#### It's Summer!

Memorial Day weekend saw the opening of our pool and the beginning of another great summer at the BLYC.

While planning that well deserved summer vacation, don't forget to look at the BLYC calendar of events. Sailboat racing, Car Show, Boat Show, Junior Sailing events, fantastic entertainment, Auxiliary Fundraiser and dancing, Cardboard Boat Race, Jet-14 National Championships right here on Buckeye Lake hosted by your BLYC and much more...

At the writing of this article, the entrance and exit gate project is in trial mode. We are trying everything we can think of that would cause a member, guest, staff, emergency services, delivery company, etc. to not be able to enter when the gate is closed. When you receive your pass cards you will also receive instructions/

information on all aspects of entry to the club.

The east side seawall and dock project is now complete. This was the third phase of a four-phase seawall/dock restoration journey. When you now enter the Club, you will pass the best docks on the lake. This particular phase provides premier docks, wide space slips, electric for lifts, direct island access and WHAT A VIEW OF THE LAKE!!

Our next and final phase of island preservation is the front basin. I have stated in previous articles that ODNR has leased us an additional twenty-five feet of club frontage. This is a huge increase of usable space. Our engineering firm, IBI Engineering, will have final plans soon. In the meantime, when visiting the club, take a few moments and look at the bar TV kiosk. It shows renderings of what the front will be formed into.

When you make a reservation for dining or an event you are guaranteed a table for the number of persons you made the reservation for. This reservation sets in motion how many servers, bussers, kitchen staff, bartenders, etc. we will use for that time. It tells our chef, Rodney, how much food to purchase and prepare. It tells our bar staff what special drinks might be appropriate. We consider each event or dining experience to be special. The Club expectation is that each member and guest have the best experience possible each time they enter the BLYC. When you make a reservation and do not show up it costs the Club, staff, and a member who could not get a table. This is the club policy on no cancel, no show:

*Continued on p. 2*

## COMMODORE

Continued from p. 1

- If you can't make a reservation, call the club prior to 5:00 pm the day of the reservation. Member only has to call if no one in the group can make the reservation.
- If only one (1) person of the reservation group can make the reservation, that is enough to satisfy the reservation.

Failure for either of these to occur, no one calls or shows up, will cause the member who made the reservation to pay \$25.00 per the number of persons the reservation was made for. It will be added to the member's charge. This fee breaks down to: \$5 for server, \$3 for bar tender, \$2 for busser and \$15 for BLYC (kitchen staff and food purchase/preparation.)

The BLYC Boards of Governors and Trustees are exploring the finance options for the final phase of the seawall project, the front basin. We have narrowed financing down to six options: bank financing; assessment, increase fees; member donations without possibility of tax deduction; donation with possibility of tax deduction, and bonds sold only to members.

Soon, you will see our dining staff with laptops when they come to your table. This is part of our new ordering, accounting, and information system known as JONAS.

The BLYC has actively pursued forming a club charitable organization. Great news was just received from the IRS. Thanks to the finance committee and BLYC member, Attorney Mark Watson, we now have a stand-alone, IRS determined public charity under Section 501(c)3. It is known as the Watkins Island Foundation, Inc. (WIF). The finance committee is working on the rules that will govern donations to the WIF.

## Let the Summer Fun Begin!

The weather has taken a total 180 degrees for the better, the days are so much warmer and longer. The pool is open, the lake is full, and the fun is just starting at BLYC for the summer. It is so exciting to see boats on the water. I think everyone is ready for a great summer.

Our staff is ready to help make it a wonderful summer at BLYC. I am excited to have our new staff members. We have lots of new faces that have started over the last few weeks and some familiar ones as well. Please welcome our new staff members and introduce yourself. Again, this year we will have different colored shirts to signify the bar/wait staff and the bussers. Rodney and Danielle have worked hard to get them trained and geared up for a wonderful summer.

With the warmer days here to stay, so is outside dining. We will do our best to accommodate your request. Just remember that making a reservation is the best way to guarantee a spot on the porch. If you try and make a reservation the same day it may not be possible but we always try to accommodate our

members. With all of the special events that we have coming up this summer, please try to limit the number of guests that you bring so that all of our members are able to enjoy these events. There may be events where it will be members only and no guests will be allowed to join. We will advertise in advance which event may be members only.

Do you have a special event coming up this summer? The BLYC is the place to have your wedding reception, a birthday party, work function, retirement party, class reunion, graduation party, etc. Please visit our website or you can speak with Rodney about having your event at the Club.

During COVID, we were allowing people to reserve the high-top tables in the bar area. We have decided to no longer accept reservations for these tables. They are a first come first serve basis. We apologize for the inconvenience but it has gotten to the point that it is causing issues.

