COMMODORE
JEFF HAMILTON

It's the most wonderful time of the year...

The holiday season is by far my most favorite time of the year! It is hard to believe that we are in our final month of 2022. It is time for the hustle and bustle of the holiday season. The Club is all decorated for the holiday season. This is a time of year to be with family and friends and spread holiday cheer. I hope that you have a chance to spend some time with your BLYC friends at any of the events that are planned for this month. It is sure to be a busy month at BLYC!

There are so many wonderful events for our members and the community this time of year. We have the Christmas party for all of the children and grandchildren of BLYC. We also have the Good Neighbor event for the local children. This is always a great event and it can't happen without the generosity of our members. Thank you

to everyone who donated and helped put this event on this year. There is the Adult Christmas Party as well. We will also have wonderful entertainment throughout the month. Chef Rodney will also have wonderful specials throughout the month. At end the month, we will have our New Year's Eve Party with the band Hang Time.

As I mentioned last month, we finalized the financing with North Valley Bank. The loan documents were signed and we closed on the loans on November 16th. Now the fun begins with the project. Once the water has gone down in the lake, the project should begin with demolition. Either myself or Governor Collinson will keep you informed as to the progress of this monumental project.

The budget for 2023 will be reviewed and voted on this month by the Boards of Governors and Trustees. Past Commodores Mark Pyle and David Luttenberger have spent numerous hours working on this budget. While looking at the budget, we may find it necessary to raise membership dues by a nominal amount. We are also looking at increasing the boat slip rentals as well. There are many factors that impact the operations of BLYC which makes it necessary to increase fees. There will also be the assessment fee for the front basin project. The total assessment fee will be \$1500. It will be split over the next three years. You can pay for it up front, pay \$500 per year, or you can pay \$50 a month through October.

In early January, all of the yearly dues

Continued on p. 2

COMMODORE

Continued from p. 1

and assessment statements will be going out in the mail. Just as a friendly reminder, the full amount of dues shall be due and payable on the first day of February of each fiscal year of the Club per our By-laws. If you have any questions regarding your statement, please be sure to reach out to our office manager Rebecca.

Your Board of Governors continues to work hard for our members. All of them are working on getting things ready for the new year. I am excited to see what they will be bringing to the table in the months to come.

During this holiday season, I hope that you are able to enjoy our Club. We have a wonderful staff that works very hard to make your visit to BLYC a pleasurable time. I encourage all of our members to tell them how much you appreciate them. Without our staff, we would not have our Club.

I hope that everyone has a wonderful holiday season. It is so wonderful that we have a BLYC family that we can spend time with and spread holiday cheer. I look forward to seeing you at our Club during the holiday season! Happy New Year!

Cheers!

Commodore Jeff Hamilton

JONAS MEMBER PORTAL IS LIVE ONLINE

As you are aware, BLYC has transitioned to a new management system – JONAS. This system integrates the Bar & Restaurant operation, membership, rentals, online reservations and the member directory. Here you will be able to make your reservations, pay online on your member account, etc. The portal is live on the website and can be easily found under the "Membership" tab.

Beginning with events January 1st and after, all reservations will go through the Member Portal.

Typically, reservations for an event will open up three weeks prior to the event. Our web team has developed a brief, online tutorial to get you started using this new feature. It is also linked under the "Membership" tab on the website, or you can access it directly at

BAR & KITCHEN

- Vice Commodore Mike Bruckelmeyer

December is by far one of my favorite months of the year. Family get-togethers, religious services, concerts, parties, friends, presents, and lastly, the twinkle in everyone's eye with the magic of Christmas morning... It warms my heart.

The Club will be extra busy and fun this month. Be sure to check the calendar and, as always, make reservations early so you won't miss out on the Holiday festivities. A couple of highlights; the Adult Christmas Party is on December 17th, the Ugly Sweater Party on the 21st and, finally, the BLYC New Year's Eve Party will be a Black-Tie event to cap off a great year at the Club.

Thank you to everyone who is using their member number when ordering at the Club. As I shared last month, the use of your member number will increase accuracy of your order and ultimately improve service and save money for our Club. I ask that you add one more step – when asked for your number, please add your last name to make doubly sure the correct member account is charged.

