COMMODORE
CHARLIE
CAMPBELL

Great entertainment, delicious food, cold beer, special drinks, swimming pool, porch with the best view of Buckeye Lake, energetic staff... this is *THE* Buckeye Lake Yacht Club.

So far this year we have enjoyed outstanding artists playing a variety of music. Our entertainment Governor has made it his mission to provide fun for all whether its country western, pop, rap, classics, oldies but goodies, 80's, 90's, line dance or swing. Rear Commodore Mike Bruckelmeyer is "tuned" into the genre of harmony.

Reservations: You either go online or call the BLYC to make a reservation. Making a reservation is the preferred way to ensure a table will be ready when you arrive. If you didn't make a reservation, you are always welcome to just come in. However, if just "dropping in" is what you do, it is club policy that those who made a reservation will be

seated first, served first. Dropping in could cause you to wait longer for a table and service. Several options when you feel you just want to go to the club are; Sit at the bar — The bar is always open and not reservable, first come first seated, you can enjoy the same menu as at a table; Come to the club a little later — this allows for those with reservations to have eaten and for some tables to become available. In any case, be patient. Our staff is happy to serve you. They work diligently to prepare food, serve drinks and make your visit enjoyable.

The club staff and management look forward to you visiting the club. We understand that there are times when, after making a reservation, something arises that makes your visit impossible. Please, cancel, do not just not show up.

Cancellation policy:

1. Call to cancel prior to 5:00 pm the day of the reservation.
2. If it is an early reservation, 11:00 am for example, you must call to cancel two (2) hours prior to your reservation time.
3. You may cancel online following the same guidelines as stated in 1 or 2.
4. If only one person of your reservation group shows up, your reservation is considered fulfilled.

This policy allows for fellow members to use the table you could not. The member charge for no-shows, you did not cancel, is \$25 per reservation person.

A few updates:...

- Entry gate system — We are currently running failure trials. If all goes as planned, the gates will become operational soon. Prior to implementation you will receive: two (2) pass cards, information on operation of your card and a “what to do” paper, suitable for laminating, explaining how to enter if a card failure occurs.
- The clubhouse is now sporting a new double coat of paint — It looks awesome!!
- East side dock improvement is complete.
- Staffing is full thanks to GM Rodney and Danielle
- Pool bar is open from 11:00 to 7:00 everyday
- Cardboard boat races are July 9th. Plan to watch this event. It will make you laugh, ooooh, and ahhhh.
- Our new operations system, JONAS, is going live August 1st.
- Junior sailing camp is in session. Our sailboat racing juniors are preparing for the I-LYA Junior Championships at Put-In-Bay, July 18th to 21st.

I have written in the monthly newsletter, several times, concerning the front basin and rear stairway replacement. The front basin is the priority. We have an opportunity to increase the club's footprint while fixing the wharf seawall, providing a new band stand and increasing our patio. The rear stairway, due to erosion, rust of the steel supports, and spalling of the stair concrete filler, this set of stairs is becoming a safety hazard for all who use them. Our plan is to replace the stairs and add an elevator that will go to the second floor. Initially, borrowing the money to fund these projects will happen. The Board of Governors, Board of Trustees, and Finance Committee have identified the options for repaying the loan and continue sufficient income for further improvements. Options for funding include: 1) Increase fees, 2) Assessment, 3) Capital Improvement Fund drive. Combining the options is what is being considered. Once the financing is decided, all members will be invited to attend an information meeting prior to implementation.

Stay Safe,

Commodore Charlie Campbell

We have **BIG** plans for the Independence Day Holiday weekend. We start with the **BLASST Fireworks** scheduled for **July 1st** launched directly across from our Club! Besides having the **BEST** view of the fireworks, we have one of the **BEST** bands to entertain us. Starting at **7:00 pm**, the music of **Brass Tracks** will have you dancing and celebrating our country's independence. Brass Tracks performs favorites from Chicago, Earth Wind and Fire, Blood Sweat & Tears among others.

