CAMPBELL

As all say, "time flies when you're having fun." There is no exception to this adage at the BLYC. There is sailing on Sunday (SOS), great entertainment, excellent food served on our open-air porch, which, by the way, has the best panoramic view of Buckeye Lake, and on and on. What a steal, you, as a member, are among the 600 +/- who realize the value of a great deal.

We are now five years into a four phase project of securing our Watkins Island home from lake water erosion. Starting in 2018 under the watchful eye of Commodore McEntire, followed in 2019 with Commodore Dick, 2020 with Commodore Pyle, 2021 Commodore Ames and now, 2022, the final phase, Phase IV Front Basin Project, is set to commence.

The engineering firm we are using, IBI, has completed the final construction plans. We now have all permits from the Army Corp of Engineers, ODNR, EPA, and National Historical Society. Prior to

final implementation of our plan and in keeping with our policy of transparency, there will be an informational meeting Sunday August 21, 1:00 to 3:00 pm. This is for members and significant other only. It is not a special meeting and there will be no voting. The Board of Governors will provide answers on how project construction will move forward, how we plan to pay for this, suggested remedies for those who will not be able to use their boat slips and the projected look when completed. All questions are welcomed and an answer given based on information at the time of the meeting.

BLYC Cardboard Boat races were a huge success. Thank you Governor Taylor. It's amazing the ingenuity used to build cardboard boats. Although the race course is short, making a boat out of "paper" to float long enough to make it around the course is in itself a feat of engineering. Get involved, plan to build and race a cardboard boat for 2023.

This year's car show had over 150 entries. There were cars and trucks of many makes and models going back to when some of us were not yet born. It was a nostalgic trip through my years as a child to the present day. I remember my dad and his cars. We worked on them from changing spark plugs and oil to keeping them clean. I am sure many of you who attended the show felt the same.

When a car show is a success, it is largely due to the sponsor. The BLYC is fortunate enough to have AUTO ZONE representatives Dave Ronk and Shawn McGee, who are BLYC members, step up to make our show an over-the-top success. A huge shout-out to AUTO ZONE, Dave

and Shawn. If you have the inkling to take that nostalgic walk down memory lane, then plan to attend the 2023 car show.

Wait... our ability to appease the appetite for great events did not stop with the cardboard race or the car show. The BLYC Golf Outing had 18 foursomes, we hosted the Jet 14 National Championship Regatta July 27-30, the Auxiliary "Roaring Twenties" was a sellout. The Antique Boat Show is August 13. Tailgate parties, OSU Football, start September 3 with OSU hosting Notre Dame. WOW! And you think there is nothing to do???

Keep up with your club's "headliner" events, read your monthly newsletter, pay attention to your e-News weekly notices, check the kiosk by the club bar, or listen to your club friends.

The BLYC entry gate system is now in service. You will need to have your entry card available to enter the parking lot gate and to enter the bridge gate. When leaving, as you approach the bridge gate, look to your left, on the guard rail is a button. Push the button and hold for two seconds, you will hear a beep, then open the gate. The keypad attached to the bridge gate will NOT let you in or out. If you have forgot your entry card, get close to the keypad, push A, then push Call, you will hear a phone ring. Someone inside club will answer, they will ask for your name and club number. Once verified, they will open the gate. If you drove to the club you will have to repeat the same procedure at the bridge gate. If you have guests, call the club for a four number gate entry code. This code is only good for your guests and will be erased when their visit is over. There is a learning curve, mistakes will happen, which, when we become aware, will be corrected to better your experience. If you haven't picked up your cards please do so. Just ask any of the club staff to assist in getting your card, they will. If your cards do not work call the office, 740-929-9941, Deana will assist in solving your card problems. If you lost a card or need additional cards you must get approval from the Board of Governors prior to replacing or adding. The cost is \$100 per card.

The annual membership meeting of the BLYC is Sunday, September 18. The voting for members to the Board of Governor's starts at 09:00 until 1:00 pm. You need to vote! While preparing to select who to vote for, you can enjoy a selection of food offered by the candidates. The actual meeting will start promptly at 14:00 (2:00 pm). The new Commodore and the new Board will take office during this meeting. Plan to attend.

Our club policy for guests attending the club is three times per year. If a non-member has five friends who belong to the club, it does not mean the friend gets fifteen visits. Its three visits per year. If they continue to visit the club three times every year they should join. YOU did.

