COMMODORE
JEFF HAMILTON

Thankful...

The leaves have turned their bright beautiful colors and the days are getting crisper. We all know what is coming next unfortunately.

As the days and nights get colder, you can come to our Club and warm up either by the firepit outside or come inside and have a wonderful warm evening by the fireplace. Thank you to the Auxiliary for the wonderful fireplace insert. It looks absolutely wonderful!

I would like to thank everyone who attended, participated, and volunteered for the 77th Annual Snowball Regatta. We had visitors from other sailing Clubs and sailboats from our own fleet participate. It was so much fun being on the race committee boat and watching all of the races. Congratulations to all of the winners! Can't wait for sailing season to start next year.

We have finalized our financing with North Valley Bank and the front basin project should be starting in the near future with demolition. The Boards of Governors and Trustees have signed a resolution as part of the agreement with the bank. We expect this project to last 18 to 24 months. In the end, it will totally enhance our Watkins Island. It will look like the premier place on Buckeye Lake. We will continuously be updating our members on the progress as things happen. Be on the lookout on updates from either myself or Bill Collinson. Past Commodore Campbell will be reporting to Governor Collinson as the Major Projects Committee lead. He has spent many hours working on this with ODNR, IBI, and Frank Foster. This project started several years ago and now it is coming to light. I would like to thank all of the previous Commodores who spent many hours making this happen for our Club.

We are going into our second month since going live with our JONAS POS system. We have had a few kinks to figure out but overall, the system is working well. I would like to thank all of our staff members for learning and embracing the new system. The main goal was to help with the speed of service and I feel that it is doing its job. Please continue to be patient as we work through this transition. There is more to JONAS that will be beneficial to our members in the months to come. I would like to personally thank Governor Dolan for her continued leadership with this project. Past

Continued on p. 2

COMMODORE

Continued from p. 1

Commodore Steve Harris has been working hard with the next phases of JONAS to be rolled out for our members. I greatly appreciate all of his hard work and dedication as well.

Our club is experiencing the same staffing shortage as is happening all across our country. Our Club *IS* hiring. If you know of anyone who needs a job, please have them contact our GM Rodney. They can also apply online through our website. With our shortage of staff, there maybe longer wait times desired for bar and/or food service. I humbly ask for your patience. Our staff works very hard to take care of our members and I ask you for your respect of them. Without them, we would not be open.

Always remember that you should be making a reservation when you plan on dining at the Club. The staff will try to accommodate your requests as much as they can. We do allow people to walk-in without making a reservation. This is a great amenity, however, please understand that members who made reservations will have top priority and will be served first. Just please be patient and we will get you served as quickly as possible.

Even though, the weather has changed and we can't be outside, the fun will continue inside at our club. Our entertainment calendar is full of wonderful musicians. Governor Robb is already working on bookings for next year. I am sure she will have some wonderful new additions to the lineup as well as some of your favorites. If you have someone that you particularly like, please reach out to Governor Robb.

The Board of Governors have all started working on their positions. I am very excited with this board and to see what they will accomplish in this upcoming year.

This month we will all be giving thanks for the wonderful things we all have in our lives. I am very thankful for my family and friends at BLYC. We have a wonderful club and we all have so much to be grateful for. I hope that during this time of thanks, everyone has a chance to spend it with family and friends.

I look forward to seeing you during this holiday season. For the people traveling south, be safe and we look forward to seeing you when you return.

Cheers!

Commodore Jeff Hamilton

BAR & KITCHEN

- Vice Commodore Mike Bruckelmeyer

Rickki Don't Lose That Number,

You Don't Want CHARGE nobody Else!