The weekend fun continues with on **July 2nd** with a pool party featuring **Eric Solomon** from **1:00 - 4:00 pm**. At our **Dine & Dance** event on **July 3rd** another new band recommended by a member, **Karrie & Rich** perform from **7:00 - 11:00 pm**. **July 4th**, we begin the **Independence Day** with our **Annual Pancake Breakfast** followed by our **Flag Raising Ceremony** at **11:00 am**. Be sure to come out for this very special event. We continue the fun and wrap up the long weekend with a **Pool Party** with **Jared Foster** entertaining us poolside from **1:00 - 4:00 pm**.

The following two weekends we have our **Dine & Dance** parties. **Saturday, July 9th** we welcome a Club favorite, the **Hip Replacements** from **7:00 - 11:00 pm**. The following **Friday, July 15th** we have a new band with some familiar faces, **Ten Cent Lovin'** performing from **7:00 - 11:00 pm**.

Have your swimsuit ready for the next weekend where we have pool parties scheduled. **July 23rd**, we have an **ADULT Pool Party** with **Gayla Smith** and **Mike Nelson** from **7:00 - 10:00 pm**. The next day, **July 24th**, **Lee Gilkerson** will be at the pool from **1:00 - 4:00 pm**.

We wrap up a busy month with **Caroline And Dad** at our **July 29th Supper Club** from **7:00 - 11:00**. **July 30th**, we have a **Dine & Dance** party with another Club favorite, **Usual Suspects And Repeat Offenders** playing from **7:00 - 11:00 pm**.

Looking forward into August, we have the **Annual Auxiliary Fundraiser** on **August 6th** with the **Gatsby Gang** helping us celebrate the Roaring 20s! Watch out for other entertainers like, the **Silver Band**, **Barefoot McCoy**, **Paul Clark**, and **AJ Angelo** on our stage in August. We wrap up the month with our **Annual Luau** party where the **Paradise Island Band** will have us dancing and singing the night away. Speaking of the Luau, we may have some special guests come and see us. It is going to be a night you will talk about for a long time!

Until next time,

Na zdrowie!

BAR & KITCHEN

Happy Birthday America!

Summer is in full swing at BLYC! Besides celebrating our independence as a nation, we are grateful for all of the men and women who answered the call to duty and have defended our freedom as a nation so that we can enjoy the little slice of heaven that we call Watkins Island. There is so much to celebrate and enjoy this summer at BLYC!

The best way to celebrate is by having a big party for the BLAAST fireworks. The fireworks will be on July 1st. We will have the best seat in the house since the fireworks will this year be shot off across the lake. The Club will be all decked out and ready for you to have a wonderful evening. There will be a cookout with all of the fixings. We will have Brass Tracks Band returning this year. Be ready to dance and have lots of fun. Please see the weekly e-News and newsletter for the menu.

I know that I have talked about this in past articles but I cannot express the importance of making a reservation. Especially now with our busy summer months. Anyone who has a reservation, will get preference over someone who walks in. All reservations will be handled first then we will accommodate the walk-ins. Making a reservation is so easy to do. Either make it on our website or by calling the Club directly. With recent changes to the liquor laws, we now can serve alcohol on Sunday mornings. So when you come in for breakfast feel free to order a Bloody Mary or a Mimosa.

We have lots of new faces and some familiar faces this summer at BLYC. Rodney and Danielle have worked really hard to get the staff ready for the summer season. Please welcome all of these new and returning staff members to the BLYC family. We can't function as a Club if not for all of the hard working staff members. Rodney has been giving 110% since he has been back in the kitchen in addition to his managerial duties. We all owe him a huge debt of gratitude. He has hired several people for the kitchen and we will hopefully be getting him some needed relief. I hope that you are enjoying your service and your food.

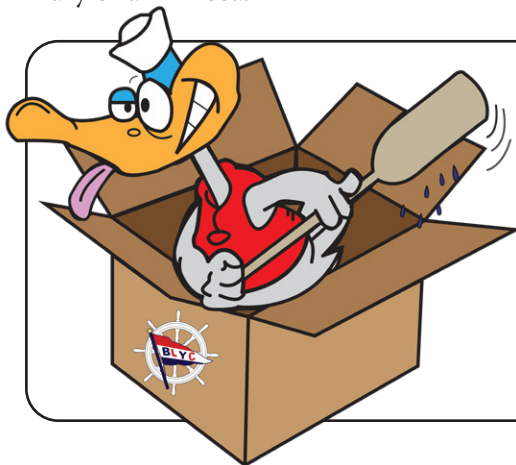

Speaking of food, have you tried any of Chef Rodney's weekly specials and Supper Club menus lately? Chef Rodney and his team have been putting out some amazing and tasty dishes. Rodney is working on a new menu and he will be rolling it out soon.