Our target go live date with the Jonas system is June 1<sup>st</sup>. The committee has worked very hard to make it happen. We are all excited to have this system that is going to make it super easy for our staff. The servers will also have tablets that they will be using to take your orders. It

will go directly to the bar or the kitchen depending on what you are ordering. It will speed up service. We ask for your patience and understanding during this transition phase.

In a matter of months, we will be in September and we will be getting ready for our annual meeting and elections. We are now starting the election process. At the semi-annual meeting, the nominations committee was selected. Since I will be the Commodore next year, I will be joined with Past Commodores Rose McEntire and Rick Henderson on the committee. We will be reaching out to members and seeing if they would be interested in running for the Board of Governors. We will have 5 spots available. If you are interested in running, please reach out to either myself, Rose, or Rick. We will gladly answer any questions that you may have about the election process. Its going to be a great summer at BLYC and I am ready to enjoy the great entertainment, the fantastic food, and the company of our wonderful members. I look forward to seeing you at the Club! Have a great summer!

**Cheers**

## DOCKS & RENTALS

- Governor Vic Schroeder

Summer is at full speed ahead. Below are few quick reminders. Please contact me with any questions.

If you want a slip, we still have a couple available at our Eastport location and spaces available for trailers in the boatyard. Please get on the list by going to [buckeyelakeyc.com](http://buckeyelakeyc.com) and fill out the online form that is under the "Our Club" tab.

If you want a name plate on your dock, contact [dandy@palprinting.com](mailto:dandy@palprinting.com) or call 740.928.8933. Also, if you see an open slip don't just use it, someone has rented it. Lastly, and most importantly if you have not sent in your rental agreement with proof of insurance on your boat, we need it ASAP. We need this to protect the Club and fellow members.

Thank you so much and remember; you don't drown by falling in the water, you drown by staying there.

## HOUSE & GROUNDS

- Governor Bill Collinson

There has been a lot of activity going on at the club since my last article.

The ten-bay garage on the east side of the parking lot has been removed. Gravel will be placed in the area that was once the slab the garage was built upon.

Work on the outdoor bar wall is underway. We have successfully removed all the rot and decay and are currently waiting for our board and batten material so that we may finish the project.

The docks on the east side of the island are almost completed. The electrical is currently being installed so that there will be power for the shore stations.

Progress also is being made on the landscaping in front of the new docks on the east side. Sod has been installed giving the area a finished look.

The swimming pool has been cleaned and filled and will be ready for its opening on Memorial Day weekend.

At our May 1<sup>st</sup> semiannual meeting we presented an artist's rendition of the patio/dock project on the south side of the island. For those of you who did not make the meeting I have attached some of the photos reflecting the design of the project. The photos can also be found on our Web Page as well as the Info TV in the bar. I would encourage all members to provide their thoughts as to the design.

We have received the pass cards that will be used to access the club parking lot and the bridge to the island, and by the time you are reading this article, those should be in your possession.

Hope to see you all out at the club this summer and invite you to come out on Sundays to enjoy the sail boat races.

## FINANCE COMMITTEE

We have completed eight months of our fiscal year and while the cost of goods and labor have continued to increase, the good news is the Club is still within the budget targets we set early in the year. Our House and Grounds team is pushing forward to complete the capital improvement projects planned and started in prior years. In addition, the Club has been presented with an opportunity to expand the island while replacing the front and west sea walls. The engineering work is underway and the governmental approval process will follow.

If approved, the expansion of the island and removal and replacement of the sea walls and walkways will require a substantial amount of capital. While we have been closely managing the capital improvement dollars and accumulated a reserve of approximately \$300,000, we will need to raise more funds quickly in the months following project approval. The Finance Committee is investigating and weighing different options and expect to recommend to the board the use multiple means to raise the funds.

The options being considered include; commercial borrowing, special member assessment, capital improvement campaign or fund drive, increasing member dues, issuing unsecured bonds to members and pursuing foundation donations. Recently the Watkins Island Foundation was established as a resource for community charitable endeavors and to preserve and improve the historic island and structures of Watkins Island. As we move forward and get better cost estimates for the improvements ahead, we will be able to provide more clarity on the financing aspects of these necessary and exciting improvements for the Club.

## MEMBERSHIP

- Governor Rickie Sue Grunden

**Membership Numbers:** At the Semi-Annual Meeting the membership reported 592 total members with 561 voting members. This is down from May 2021 of 601 total members with 558 voting members.