- Steely Dan

I know, I know that is not how the song goes. Maybe it is my love of music or my stint at Entertainment Chairman at the Club, but this song does remind me of a **VERY** important part of being a Member of the Buckeye Lake Yacht Club, your Member Number! **KNOWING** and **USING** your Member Number not only helps us serve you better but it also saves money at the Club. Every month we hear from Members who have had charges added to their account when the charge does not belong to them. These charges must be removed from the account and written off as an expense and these write-offs can add up to tens of thousands of dollars over the year. So how can you help? If you or your family members are unsure of your number, please ask one of our staff members to verify it for you. You can also find the number on your official BLYC membership card. The other thing you can do is keep your receipts and verify them against your monthly bill and contact the Club Office as soon as possible to make the correction. We all benefit from lower costs!

On a lighter note, as we approach the Holiday season, please consider the Buckeye Lake Yacht Club as a venue for your family or company party. Just contact the Club Office to schedule your party and let us take care of all the work so you can enjoy your friends and family.

Finally, I would like to personally wish everyone a very happy Thanksgiving! I am extremely thankful for my family

Guten Appetit!

RACE & REGATTA

- Governor Rickie Sue Grunden

October is wrap up month for the 2022 Sailing Season and ends with the traditional Snowball Regatta. It is time to celebrate our fleet and the winners of our Club's Sail on Sunday and each of the Long Distance Races. Each of the Long Distance Races features a perpetual trophy that is on display with our winners' names alongside our Club's racing legends. The Sail on Sundays features a Spring, Summer, and Fall Series with winners for each group. All were recognized at the Annual Trophy Presentation at the Tropical Party on October 7th. Congratulations to each of you for your outstanding performance.

Reflection

The Sailing Season at Buckeye Lake came to an end with the Annual Snowball Regatta sailed on October 15th. The Snowball Regatta is a tradition that began in October 1946 and is the highlight of our proud BLYC sailing heritage.

This year we had 14 entries from 3 visiting clubs and 38 sailors. The Mixed Dinghy series had 6 boats comprised of Interlakes and Flying Scots that had 4 races. The winning boat was Jeff Clark in an Interlake.

Here are the results:

- 1st Place — Jeff Clark, Hoover SC
- 2nd Place — Tom Willis, Mohican SC
- 3rd Place — Nick Schmitt, Hoover SC
- 4th Place — Don Harris, BLYC
- 5th Place — John VanGilder, BLYC
- 6th Place — Cara Sanderson, MSC

The PHRF Fleet consisted of all BLYC entries, most of whom sail in our Sail on Sunday Series. The Snowball Regatta is their last shot of the season to grab bragging rights for the winter! It was a competitive three races with three different boats winning those races — Race 1, Tom Reynolds in *Endless Summer*; Race 2, Scott Evans in *Reflection*; and Race 3, Chuck Bendig in *Big Girl*. The winner of the Series is Chuck Bendig in *Big Girl* from the O'Day Fleet. Here are the results:

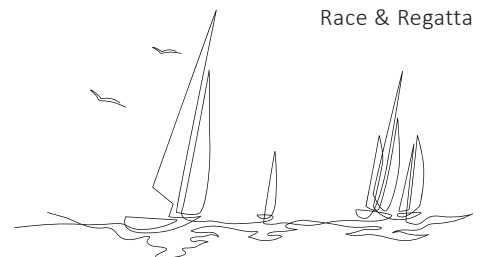

- 1st Place — Chuck Bendig, BLYC
- 2nd Place — Jeff Robb, BLYC
- 3rd Place — Trace Johnson, BLYC
- 4th Place — Tom Reynolds, BLYC
- 5th Place — David Paligo, BLYC
- 6th Place — Scott Evans, BLYC
- 7th Place — Allison Robb, BLYC

Full, detailed results are available online at <https://www.regattanetwork.com/event/25344>

Congratulations to all our winning skippers and crew! Thank you P/C Steve Harris, for chairing and being the PRO for the Snowball Regatta. Thank you race committee, on each of the mark boats and the starting boat for making this race possible. A big thank you the volunteers who registered sailors and those who set and returned the marks and lent a helping hand that made this race possible. And thank you to those who volunteered their boats as mark boats and starting boats.

See you on the Lake!