I really appreciate all of the comments and feedback that you have been submitting. Along with myself, GM/ Chef Rodney and Commodore Campbell also get these and review them. We can't make things better if we don't hear from you. I know I sound like a broken record but we need and appreciate your input. We already have the best place on the lake and we want to keep it that way.

There is so much to do this summer at BLYC and I am so excited for the all of the fun events at BLYC. I am looking forward to seeing you at BLYC! Let's make this summer memorable!

Cheers!

MEMBERSHIP

- Governor Rickie Sue Grunden

Membership Waiting List: 95 inquiries; 38 waiting list; 24 firreadings for membership

Adult Children of Members: We are getting inquiries regarding adult children of Active Members. Please refer to **By-Laws, Article I, Section 5**. We do have special scenarios for the children of Active Members and their spouses. They will go on the waiting list so I would advise you and your children to review this information and have them file an online application with two sponsor letters.

Our children are the legacy of the Club. If they were raised here, they most likely will want to continue being involved in Club activities. As Club members we are happy to welcome them as young adults. BLYC needs all ages to sustain it.

Swimming Pool Sign In: Thank you to all who are signing in. The staff working the pool is trying to help the Board of Governors determine peak hours so that we can better serve our membership. We are asking all members and guests to sign in. This is not a new policy, but one we have forgotten to follow. We are hoping the planned Pool Parties and the updated tiki bar make a *Big Splash* with all of us this summer! To help us understand the usage of the pool and to try and dissuade nonmembers from using the pool.

See you on the Lake!

HOUSE & GROUNDS

- Governor Bill Collinson

It's been a very busy June and we continue to get a lot of work done around the club. We have installed a security fence in the boat yard per request from our insurance company to prevent access to the old dam wall and the crumbling staircase. The new access staircase is located at the west side of the storage yard and will give you entry from the storage yard to the docks at Eastport. If you haven't the boat storage yard recently, I am happy to report that most of the clutter has been removed and it is the cleanest it has been in quite some time. I would ask those members that make use of the storage facility to help maintain its current state and be mindful of what you leave at the yard.

In addition to the installation of the fence at the boat yard, we have also

installed new fencing in the parking lot to secure the gap that was left when the ten-bay garage was torn down.

As you are aware, we have been working on the pool bar wall and it is now completed. We will also be installing in front of the new wall a stainless steel heat shield in the area where the outdoor grill is used to protect the building from the heat of the grill. It is my intent to have that installed by the time you are reading this article.

We have shipped off the old pool cover to a manufacturer in Indiana so they may use it as a template to build a new one. It is necessary that we take care of this now so that it will be here for the winterization of the pool.

Finally you may have noticed that the clubhouse is looking a little brighter these days. At the time of this writing, we are in the process of having the exterior of the club painted. By the time you read this article, that project should be completed.

Due to technical difficulties on the part of the supplier, we are still working on obtaining the pass cards to enter the parking lot and the island. We will keep you posted on all developments and hopefully the system will be in operation some time in July.

Our engineering firm, IBI, is putting the final touches on their design and cost report for replacement of the southern docks, and we should be receiving that document shortly. If you have not had the opportunity to review the artists rendering of that project, you will find those pictures on the BLYC website.

JUNIOR TRAINING

- Governor Barbara Hein

Happy 4th of July to everyone. I am inviting everyone to come start their day with pancakes, bacon, scrambled eggs & fruit at our Annual Junior Sailing breakfast which is another way to support our Junior sailors.

A special thank you to our member who donates all of his numerous dock rental fees to our Junior Training program. Thank you to all of you who have donated to the Rosa & Howard Clark Scholarship Fund in memory of Joan Hein or opted for your donation to go in the general fund. The Rosa & Howard Clark Scholarship Fund is intended for a graduating Senior who has represented BLYC as a Junior sailor. Yearly a generous Scholarship is awarded to a sailor who meets the requirements. For more details talk with Past Commodore Greg Miller & his son, Evan.