Our staff work hard to ensure a member's visit to the club is the experience the member looked forward to. Remember them when tabbing out.

Be Safe, Come to the Club Often...

"August is that last flicker of fun and heat before everything fades and dies. The final moments of fun before the freeze."

- Rasmenia Massoud

August at the Buckeye Lake Yacht Club is historically one of the most active months for entertainment with exciting and memorable events. This year is no different.

We kick off the month with the *Annual Auxiliary Fundraiser* on **August 6** when we celebrate the Roaring 20s! The entertainment for this special event is the *Gatsby Gang Jazz Band*. The party décor, flapper dresses, spats and music will take us back to the speakeasys that were the bee's knees in the Roaring 20's.

We continue the fun the following weekend with the *Silver Band* returning to the Club for the **August 12 Dine & Dance**. That same weekend, *Barefoot McCoy* will entertain us at our **August 14 Pool Party**.

The Paul Clark Party Band is welcomed back to our stage at our second **Dine & Dance** on **August 19**. Paul is celebrating his 60th year of entertaining us so come out and make this a special night for one of our favorites!

August will go out with a BANG with some very special events during the last week of the month. *AJ Angelo* will be here at our **Thirsty Thursday** on **August 25**. AJ always has a way to make us happy and enjoy our time together.

We finish the last weekend of the month with one of the best parties of the year; **August 27** will be our *Annual Luau Party* where we recognize the New Members of our wonderful Club. It is going to be a night you will talk about for a long time!

In planning for this event, I asked myself, what would make this year's Luau extra special? The answer.....*Polynesian Dancers!* So, at **7:00pm**, dancers from Mahana Productions will entertain us with dances from the Pacific Islands!

Audience participation is fully expected! As if that wasn't enough fun, the *Paradise Island Band* will have us dancing and singing the rest of the night away. Paradise Island Band is personal favorite of Commodore Campbell but also a favorite of the Roundhouse Bar on Put-In-Bay!

Looking forward, we have a fantastic *Labor Day Weekend* planned with the *Hip Replacements*, *OSU vs. Notre Dame Football*, the *Full Count Band* and *AJ Angelo*. Later in September we have *Supper Clubs* scheduled with *The Lakeside Trio*, and *Gayla Smith and Mike Nelson*. Come out for our *Annual Elections, Meeting and Commodore's Reception* where *Big Bad Stache* will be back. We have a **Dine & Dance** planned with a new band, *Bstrd Royals*. And don't forget the *Rock & Roll Jam* featuring our own *Howard Everitt*.

Wow, I told you August is going to be exciting!

Until next time,

Skawl!

Dog Days of Summer at BLYC...

It is hard to believe that we are already in August. The summer is flying by us. Soon the kids will be back in school, but the fun continues at your BLYC. We have plenty of time to enjoy the pool and outdoor dining at BLYC.

Speaking of going back to school, we have a lot of our staff members who are bussers and servers who will either be going back to high school or college. They have all worked very hard this summer and I am very grateful for them and the wonderful job Rodney and his team have done this summer. I wish them all well in the new school year and we hope to see them back during breaks and next summer. Please be sure to tell the staff how much you appreciate them. Without them, we would not have a fine oiled machine.

We are working on a cocktail menu that will list our beer selections, wine selections, and a cocktail menu. We are working with our vendor from Bacardi who is graciously donating the menu folders and cocktail recipes.

Last month was a great month for events at BLYC. We started with the BLAAST fireworks, great entertainment during the month, a phenomenal Cardboard Boat Race, and a record-breaking Car Show. Thank you to all of the volunteers for the events and to the people who were in charge of putting these events on. Without all of your hard work, these events could not have been so successful.

This month, we will have a couple of events that you do not want to miss. We have the Antique Boat Show and the Luau as well. Both of these events are so much fun to attend. Please check the calendar for the dates and times. Be sure to make your reservations early for the Luau. This is also our new member appreciation party.

With this being a busy summer at BLYC, I want to talk about members and their ability to bring guests. We have close to 600 members and

sometimes it is hard for the members to get a reservation. The policy regarding guests is that a member is allowed to bring the same guest only 3 times per year. In the bylaws it is mentioned in ARTICLE VI. GUESTS OF MEMBERS AND THE CLUB ELIGIBILITY AND PRIVILEGES OF GUESTS Section 1. (b). There are repeat offenders of this policy and we are in the process of coming up with a way to monitor this. When you make a reservation online, you will be asked how many guests you are bringing and their names. If you call in your reservation, you will also be asked for the same information. We have received several complaints about members bringing the same guests multiple times. Please be respectful to your fellow members and be courteous when it comes to bringing a guest. We will monitor this and speak to any member who violates this policy. This also includes the pool.