Rickie Sue Grunden
Race & Regatta

COMMUNICATIONS

- Governor Dean Pickett

As we begin to move into the fall and winter seasons, we still have many activities going on at BLYC. Continue to come out to BLYC and enjoy the many things the club has to offer.

During this upcoming year, as your Communications Governor, I will be continuing to grow the engagement from you. In addition to the weekly "E-News" email, our Facebook page will be highlighting the activities which are occurring that weekend. If you would like to have an activity included, please contact me. Also, our Facebook page will continue to have numerous pictures from our activities. The Facebook page is a great way to stay connected with the Club, even if you cannot make it out to all of the activities.

Also, as we have published in prior monthly issue of the Log, the Club is undertaking many activities behind the scenes to make the BLYC a great experience for its members. As you may be aware, (prior articles by Gov. Dolan), we have implemented a few modules of the JONAS system. Besides the "Order Taking" modules, we are implementing the back-office, membership module and others. The goal of the implementation of these modules is to make the Club more efficient for members and staff, gain additional insights into the inner-workings of the club and, most importantly, give you a better experience.

"I can't control the wind, but I can adjust the sail."

- Ricky Skaggs

I hope to see you around the club.

Dean Pickett
Communications

Each week, Rodney and the kitchen staff prepare several great weekly features for your dining pleasure.

**NEW FALL/WINTER MENU
COMING SOON!**

ENTERTAINMENT

- Governor Allison Robb

It is an honor to serve the Buckeye Lake Yacht Club members for the Entertainment at the Club. I am absolutely thrilled! My goal for 2023 is to continue the great schedule of great entertainment and fun 'theme party events' we had in 2022 and add even more. Ladies and Gents, let's give you an excuse to come in your best dressed and have a ball.

New Theme Party Events I will be adding in for 2023 that have been requested by members:

- Rat Pack Night 'Old Hollywood' Party
- Starlight Gala & Midsummer's Night Dream Party

New Monthly 'Bourbon + Cigar Tasting Wednesday' will be every third Wednesday of the month...

- Bourbon tasting with cigar pairings
- Beginning Jan 18th
- Music will vary per month per members' request: Bluegrass, Jazz, etc...
- Weather permitting, we will get the firepits going

Have an idea for a fun event? Or a great band?...
Please reach out to me.

As always, we have great entertainment scheduled in November. Here is the schedule:

Dine & Dance

Friday, November 4
Caroline & Dad
7:00 pm - 10:00 pm

Tailgate Party

Saturday, November 5
OSU @ Northwestern
Kickoff TBD

Supper Club

Friday, November 11
Six Foot Blonde Duo
7:00 pm - 10:00 pm

Tailgate Party

Saturday, November 12
OSU v Indiana
Kickoff TBD

Supper Club

Friday, November 18
Stella in a Can
7:00 pm - 10:00 pm

Tailgate Party

Saturday, November 19
OSU @ Maryland
Kickoff TBD

Beat Xichigan Party

Friday, November 25
Cat & Howard
7:00 pm - 10:00 pm

Tailgate Party

Saturday, November 26
OSU v Xichigan
Noon Kickoff

Look forward to seeing you all at the club!

HOUSE & GROUNDS

- Rear Commodore Bill Collinson

Another summer season has come to a close, and as people contemplate what date to take their boats out of the water, the yacht club as well has taken steps to prepare for the winter months. You may have noticed that the pool has a new cover which was installed a couple of weeks back. Special thanks to Dave Paligo, Charlie Campbell and Commodore Jeff Hamilton for their assistance in the installation.

On October 2nd we had our Fall Work Day at the club. While attendance was less than it has been in the past, the volunteers that were there did an excellent job in getting the club ready for the winter months. Interior and exterior cleaning was accomplished, and, additionally, we continued our process of removing debris from under the clubhouse. I am pleased to report that the basement area has never been cleaner.

You may have also noticed that the new gas fireplace insert is now in place which provides the warmth and the ambiance to the fireplace room that has been long overdue. Making the transition from burning wood logs to the natural gas log insert makes the use of the fireplace so much easier and a lot safer.

