, May is just around the corner and a new boating season is about to begin. Construction continues on the east side docks and should be completed in May.

By the time you read this, the Spring Work Day at the club will have already occurred, and we will be in the process of getting the pool cleaned, filled, and ready for opening on the Memorial Day Weekend.

We are still proceeding with our activity on the security gates. All members will receive their pass cards for entering the parking lot and the club by mid-May. You will receive these cards through the mail and two cards will be issued to every member. In addition, all members will receive a "what if" card that should answer most, if not all, of your questions regarding the use of the

pass cards.

A list of the possible questions regarding the use of pass cards are as follows:

## **Forgot your pass card —**

*Use call button on the box and provide your name and member number and the gate will be opened.*

## **Lost your pass card —**

*Use the call button, provide your name and member number and the gate will be opened.*

*NOTE: A \$100 charge will be placed on your account to replace the lost pass card.*

## **Have guests coming —**

*If you have guests arriving, contact the office and you will be given a 4-digit code for them to punch in the key pad on arrival.*

## **Pass card does not work —**

*Use the call button, give your name and member number and the gate will open and the card will be replaced.*

## **Private event —**

*Upon making reservations for a private event, a four-digit code will be provided to you that you can pass on to the attendees and they in turn will punch the code in on their arrival.*

## **Public event —**

*On days we have events open to the public, the gates will remain open.*

Remember once the gates are activated,

you will only be able to enter the parking lot on the east drive way and exit on the west driveway which we plan to have marked accordingly. Also keep in mind that when entering or exiting the parking lot, the gate will only allow one car to go through at a time.

By the time you read this article, the ten-bay garage will have undergone demolition. This is necessary due to the fact that the rafters holding up the roof are rotted and create a hazard.

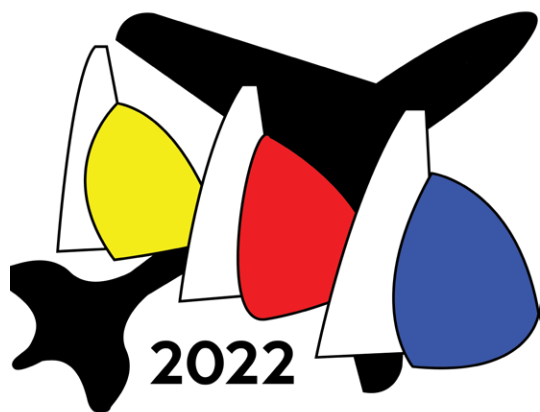

Chain link fencing will be constructed at the site of the 10-bay garage enclosing the parking lot. In addition, due to insurance requirements, chain link fencing will be constructed in the boat yard extending the length of the property along the dam. This is intended to keep pedestrian traffic off the stone wall and the deteriorating steps. We will be using the steps at the west side of the boat storage yard for access to the docks at Eastport.

Last but not least, construction on repairing the outdoor pool bar wall will start on Monday, April 25<sup>th</sup>, and should be finished by early May. This project will be completed in house using club volunteers.

## JET 14 Nationals

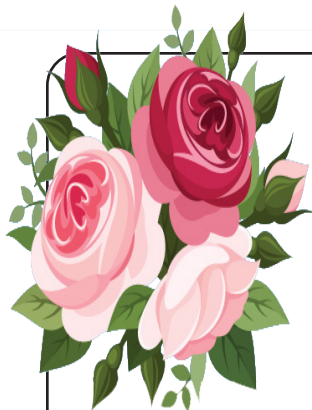

July 27<sup>th</sup> through 30<sup>th</sup>  
Buckeye Lake Yacht Club

The Buckeye Lake Yacht Club will host the Jet 14 National Championships July 27<sup>th</sup> through 30<sup>th</sup> at Buckeye Lake. This is the largest National Regatta to come to Central Ohio since the 2011 Interlake National Championship. The Buckeye Lake Region Chamber of Commerce is promoting the Jet 14 Nationals as a premier Summer Event at Buckeye Lake.

Last month we posted that we are in need of sponsors for the Regatta because, as the host Club, we are responsible for housing and per diem for all race officials, a cocktail party, a banquet, a picnic, and beer after sailing during the Championship week. All sailors will receive a shirt and a glass memento from BLYC. Our members have stepped to the plate and made sure this will happen! **Please thank your fellow members:** Brian Kemp and Sue Lusk-Gleich, P/C Steve Schilling, Karen Cookston, Andrea Taylor, Marnita Swickard, Dave Kessler, Lisa Stewart, Rob McDougal, Brian Bonkowski, Dee Dee Petrey, Suzanne Brennan, Vic Schroeder, Mary Muryn, Kathy Severance, The Buckeye Lake Chamber of Commerce, the Buckeye Lake Area Civic Association, the BLYC Governors, the BLYC Auxillary, & Sailing Inc. There sponsorship will make this a Regatta memorable for the participants and a great summer event at Buckeye Lake!

Please contact Rickie Sue Grunden at [rsgrunden@gmail.com](mailto:rsgrunden@gmail.com) to reserve your place on the shirt and on the racing program or to sponsor part of the event.

## BLYC AUXILIARY

The BLYC Auxiliary is excited to announce the annual fundraiser for 2022, a Roaring 20's party featuring the Gatsby Gang Band. This year's event will be held on Saturday August 6<sup>th</sup>.