I appreciate all of the comment cards via the website and the hard copies. Please keep filling them out! I look at each and everyone of them. As I have mentioned previously, we can't fix an issue if we are not made aware of it. It may be something very small or something big to someone but if we don't know that there is an issue, we can't make it better. We strive to make your dining experience to be the most enjoyable at your Club.

We have the best view of the lake and a great place to dine/drink. Please be sure to make a reservation when you want to come to your Club. This really makes Rodney's job easier for staffing. It is so easy to make a reservation. You can do it the old-fashioned way and call the Club directly or you can make it via the website on your computer or smart phone device.

I hope that everyone is enjoying their summer on the lake and at BLYC. There are plenty more of good times to be had either at the pool on a hot August day or dining on our wonderful porch. I look forward to seeing you at the Club!

Cheers!

JUNIOR TRAINING

- Governor Barb Hein

Thank you to the Auxiliary for your gift of the pullover jackets for our BLYC team. Our annual pancake breakfast was successful because you came out to support us. Thank you to Kathy & Tracey who greeted you upon your arrival. Thanks goes out to all the cardboard boat racers and spectators, thank you for your support.

CONGRATULATIONS TEAM BLYC WINNERS OF THE FARNSWORTH TROPHY TEAM SHIPSHAPE

In preparation for Junior Bay Week, I encountered a need for a truck and trailer hitch to haul the safety boat. After numerous phone calls, emails and texts, Brian Kemp & David Hogrefe saved the day and offered their truck. Without them I could not have made the trip. Thank you for your generosity and support of our sailors. Another thank you needs to go to Bill & Beth Burke for hauling the Thistle to Bay week. Our very own Vic Schroeder was in charge of launch & recovery. Thank you to him for all of his efforts this year. Thank you to his daughters Katy & Susannah for coaching our kids. Another thank you needs to go to Bill Burke for his repair skills on our trailer, thanks to his expertise, we were able to come home — Thanks Bill!

We started out the week with check in and sailing on Monday. Tuesday night for our team dinner we had Matt Davis grilling all of our burgers, brats, hot dogs & sausages. Tracey Davis had sailboat tablecloths, BLYC logo cups, her smile & organizational skills. A great big thank you to the both of them.

The sailing week went well. There was plenty of wind, 106 competitors, and 16 Clubs represented. Our team won the "Team Shipshape Award" this means they cleaned their hotel room, lining up shoes, making beds — they even coiled their phone cords! Another requirement was to keep your sailboat neat and tidy everyday. Sailing ended on Thursday and our team of Kyle Buchwalter, Bryor Burke and Zeb Loring ended up in 4th place. BLYC had almost 60 supporters at Junior Bay week, supporting our kids and representing our club.

Thank you to all for coming to the Bay and supporting our kids.

BLYC GOLF OUTING

- Governor Rickie Sue Grunden

The Theme song for the BLYC Annual Golf Outing was "Rain Drops Keep Falling On Our Heads."

Harbor Hills Country Club was wet but the spirits of our golfers were not dampened. They played 9 holes and enjoyed the course libations before retiring to the Buckeye Lake Yacht Club for after golf beer and a picnic dinner prepared by Chef Rodney and staff. Our serving staff had pitchers of beer ready to help us forget the rain.

This year's winner of the Buckeye Lake Hardware Plaque were the Saw Guys — Doug Stewart, Mike Smith, Bob Geller, and Chase Geller. **There was a tie for Runner-Up: Smith Heating & Air Conditioning** — Scott Smith, Caleb Brice, Brandon Ernst, and Dakota Paynter and **That's Enough Pick It Up!** — Bruce Bales, Todd Willis, Dan Bosworth, and Chad Crist.M

Our individual winners were: Men's Closest to the Pin — Chase Geller; Women's Closest to the Pin — Annetta Macedonia; Men's Longest Drive — Bob Geller; Women's Longest Drive — Teresa Hillis; Men's Longest Putt — Dakota Paynter; Women's Longest Putt — Rickie Sue Grunden.