We are currently in the process of putting together the budget for house and grounds. As you can imagine, the list of upgrades, repairs, and replacements never diminishes.

You may have also noticed that the Commodore's Lounge is no longer being used as a storage facility. During the fall cleanup day, we were able to move 50 chairs down to the rental house which is now our new storage facility and it is my plan to store other items there to free up space inside the clubhouse.

I wish you all a happy fall season and hope to see you at the club in the near future.

Bill Collinson
House & Grounds

DOCKS & RENTALS

- Governor Vic Schroeder

By the time you read this our fall clean-up day will be behind us and the lake will be nearing its winter level. We do have winter storage still available at the boatyard. Please use the website to request a storage spot. While we are on the boatyard, remember to lock it up as you come and go to your boats. It takes 18 seconds to hook on to a trailer and have it stolen. (Google it)

Hope to see you at the Club, fall and winter are some of the most beautiful times at the Lake come and enjoy.

Happy Thanksgiving

Vic Schroeder
Docks & Rentals

JUNIOR TRAINING

- Governor Stephanie Dolan

Happy Fall! Preparations are already being made to ensure that this upcoming Junior Training year is GREAT! We will be attending the I-LYA meeting in Westlake in December to discuss the upcoming sailing year. Thank you to everyone who has reached out with excitement and interest in helping with Junior Training. If you are interested in helping with the Junior Training program or have ideas, please do not hesitate to reach out to me. Any and all thoughts are welcome and greatly appreciated.

As a reminder, we have engravable bricks available for purchase which will be displayed around the club. The proceeds from these bricks go to junior training. Thank you all again so much for all of your help to make our Junior Training program the best there is! It's going to be an AMAZING year!

See you at the Club!

MEMBERSHIP

- Governor Mike Perez

Since this is my first Log article as Membership Governor, I would like to take this opportunity to say that I'm honored to be serving in a leadership role at the club. I believe that if you have the gift of leadership then it is your responsibility to step up and take a turn. My family and I have been members of the club for about 9 years. We truly love the people and the experiences we have had at the club.

WELCOME ABOARD!

No new members were added to club in October

As of October 13th...

- Total Members = 636
- Total Voting Members = 616
- Membership Inquiries = 67
- Waiting List = 19

(On Line Application complete and 2 Sponsor Letters on File)

The goal of the Membership Committee is to recruit and retain members. We continue to monitor the expected level of service and the use of the facilities by our members. Although membership is currently closed, I'm looking forward to opening it back up as soon as the board approves of adding new members. When we start adding new members, it will begin with the people on the waiting list. If you don't know the process for getting on the waiting list it is as follows: Have the prospective member submit an online application through the BLYC website, get 2 sponsors who are the actual members of the club (not first mates) and submit photos. We can send a link to the sponsors so they can submit their responses electronically. With the club at full capacity, it will be important that we continue to enhance and preserve the experience for all the members.

I would also like to take this opportunity to thank current Governor Rickie Sue Grunden, immediate past Membership Governor, for helping me get up to speed on membership very quickly. Have a great November!

See you at the Club!

Mike Perez
Membership

LOOKING AFT

- P/C Steve Harris, BLYC Historian

BLYC Perpetual Trophies...

Anyone who's been around the club for very long, particularly the sailors, are familiar with the many trophies that we award each season. There have also been others that are now retired from competition (several of which are displayed upstairs in the Cupola & Library). Many of these trophies are named for individuals... But, as time passes, the stories behind the trophies, and those for whom they're named, often gets lost. While I've written about some of them here previously, I plan to explore many of these in greater detail over the course of the next year. One we hear about frequently, as it is our "Best of Season" trophy for our Sunday racing, is the Lambrecht Cup. It's a bit hard for me to wrap my head around, but next year will mark the 25th year for this trophy!