### Membership Waiting List:

*Inquiries – 87; Waiting List – 36*

At the May Board of Governors Meeting, we reviewed Club usage numbers from May 2021 through April 2022. There were four months where we had 1000+ members and guests use the Club. On an average Friday or Saturday night, we have fewer than 20% of our membership in attendance. The Board of Governors voted to open membership to the 30 new applicants and the 3 reinstatements on the waiting list. We will be posting their applications, sponsor letters, and pictures as they send in their fees. The first reading for this group will be at the next Board of Governors meeting in June.

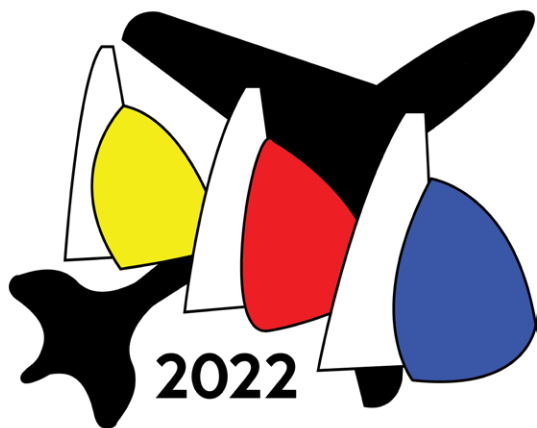

Thank you to all our members who have written sponsor letters for our potential new members.

We are hoping the planned Pool Parties, the updated tiki bar make a *Big Splash* with all of us this Summer! To help us understand the usage of the pool and to try and dissuade non-members from using the pool, we are asking all members and guests to sign in. This is not a new policy, but one we have forgotten to follow.

### See You on the Lake!

## JET 14 Nationals

**July 27<sup>th</sup> through 30<sup>th</sup>**  
**Buckeye Lake Yacht Club**

The Buckeye Lake Yacht Club will host the Jet 14 National Championships July 27<sup>th</sup> through 30<sup>th</sup> at Buckeye Lake. This is the largest National Regatta to come to Central Ohio since the 2011 Interlake National Championship. The Buckeye Lake Region Chamber of Commerce is promoting the Jet 14 Nationals as a premier Summer Event at Buckeye Lake.

Last month we posted that we are in need of sponsors for the Regatta because, as the host Club, we are responsible for housing and per diem for all race officials, a cocktail party, a banquet, a picnic, and beer after sailing during the Championship week. All sailors will receive a shirt and a glass memento from BLYC. Our members have stepped to the plate and made sure this will happen! **Please thank your fellow members:** *Brian Kemp and Sue Lusk-Gleich, P/C Steve Schilling, Karen Cookston, Andrea Taylor, Marnita Swickard, Dave Kessler, Lisa Stewart, Rob McDougal, Brian Bonkowski, Dee Dee Petrey, Suzanne Brennan, Vic Schroeder, Mary Muryn, Kathy Severance, The Buckeye Lake Chamber of Commerce, the Buckeye Lake Area Civic Association, the BLYC Governors, the BLYC Auxillary, & Sailing Inc.* There sponsorship will make this a Regatta memorable for the participants and a great summer event at Buckeye Lake!

Please contact Rickie Sue Grunden at [rsgrunden@gmail.com](mailto:rsgrunden@gmail.com) to reserve your place on the shirt and on the racing program or to sponsor part of the event.

## BLYC AUXILIARY

Our annual fundraiser for 2022 is right around the corner, a Roaring 20's party featuring the Gatsby Gang. This year's event will be held on Saturday August 6th. Tickets will be \$10 per person for entry. This year we will feature food stations, drink stations & a cigar bar. You do not want to miss this event!

Last year we raised about \$12,000, thanks to the generosity of our members. This year, we are hoping to increase the funds raised to benefit a dining room makeover, a new fireplace, contributing toward the outside painting of the club and new lawn furniture/planters for the 2023 season!

Please consider being a sponsor of this year's fundraiser or donating an auction item. We are specifically looking for sought over items, stand alone, or that can be added to a basket. Any items donated valued at \$1,500 or more will be part of the live auction. If you would like to be a sponsor of the event, we have three levels to choose from:

- **Platinum: \$1,000** – Your business will receive two social media spotlights, be featured in the July/August log, weekly blast in July/August and listed on the sponsor banner/program for the event. You will also get a reserved table of 8 under the tent.
- **Gold: \$500** – Your business will receive a social media spotlight, be featured in the July/August log, weekly blast in July/August and listed on the sponsor banner/program for the event.
- **Silver: \$300** – Your business will be featured in the weekly blast in July/August and listed on the banner/program for the event.

You can also support the fundraiser by purchasing auction tickets the day of the event, participating in the live auction or by making a flat donation if you cannot make it.

We are also looking for volunteers to join one of the many committees. This fundraiser is for our club, so feel free to jump in if you feel so led to do so.