Hole Sponsors make this event possible. A big thank you to: Ameriprise Vision Group — Karen Cookston; The Glanzman Group Re/Max One — Matt Glanzman; Edward Jones Buckeye Lake — Jim Ward; e-Merge Real Estate — Marnita Swickard & Michelle Blizzard; Buckeye Lake Place — Marnita Swickard; Cat & Howard TeamLive, Keller Williams Greater Columbus — Cat & Howard Everitt; HER-Lisa Stewart Team-Lisa Stewart; Kemp Group-Keller Williams Capital Partners — Brian Kemp; Buckeye Lake Hardware — Dave and Fran George; Commodore Dave and Laura Lawrence; Mary Muryn; Coughlin GMC — Gary Burwell; North Valley Bank — Brian Bonkowski; Kessler Sign Company — Dave Kessler; Wheeland Plumbing — Ernie and Lori Wheeland; STAR Engineering, Inc. — Chris Mooney; Waste-A-Way — Seth Ellington; PaPa Boos — Seth Ellington; Neet & Discreet Cleaning Service, LLC. — Carla Steinwender; Mid Ohio Golf Carts — Tim Rader; Coconis Furniture — Randy Coconis; State Representative Kevin Miller; Buckeye Lake Yacht Club Auxillary; Buckeye Lake Yacht Club Board of Governors, Charles Campbell, Commodore.

Thank you John Sowers, Nancy Snow, Matt Fennen, Dave and Beth Kessler, Mike Schilling, Dave George, Charlotte Basnett, Jeanne Frear, Marcia Henderson, and Vice Commodore Jeff Hamilton.

Until Next Year... FORE!

HOUSE & GROUNDS

- Governor Bill Collinson

As I write this article, I hope everyone is enjoying their summer days at the club.

Just a housekeeping reminder, please do not bring any glasses in the pool area. The bar tenders will be happy to replace your glass with a plastic beverage holder. The reason for this is simple, if there were to be any glass breakage in or around the pool, it would be necessary for us to drain the pool, sweep it clean and refill it— a process that could take well over a week to accomplish.

As you can see, the club exterior has been painted and with the dock completed on the east side, our club is looking better than it has in a while.

By the time you read this, you will have received in the mail or have picked up personally at the club your pass cards for entry into the parking lot and onto the island. This should ensure adequate parking and use of the club by members only and their guests. If you have not received your pass cards by this time, please notify the club and arrangements will be made for you to receive them.

The boat yard has been cleaned up and is looking as good as possible. I would ask that all members that use the yard keep it as clean and tidy as possible for the benefit of the club and our neighbors abutting up to the yard.

We are proceeding with our plans to rebuild the basin on the south side of the island, and there will be more to come in the very near future regarding those plans. I should have more definitive information on the project in my next Log article. Finally a special thanks and shout out to our new members, Maria and Jeff Baker, for donating material and repairing the ramp going from the parking lot to the dam. Their company specializes in this type of repair. The ramp is now void of any cracks which will make it easier and safer for wheel chair traffic and pedestrians to access the club.

Looking forward to seeing you at all the club activities in the coming weeks.

DOCKS & RENTALS

- Governor Vic Schroeder

This is usually the time of year when the seagulls are back. Please let me know if you see them congregating on any of our docks and we will do our best to break up their party. As mentioned in earlier logs we do have the Classic Boat Show coming to the island Saturday, August 13th and we ask our members with slips on the island without lifts to move your boats from the 12th to the morning of the 14th. Thanks for your help with this great tradition.

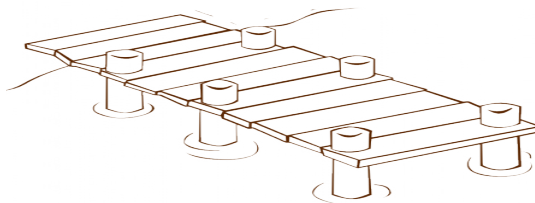

A Few Reminders:

- Transient docks are marked with blue tape and are for visits to club — not overnight or long term. Do not just use “any open” slip.
- If you need a slip or storage area this year or next please fill out the form on our website.
- **DO NOT PARK AT ODNR DOCK. IT IS THE FIRST DOCK EAST OF BRIDGE**
- Junior sailing shed in boatyard is for Junior sailing items only. do not put your equipment in it.
- Remember to lock gate at boatyard when leaving

Thank you all for your help.