Thank you to all of our volunteers that came out to our I-LYA Travelers Series Regatta held on June 4th. This day was a huge success because of *You!* We had 55 boats competing in 420s, Laser, and two fleets of Optis with 10 Yacht clubs represented. Our BLYC Junior Training program was awarded the Robert E. & Leona L. Fellers Foundation Grant, thank you for your support in our sailing program. It helps us to thrive and achieve great things on and off the water with our community members and our members.

Junior Bay Week, held at Put-In-Bay on South Bass island, is July 17-21. Our Junior sailors will be representing BLYC. Kyle Buckwalter, Bryor Burke & Zebediah Loring will all be racing Lasers this year — Good luck to them and have fun. Tuesday July 19th is our Buckeye Lake Yacht Club team dinner at the Put-In-Bay Pavillion. Please come join us if you are on the island or come up for the day and join us in supporting our BLYC sailors.

See you on the Starboard Side!

DOCKS & RENTALS

- Governor Vic Schroeder

All docks are rented except for a few at Eastport. Please contact me through the website if you are interested in a slip.

A few other items:

1. All guest docks are marked with Blue tape, if you see posts with Blue Tape feel free to use it as you visit the club from the water.
2. All slips are numbered please do not use a slip that you did not rent. It is quite frustrating to try and use your rented space and find another craft in the way.
3. Lastly, for those that have slips on the island if you do not have a lift in your slip, you will be asked to vacate your space for the weekend of August 13th for the annual Classic Boat Regatta. This is a great tradition and if needed we can help you find a temporary slip for the weekend.

Summer is heating up and so are the great activities around the club. Be sure to mark your calendars for summer yoga dates which include: July 2nd, 9th, 23rd, and 30th as well as August 13th, 20th and September 3rd. As a reminder, these classes begin at 8:30 am and last an hour. Classes are \$10 payable to our wonderful certified yoga instructor, Amy Hosenfeld, via cash, check, or zelle. No member charge accepted. Amy has already led us in some amazing sessions and we look forward to all of the classes to come. Don't forget to check out the delicious dining options at the club and please remember to make a reservation. We're in for a wonderful summer and the best part.... It's just getting started!

LOOKING AFT

- P/C Steve Harris, BLYC Historian

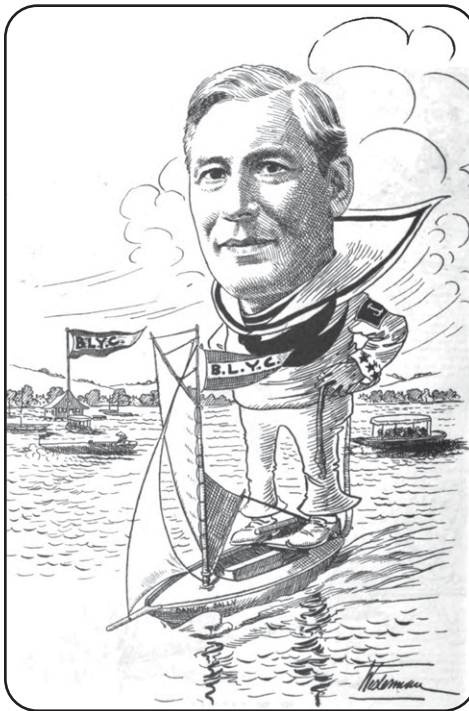

Commodore George Mooney

On the evening of April 24, 1906 a group of Columbus yachtsmen met at Leachman's Chop House at Broad and High streets in Columbus and what would 11 days later become the Buckeye Lake Yacht Club was formed. Among those fifteen original members was George Francis Mooney.

Several years ago, a caricature of George F. Mooney was donated to BLYC. It shows him sailing atop his K-boat, *Dancing Sally*, sailing under the "new" BLYC burgee. Further research revealed that this caricature had been drawn by famed Columbus cartoonist Harry Westerman as a part of the book "Club Men of Columbus in Caricature" published in 1911. Until recently, this was the only picture of Commodore Mooney we could locate.