The Lambrecht Cup

In the early years and up through the 1980's, sailboat racing was a *huge* part of the activity at the Club. As many are already aware, several of our sailors from those times went on to greatness in the sport. Unfortunately, as competition got stronger in the 1970's and 80's, BLYC sailing may have fallen victim to its own successes. As our sailors were more successful, they spent more time campaigning their boats around the country and less time at BLYC. Throughout the 1990's, sailing activity here waned. By the mid- to late-1990's all that was left for Sunday racing was a small group of sailors in cruising-type sailboats — the large one-design classes were all but gone. However, week after week, this group of dedicated men and women would still come to the Club and race. In order to encourage racing (and hopefully increase participation), the Board established the Commodore Chris J. Lambrecht Cup — Best of Season Trophy for the 1999 Sunday series. The rules and instructions were written by your author (as Race, Regatta, & Junior Sailing Governor that year), and the beautiful silver cup awarded to the winners was donated by Commodore

Nick (2001) and Michelle DeSantis. The inaugural winner of the Cup was Bill Reynolds.

Over its history, the rules have changed and been modified as we've made adjustments to keep the race fair and up-to-date. Since boats of multiple designs are competing in the same race, handicapping is a must. Currently, we follow the United States Performance Racing Handicap Fleet (US PHRF) guidelines and formulas for doing this. Including 1999, the Cup has been contested twenty-one different times (there was no Sunday sailing 2015 through 2017 during the dam remediation) with nine different skippers winning.

But... who was Commodore Lambrecht?

Commodore Chris Lambrecht — 1939

Chris Lambrecht joined BLYC as a Junior Member in 1924, became an active member two years later, and remained active at the Club up until his death. Over the years, he was an avid sailor, race officer, and volunteer for BLYC, and served as our Commodore in 1939. In his early days at the Club, Chris was very involved on race committee. His racing instructions for both sail- and powerboat races are reproduced in BLYC's Centennial History Book. As a Race Officer reading Chris' sailing instructions, I'm not sure if things were simpler or more difficult in his day, but they were *certainly different*.

In my early days as a Race Officer at BLYC, I would typically show up early on Sundays. Chris could always be found on the front porch to watch the races. I probably learned more about sailboat racing from those casual porch

conversations than from any book or training course! I would imagine many others at BLYC over the years could say the same.

As a sailor, Chris was quite competitive in his younger years in a variety of classes — most recently Ravens. He often represented our Club at the Annual I-LYA Bay Week Regatta at Put-in-Bay. Chris continued to sail his wooden Raven sailboat well up into his 90's. Always a fixture at BLYC, sitting on her lift in the front basin, it was a sad day when the Raven left the Club.

As Commodore of BLYC, Chris' term was marked by both accomplishments and challenges. At the start of his term the Buckeye Lake Building Company was dissolved and BLYC finally owned the island and clubhouse outright; the Club introduced the 15' Lyman Cat and K Boat sailboats to its racing fleet; and, there were many enjoyable parties and events. All was not easy however, as these were the years just following the Great Depression and leading into the Second World War. The 1939 sailing season saw a decline in participation, but not due to lack of interest. Europe was at war, and although not yet formally a participant, the U.S. was engaged in a broad program of "preparedness" which included many of BLYC's members being called to active duty in the Armed Forces, leaving them and their craft out of commission.

Commodore Christian J. Lambrecht passed away on December 22, 2005 at the age of 97, having been active at BLYC for over 80 years.

As I begin to explore some of our other trophies, I would appreciate any insight or information members may have about our trophies and the people for whom they are named.

Chris Timing a Race — 1936

BLYC AUXILIARY

Our BLYC Auxiliary would like to extend an invitation to come join us on November 10 for our next meeting. 5:30 social, 6:30 meeting. Come join us for social time, meeting, and Charcuterie board.

Our evening activity will be creating your own Charcuterie Board. Please call the club to make your reservation. Preparations are being made for the Children's Christmas Party hosted by Your Auxiliary. Reservations are to be made including name, age, gender and need to be in by November 22. On November 30 we will be wrapping gifts and we would like your help, please let Julie Bruckelmeyer know.

See You Then!