IMPORTANT: Please begin signing ALL your receipts for purchases at the Club, especially if you are member charging your bill. We need to have a record of your approval of the bill and by signing it, we have your authorization for the charge.

Look for a few changes with the bar & kitchen offerings and service at the Club over the next several months. General Manager, Rodney Probst, is developing our Winter Menu as he adds new and delicious choices. We will have renovations to the server area, an expansion of the bar, and new equipment in the kitchen to increase efficiency, capacity, and service to our members. All these updates and changes are envisioned and expected to improve the member experience – my number one priority this year as Vice Commodore.

If I do not get to see you during the next few weeks, I wish all of you a Blessed and Joyous Holiday and Happy New Year!

Boun Appetito!

ENTERTAINMENT

- Governor Allison Robb

The holiday season is officially upon us, and we're excited about hosting so many wonderful events at BLYC. If you haven't thought about your New Year's Eve plans yet, we urge you to start now. We have a wonderful evening planned for this formal black-tie affair.

Please make your reservations early and pull out your best dress. The dress code for this evening is formal attire. So get ready to pull out those tuxedos, suits, and evening gowns and plan dance the night away. Rodney has a spectacular menu planned (*see p. 6*) and we have live entertainment that will play until after midnight.

DOCKS & RENTALS

- Governor Vic Schroeder

I hope this finds you well and warm. This time of year is for putting to bed projects and starting new. Hopefully when you read this, we will be well underway on the front basin project. Please keep this in mind — we will be extra tight for the next year or two for boat slips. Please go online and fill out your request for slips you may want in the coming new year. We will need updated certificates of insurance for all trailers and boats in the yard and in slips. We will not keep uninsured property on club property.

Remember to keep the Eastport boatyard locked when coming and going.

I wish you a Merry Christmas, and a Happy New Year, a pocket full of money, and a cellar full of beer!

MEMBERSHIP

- Governor Mike Perez

As we head into the holiday season, I would like to take this opportunity to wish everyone a Merry Christmas and a Happy New Year. We are so blessed to have this wonderful club to gather and celebrate during this time of the year.

Unfortunately, there is still a "pause" on adding new members to the club. It has been determined in the past that our current club capacity is approximately 600 members. Keep in mind that doesn't include significant others and immediate family members that are also part of each membership. With the club at full capacity, it is also important that we continue to enhance and preserve the experience for existing members.

In all likelihood, the soonest membership will open back up is sometime in the early part of 2023 after the annual dues billing cycle is completed. At that time we will know what member attrition looks like and how many new members can potentially be added to the club. That's why it is important for prospective members to take the necessary steps to get on the waiting list. They will be the first group of people offered membership in the club. Per below, we currently have 23 people on the waiting list.

If you don't know the process for getting on the waiting list it is as follows: Have the prospective member submit an online application through the BLYC website, get 2 sponsors who are the actual members of the club (not first mates) and submit photos. We can send a link to the sponsors so they can submit their responses electronically.

WELCOME ABOARD!

No new members were added to club in November

As of the November 10th Board Meeting...

- **Total Members = 620**
- **Total Voting Members = 591**

(The above numbers were slightly overstated in recent Log articles due to the transition to the JONAS system. Everything is now current)

- **Waiting List = 23**

(Online Application complete and 2 Sponsor Letters on File)

RACE & REGATTA

- Governor Rickie Sue Grunden

Dear Santa,

The BLYC Fleet is all in for the winter and skippers and crew are preparing for a long winter's nap or maybe a sail in the Bahamas or the Virgin Islands. P/C Don Harris will represent BLYC as our delegate at the annual meeting of the Inter-Lake Yachting Association in Cleveland this month.

Thanksgiving for all the fun sails we had last summer has passed. Now I turn my thoughts to Christmas shopping and all those on my Christmas list. **PLEASE HELP!!!**

All I want for Christmas:

1. More people to Sail on Sunday, enjoy Wind on Wednesday, and participate in Friday Cruising.
2. Good wind on Buckeye Lake on sailing days.
3. More members on our Race Committee — especially those who can help with the Regatta Network so we have real time race results.
4. More certified Principal Race Officers.
5. Adding a Club-owned Interlake to our fleet that can be used for sailing by our members.
6. More Junior Sailors and their families sailing with our fleet skippers and crew on Wind on Wednesday.
7. An announcer to call the Sail on Sunday races.
8. More sailboats in the BLYC Fleet.
9. Full classes for the winter Sailing and Safety Classes.
10. And a new Fleet Chaplain.