George Francis Mooney was born in Steubenville, Ohio in 1867. After completing his schooling, he worked for several years teaching music, but eventually ended up working the retail liquor business in Columbus. In 1896, he purchased the Pabst Brewing distribution agency in Columbus and was very successful. In the fall of 1905, he was a founding partner of the Washington Brewing Company in Columbus and served as its Secretary and General Manager up until its closing, due to prohibition, in 1919. Located at 2nd Avenue & Perry Street in Columbus (in what is now the Harrison West neighborhood), no evidence of the brewery remains, the area having been converted over to single family houses years ago.

George Mooney was not just a founding member of the Club, he was also very active from the start. At that first meeting in April of 1906, Lawrence Sackett was elected our first Commodore and one of his first actions was to appoint a committee to develop a Constitution & By-Laws to govern the new Club. Mooney, along with Club Secretary Charles D. Lynch, and Rear Commodore Al Corrodi were charged with this important task. He frequently participated in the Club's regatta's on *Dancing Sally* (unfortunately dismasting in the 1906 Labor Day event) and was part of the

committee established to find a location and build the first Clubhouse. He was instrumental in the effort to secure the unpaid lease on Castle Island (now part of Brook's Beach), which was ultimately unsuccessful, and later helped to found the Buckeye Lake Building Company which then took over the lease of Colonel Wm. Wells (also a founding member of BLYC) on Sunken Island. Having served the Club enthusiastically in his efforts to build the original Clubhouse, he was elected to the Board and served as our Vice Commodore in 1910 and as Commodore in 1911. One of his first actions as Commodore, was to abandon the design of the "old" burgee, in favor of our current burgee which was much more in line with the design of other, well establish yacht clubs of the time. Under his leadership, and with his involvement and influence in the Building Company, he would finally get the ball rolling towards building a "real" Clubhouse, our current Clubhouse, for BLYC – an effort that had been talked about since the beginning and came to fruition in 1913. During his tenure, BLYC and Buckeye Lake's greatest ally, George H. Watkins, State President of Public Works and truly the "Father of Buckeye Lake," died suddenly of a massive stroke. Commodore Mooney established a "Watkins Memorial Committee" to appropriately honor Watkins, although it would take another 14 years until he would finally be so honored with the bronze plaque that hangs in our current

dining room.

As Commodore of BLYC, he presented a silver loving cup trophy to I-LYA to be awarded in the 1911 Regatta. This Cup, known as the "Buckeye Lake Yacht Club Trophy," won that year by Commodore W. F. Brown of Toledo Yacht Club. The cup is silver, 11 inches high overall – the cup itself stands 7" high with three handles and is 6" in diameter at the top. The base stands 4" in height with a 4½" diameter at the base.. It is beautifully preserved and displayed in the trophy case of the Toledo Yacht Club. It appears that the Cup was only awarded at the I-LYA Regatta in 1911. In 1983, TYC returned the cup to competition as a PHRF-class trophy for the annual Mills Trophy Race.

BLYC was very active in I-LYA during Commodore Mooney's time. Mooney served on the Entertainment Committee under I-LYA Commodore Winton in 1911, and was an integral part of the Perry's Victory Centennial Celebration committee in 1913 under I-LYA Commodore George Worthington. Later that year, Mooney was elected to the office of Rear Commodore of I-LYA. Why he never moved up the ranks to Vice Commodore and Commodore is not known.

The Buckeye Lake Yacht Club Trophy

There isn't much information about Commodore Mooney to be found after 1925, although some sources suggest that he re-opened the Washington Brewing Company in 1933 following the repeal of prohibition. Commodore George F. Mooney passed away in 1951 and is interred at the Amaranth Abbey Mausoleum in Columbus.

JET~14 NATIONALS

Buckeye Lake Yacht Club will host the Jet 14 National Regatta on July 27, 28, 29, and 30. It is a great honor for our Club to be asked to host a National Regatta for any class. The Jet 14's are one design boats that offer quick action and an opportunity to get wet if you misjudge the wind. The start and finish lines will be in front of the Club. The porch or the patio will be perfect viewing spots while you enjoy the races and a cool summer drink or lunch! Join us for some of the best sailing of the summer!

I want to thank in advance all of the Club members who signed up as volunteers and all of our Club members who are acting as sponsors which makes this event possible. The Notice of Race and all of the boats and sailors are posted on www.Jet14.com. If you are interested in a shirt, you can pre-order with them or by contacting rsgunden@gmail.com.