If you plan to sponsor the event, donate an auction item, attend the event, or volunteer on a committee, please contact Trinda Ward at 740-821-2933 or email [BLYCAuxiliary@gmail.com](mailto:BLYCAuxiliary@gmail.com). You do not want to miss this Roaring's 20's event!!

## JUNIOR TRAINING

- Governor Barb Hein

What a fabulous evening and tremendous support from our members for our Annual Junior Training Seafood Boil Fundrasier. I would like to thank Rodney & all of his staff for their hard work and dedication to this evening. If you chose key lime pie from it was made by Custom Cakes, Karen Dennis. If you chose chocolate pie it was made by our very own, Chef Rodney. Thank you both for your deliciousness. The Magic Needle in Millersport fulfilled my embroidery needs for this event, thank you, CJ.

Our next big event is Saturday June 4<sup>th</sup>. BLYC is hosting the I-LYA travelers series kick-off regatta. This is a one day event and please come on out to volunteer or come be a spectator.

July 4<sup>th</sup> is our annual pancake breakfast, which is always enjoyable. Your continued support is appreciated by our race teams who will travel on July 17-21 to Put-In-Bay Yacht Club for the I-LYA Junior Bay Week Championships. # LOOKING AFT

- P/C Steve Harris, BLYC Historian

I was appointed BLYC Historian 10 years ago, in 2012, by Commodore Bob Zeiher, who recently passed away. Bob's family will be having a small Celebration of Life for him at the Club later this summer.

I am quite fortunate to follow a number of previous Club Historians who have left us a great legacy of stories and photos of the rich 100-year-plus history of our Club. Prior to myself, Commodore Frank Foster, III (1983) had served as our historian for an astonishing 27 years. Among the articles Frank penned over the years for the *Log*, is this one which I've shared before. As we enter another season at the lake and our sailboat racing program continues to grow, it seems appropriate to share again.

## Porch Sitting & Race Watching ... A Long Tradition

Commodore Frank H. Foster, III  
March, 1987

*Public notice of a meeting to form a club was given in late April, 1906. Through the summer and fall of 1906, the Buckeye Lake Yacht Club was formed. That winter, around January of 1907, a corporation was formed to sell 1,000 shares of stock at \$5.00 each for the purpose of acquiring land and constructing a clubhouse. About that same time the incorporators of the building corporation took over a lease on "sunken island" and a half lot on the lake's main shore facing the island. It was a spot of sometimes land with several half grown trees, mostly willows, surrounded by always shallow water and, especially in the spring, frequently flooded completely. They envisioned that it could be raised and enlarged and the waters around it deepened. It offered privacy because it was an island and was located only about 300 yards from the interurban railway. Drawings of a beautiful building were prepared,*

*and I have a copy of it and published it in an earlier Log. When the bids were opened, the building was too expensive and the club officers decided to confine their efforts to the bare necessities within their limited needs. Bids were requested for a simpler building and a contract was awarded for \$1,811.00. Construction began in early summer of 1907 and was completed in November.*

*In the summer of 1908, a porch was built across the building's outer end extending somewhat past the easterly and westerly walls.*

*In 1912-1913 the new, present clubhouse was constructed and the old one was modified, later damaged, and ultimately replaced by our current boat houses on the east side of the island.*

*This, it appears that this picture must have been taken between 1908 and 1912. The picture looks north-easterly or east-northeast down toward our present Eastport facility. Much as we do today, it appears that a group had gathered on the front porch and was watching the racing sailors. Others were pursuing their activities. From the appearance of the flags, the wind seems to have been at the same slow speed we often find now days. As you can see "Sunken Island," now Watkins Island, was raised and a seawall poured around it. The island, in*

*fact, was considerably more circular and smaller than now. Since the porch was so close to the water they must have been able to hear pleasant sounds of the water slapping against boats, docks, and seawall. Our new deck, adjacent the swimming pool on the west side of the island, may afford us an opportunity for the same pleasant sounds.*

*From the appearance of the shadows it must have been around mid-day, probably a Sunday. Our lawn is certainly in much better shape now that it was then.*

*While the building is a neat, old building, I certainly am glad they later acquired a stronger financial position and built the current clubhouse. They sure had the right idea for a good way to spend a Sunday afternoon.*

*Hope to see you on the porch this summer!*

### Editor's Note (Musings of an old P/C):

As Commodore Foster's article clearly demonstrates... *as some things change, many also stay the same.* As we look at the drawings and proposals for the new seawalls and expansion of the island, it is, in my opinion, although large, a necessary and long overdue undertaking. I can imagine us sitting on that new, expansive patio by the water, enjoying the afternoon sailing races and other activities, just as members have done now for 115 years!