Merry Christmas and Happy New Year!

Rickie Sue Grunden

BLYC AUXILIARY

The BLYC Children's Christmas Party will be held on Sunday, December 4th. There will be two sessions — 10:30 am or 12:30 pm — with a dining option available during each session. Please join us for some fun activities for the children and a visit from Santa and Mrs. Claus too.

We will have a fun-filled Auxiliary meeting and cookie exchange with music & a Christmas carol sing-along on Thursday, December 8th. Make your reservations today.

Are you looking for a personalized gift for someone special or to honor a loved one? Consider purchasing an engraved commemorative brick. The link to order is on the BLYC website. We, as the Auxiliary, are helping Governor Dolan get the word out to all of our members, and all proceeds go toward supporting the BLYC Junior Training Program.

Wishing the best to you and your family,

HOUSE & GROUNDS

- Rear Commodore Bill Collinson

If you are reading this article, I hope you had an excellent Thanksgiving and I would like to wish you a Joyous Christmas and prosperous New Year.

This past month, we have had the carpets professionally cleaned in both the dining room and the Commodore's Lounge.

We will be replacing two picture windows in the Commodore's Lounge — the seals have gone bad and they have both clouded up.

I am happy to report that we have closed on the financing for construction of the patio and south basin. We expect that work to start before the end of November and our plan is to have the front patio completed in time for the summer season. As you are aware, we are extending the south side of the island by 25 feet which should generate an extra 2,500 square feet of island space. I look forward to reporting to you the progress over the coming months.

At the beginning of November, we had our first meeting of the Major Projects Committee. This committee was set up to identify major projects involving the club in the near and distant future. The purpose is to provide continuity in the face of board changes and to establish priorities for the various projects. The first project the committee has identified is to transform the cubby hole area in the dining room into a service area. That should improve the timeliness of service and kitchen efficiency. At this point in time, we are formulating a budget and are shooting for an early January construction time.

Here is wishing you all a Merry Christmas and Happy New Year...

COMMUNICATIONS

- Governor Dean Pickett

We have had a fall full of numerous activities, Supper Club, OSU Tailgate Parties, Halloween Party, and numerous other events. As Communication Governor, I am always on the hunt for pictures of our members enjoying the Club. If you capture great moments at BLYC, please send them my way. I am working to ensure we are posting these pictures to our Facebook and other social media pages, as well as publishing as many as possible in the monthly Log.

Lastly, we are continuing to roll-out functionality of the JONAS system. Starting this month, BLYC Members should go onto the website and set up a profile within the "Member Portal" section of the BLYC website, (located under "Membership", then "Membership Portal"). Here, you will be able to view and pay your bill, view the calendar, and more. Starting in January, scheduling of reservations will be handled from within the "Member Portal" as well. As always, if you are uncomfortable scheduling within the "Member Portal", you may still call the club.

JUNIOR TRAINING

- Governor Stephanie Dolan

Winter is right around the corner and guess what...**SO IS SAILING!!** We are making big plans and arrangements to make sure that this Junior Training year is GREAT! We will be attending the I-LYA meeting in Westlake, December 2-3, to discuss the upcoming year and place our bid to secure the first regatta of the year at BLYC. We are nailing down dates for summer sailing camps as well with links to register to be available at the first part of the new year. As 2022 comes to a close, I would like to say **THANK YOU** to all of the donors who have generously contributed to the Junior Training program. Your support makes a huge impact and assists to make our Junior Training program one of the best around! If you'd like to learn how you too can donate to Junior Training, please contact me to learn more. All donations are greatly appreciated and tax deductible. Looking to purchase an engravable brick with proceeds benefitting the Junior Training program? Follow this link to place your order, <https://donate.brickmarkers.com/buckeye>. You can also contact me if you have further questions regarding the engravable bricks or anything else. Our Juniors are the future of BLYC and I'm **SO EXCITED** to get this year underway!