Last year we raised about \$12,000, thanks to the generosity of our members. This year, we are hoping to increase the funds raised to benefit the replacement of dining room window coverings, a new fireplace, and contributing toward the outside painting of our club.

Please consider being a sponsor of this year's fundraiser or donating an auction item. We are specifically looking for sought over items, stand alone, or that can be added to a basket. If you would like to be a sponsor of the event, we have three levels to choose from:

- *Platinum: \$1,000* — Your business will receive two social media spotlights, featured in the June, July & August log, weekly blast in July, listed on the sponsor banner for the event and listed on the program. You will also get a reserved table of 8 under the tent.
- *Gold: \$500* — Your business will receive a social media spotlight, be featured in the June, July & August log, weekly blast in July, listed on the sponsor banner for the event and added to the program.
- *Silver: \$300* — Your business will be featured in the weekly blast in July, listed on the banner for the event and added to the program.

You can also support the fundraiser by purchasing auction tickets the day of the event, or by making a flat donation if you cannot make it.

We are also looking for volunteers to join one of the many committees for this fundraiser!

If you plan to sponsor the event, donate an auction item, attend the event, or volunteer on a committee, please contact Trinda Ward at 740-821-2933 (preferably by text) You do not want to miss this Roaring's 20's event!!

Please join our next Auxiliary meeting scheduled for May 12<sup>th</sup> — social at 5:00, meeting at 6:00 & surprise activity at 7:00.

# LOOKING AFT

- P/C Steve Harris, BLYC Historian

## BLYC Juniors Make History...

Forty-five years ago... the summer of 1977... Star Wars debuts and becomes the then-highest grossing movie of all time; the first Apple II computers go on sale; New York City suffers an electricity blackout lasting over 25 hours; Elvis Presley dies; the "Son of Sam" is captured; the first oil through the trans-Alaskan pipeline reaches Valdez; and BLYC makes Junior Sailing history!

As has been the case every summer since the 1950's, BLYC sends a team of Junior Sailors to Put-in-Bay for I-LYA's annual Junior "Bay Week" Regatta. However, back in 1977, only the Triplehanded boats sailed at the Bay, the others sailed in Port Clinton. Back then, the I-LYA regattas served as the Quarterfinals for the United States Yacht Racing Union (now US Sailing) Junior Championships. Winners from I-LYA would go on to compete against winner from other regional associations in "Area E." The winners from the Area E Semifinals then qualify for the National Championships.

In 1977, BLYC's Junior Sailors didn't just win — they won almost everything! At the Smythe (singlehanded) and Bemis (doublehanded) semifinals in Port Clinton in July, BLYC's Lon Moyer dominated the Laser fleet with finishes of 7-1-1-1-1-1 to easily secure his spot in the semifinals. In the doublehanded class, Steve Beeson and crew Mike Hein also easily won the quarterfinals and went on to sail in the semifinals at Cowan lake in August. The Sears (triplehanded) quarterfinals were, of course, sailed at PIB in Thistles. After a rough start in the qualifying series, BLYC's Sears team of Willy Petersilge, Dan Roshon, & Dan Dressel rallied to finish the series with three straight first place finishes to secure their spot in the Quarterfinal Championship Series. From there, they sailed strong the rest of the regatta, easily

winning the quarterfinals and continuing a strong BLYC winning tradition at that time — our fourth championship in six years! They went on to handily win the semifinals at Buffalo Canoe Club in New York against very strong competition from throughout the Great Lakes. While the conditions were challenging and varied, Willy, Dan, & Dan easily won the semis and earned the honor of representing BLYC in the National Finals in Dallas, Texas in late August. After BLYC's team's dominance at the I-LYA Championships in all classes, strong finishes (including a win) at semifinals, numerous other sailing trophies earned throughout the season.. could it really get any better? Could BLYC make the trip to Texas and be the first midwest Club in decades to win — the first ever inland-lake Club to win?.....

The headline in the October 1977 issue of the Log reads...

### **BLYC SAILORS BRING TOP SEARS TROPHY HOME**

Yes, they did. In conditions very different from those normally seen here at home on Buckeye Lake — winds of "10-20 mph and at times to 30-50 mph" — BLYC's team sailed extremely well. According to the October 1977 article...

*"The competition was really tough but the combination of teamwork, attention to detail, sailing know-how, and sheer determination to win put Will Petersilge, Dan Roshon, and Dan Dressel in first place after the fourth race, a position they held for the rest of the series."*

Beating teams from New Jersey, California, Texas, Maine, Washington, North Carolina, and Long Island, BLYC's team had won the Nationals — the first, and only, BLYC Junior Team to do so.

There is a photo hanging in the Commodores' Lounge of the BLYC Clubhouse which many of us walk by often, but probably pay it no attention. It shows all six of these young men with their trophies and medals from 1977 beside a certificate from 1977 I-LYA Commodore Edwin Disch commemorating their sweep of the I-LYA Junior Championships.

**Monday, May 30  
1030**

This Memorial Day, please join us for BLYC's Annual Fleet Blessing. Father Gribble will assemble with members on the front docks and bless all those plying the waters of Buckeye Lake for the 2022 season.

To participate with your boat, assemble in the waters south of Watkins Island between 10:00 and 10:15 am.

Following the Blessing Ceremony, we will hold the Annual Commodore Edward C. Metzgar Long Distance Race, kicking off the 2022 racing season.