Happy Holidays and see you at the club!

BLYC Perpetual Trophies...

As mentioned last month, I've given myself the task of researching our many perpetual trophies at BLYC. This month's offering is an award named for a true BLYC "superstar," and my dear friend and mentor, Gus Schell.

The "Gussie"

The Commodore Gustav Schell Award is given annually to a Past Commodore of the Club who has remained active and involved beyond their time on the Board and has provided exceptional service to BLYC. Although it is a relatively new award — only having been awarded over the last couple of decades — the legacy of this award is substantial and the recipient list is a veritable "Who's Who" of BLYC. The award was instituted in 2000 both to recognize those who tirelessly serve the Club, and also in recognition of Gus' example of service. The inaugural recipient was Commodore Marque Debenport (1995). Among other things, Marque labored tirelessly creating and maintaining a computerized point-of-sale system for the Club — long before such systems were commercially available.

Who was Commodore Gus Schell?

Gus Schell was born the son of German immigrants in Columbus, Ohio in 1912. He began a lifelong career in the theatrical business, working in the company his father founded, Schell Scenic Studio, at the age of eight. An "All Ohio Athlete," Gus excelled on the baseball team and as quarterback on the football team at Central High School in Columbus, where he was also President of the Class of 1931. While his career was in theater, his interests and activities were very diverse. He enjoyed celebrating his German heritage as a member of the Columbus Maennerchor Men's Chorus and also sang with the "Singing Buckeyes" Barbershop Quartet. His love of sport extended into his adult life throughout which he encouraged sportsmanship in many

young central Ohio athletes; he served as President of the Columbus Agonis Club in 1972, was on the board of the Ernie Godfrey Chapter of the National College Football Hall of Fame, a life member of the Central Ohio Home Plate Club, a lifelong supporter of Ohio State Athletics, and a constant source of support and encouragement for the junior sailing programs of both I-LYA and the Buckeye Lake Yacht Club.

Gus' life was dedicated to service to others above all else. In addition to his professional, sporting, and yachting activities, Gus was very active in numerous service organizations throughout his life. He was a life member of the Charity Newsies and an active member of Rotary International.

Gus joined the Buckeye Lake Yacht Club in 1946 and served as Commodore in 1951. His service to both the Club and the boating community continued up until his death. He was recognized with BLYC's highest honor — the Heber Yachtsman Merit Trophy for sportsmanship, seamanship, and character — in 1963 and was perpetually honored in 2000 with the creation of the the Commodore Gustav Schell Award — "The Gussie."

Gus was also an active member in the Columbus Sail & Power Squadron, the local flotilla of the U.S. Coast Guard Auxiliary, the Navy League of the United States, the Put-in-Bay Yacht Club, and many other boating associations and clubs.

Gus was an avid boater — both power and sail. For many years, as you crossed

the bridge to Watkins Island, one of the first sights to welcome you was his 1948 Chris Craft Sedan, *Margus II* — named such for himself and his wife, Martha. He had the boat restored for the 1998 BLYC Wooden Boat Show and was featured in the in the *Columbus Dispatch* that year. I will share that article in a future issue.

Gus was perhaps most proud, however, to serve as the Commodore of the Inter-Lake Yachting Association in 1975. In that same year, he and his crew on board *Cat's Paw*, a Luedtke K-Cat sailboat — one of only two known to still be in existence today — winning the "Ghost Trophy" in the annual Sail Regatta. Gus continued to be very active in I-LYA up into his 90's, never missing a meeting, serving as an emeritus member on the Board of Trustees of the Inter-Lake Yachtsmen's Fund, on the Advisory Committee, and attending and participating in all three I-LYA regattas — juniors, power, and sail — through 2008. Many members will recall enjoyable afternoon conversations on the front porch of the Dodge House at Put-in-Bay with him and Martha during the regattas, his service on the Race Committee, his quick wit, and his never ending support of BLYC, I-LYA, and their officers & members.

Commodore Schell passed away in August of 2012, at the age of 99.
