Let it Snow, Let it Snow...

Happy New Year!

The presents have been unwrapped, the ball has dropped on Times Square, and all of the holiday parties are over. It is time to start a new year and lots of fun at the Club. I hope that everyone had a wonderful holiday season. I appreciate all of the members who took the time out of their busy holiday season and stopped by the Club to either have dinner or to have drinks with your friends.

I would like to thank everyone who attended the Children's Christmas Party presented by the Auxiliary. It was a great event and lots of fun for everyone who attended. Even the Grinch made an appearance! Also, I would like to thank everyone who helped put on the Good Neighbor event. It was a wonderful event that helped out so many kids in our community. Thank you to all of our members who donated to support this

wonderful cause.

With a new year, comes so many exciting things for our Club. Your Board of Governors are working hard on events for the 2023 season. Our first major event is Winterfest! It is always a great event at our Club. We will have our Art Show along with a great list of entertainment for the day. Chef Rodney will have a great menu planned for breakfast and for lunch. We will need plenty of volunteers to pull this event off. Our Entertainment Governor, Allison Robb will be reaching out and looking for volunteers to help to make this event a success. We will be closing the Club on Winterfest day at 5:00 pm. I am so looking forward to seeing if Benny the Bass eats a minnow or not. Let's hope for an early Spring!!

Also, during January, we will be shut down from January 2nd and reopening on January 11th. The Board of Governors and the Trustees have approved the service area and bar expansion project. The back portion of the dining room will be walled off and we will be working on a service area for the kitchen and servers. This project is going to help with the expediting of service to our members. We are also going to be expanding the bar area as well to help with service. We will also start a remodel of the Lakeview dining room area. We will have an update to this area with new carpeting, new paint, wallpaper, ceiling fans, light fixtures, draperies and new blinds. This will be exciting to see this area with a new look.

Last month, I talked about the budget.

Continued on p. 2

COMMODORE

Continued from p. 1

The Boards of Governors and Trustees have approved our 2023 budget. This month, you will be seeing your invoices for the 2023 dues and the assessment. Your dues, will have an increase due to the rising costs of inflation and the increase of food/bar costs. Our dues will be going up \$100. We did not want to have to increase dues but with our cost of goods going up and with the increase in expenses, we felt the need for an increase. Along with increase in membership dues, the cost of dock rentals will be going up as well. I know I seem like a bearer of bad news but, to keep the Club running in a positive direction we felt the need for these increases.

We have finally received all of the permits from ODNR for the front basin project. Our contractor has begun demolition and will be working weather permitting. Let's hope that we have a mild winter and we can keep this project moving. The timeline for this project is 18-24 months. Let's all hope that we will be able to stay on target. This is all weather permitting of course. Once it gets warmer, we will be able to get this project moving along quickly. This will be a wonderful thing for our Club. The Board of Governors appreciate all of the members patience and cooperation during this project.

When you dine at the Club, I want to remind our members that you will be asked by your server your member number and your name. With our new JONAS System, this makes it easier for our servers to help expedite your order. We ask that you help our wonderful servers and bartenders by knowing your member number. You should have received a membership card when you became a member of our club that has your member number on it. Please help our staff by remembering your number or by carrying your card.

Even though it is winter, there are still events to attend at our Club, we will have our Speaker Series starting at the end of the month, weekly entertainment, and we will have Winterfest to cap off the month of January.

There are so many exciting things going on at our Club. The Board of Governors and our Trustees have all been working hard to make our Club a great place to be. Our staff as well have worked very hard to make a great experience for our Club members. Please show your appreciation and gratitude to all of our staff members.

During our time of expansion and remodel, I ask for your patience. We are doing this for the betterment of our Club. We could not do this without the support and appreciation from our members. I am greatly appreciative to all of our member and staff members who help make our club a great place to have on Buckeye Lake.

I look forward to seeing you all over the winter months at our Club.

Cheers!

Commodore Jeff Hamilton

BAR & KITCHEN

- Vice Commodore Mike Bruckelmeyer

Pardon our Dust — Your Boards of Governors and Trustees approved the funding to improve the dining and beverage service at your Club. All these updates and changes are envisioned and expected to improve member experience — my number one priority this year as Vice Commodore. Here are how the changes will improve service to you...

By mid-January we will now have two service sections at the bar, one for walk up and bar service and the other to serve our dining guests. So now, when you are at the Club for a meal, please order your beverages from your server and your order will be provided from a dedicated area of the bar. You no longer need to get your drink at the bar and then sit down for dining. An added bonus is that you only have one bill to pay instead of a dining bill and a bar bill. The existing bar area will be dedicated to those at the bar and walk ups.

The new server area will allow your salads, sodas, and coffee/tea service to come from a separate area. Only entrees will be served from the kitchen. Salads will be prepared in the kitchen earlier in the day and stored in the refrigerator in the server area. When you order a salad, it will be provided from the server area, not the kitchen. So again, improved efficiency and service to you. Finally, we purchased new equipment in the Kitchen that will improve the efficiency and space utilization in the limited space in our kitchen.

As with anything new, it will take some time to get the kinks worked out, but in the long run these changes will pay off.

A new winter menu has been developed for your enjoyment. Please come to the Club at taste the new and delicious offerings from our kitchen staff.

IMPORTANT: Please begin signing ALL your receipts for purchases at the Club, especially if you are member charging your bill. We need to have a record of your approval of the bill and by signing it, we have your approval for the charge.

Enjoy!

Mike Bruckelmeyer
Bar & Kitchen

CHEF'S
*Weekly Dining
Features*

Each week, Rodney and the kitchen staff prepare several great weekly features for your dining pleasure.

www.buckeyelakeyc.com/gob-mess/weekly-features

ENTERTAINMENT

- Governor Allison Robb

HAPPY NEW YEAR!

2023 is going to be an exciting year for entertainment.

We start the year off right — *Just Jazz Live Duo* will be at our first *Supper Club* of the year on *January 13th*. *Cat and Howard* will host our *Annual Parrot Head* on *January 14th*. So grab a pair of shorts, spray tan those legs, don your favorite tropical shirt, and join the fun!

Our annual *Speaker Series* begins in January, and P/C Dave Luttenberger has planned a wide range of speakers thru April. The presentations are on Thursdays beginning at 7:00 pm. Come out and enjoy a weekly menu special and be enlightened with these fantastic topics. On *January 19th*, the Series kicks off with *Steve Harris* covering a very important topic, *Explore the New BLYC Member Portal*. *Kevin Dolan* will be speaking on *Curling* on *January 26th*. Thank you, Commodore Luttenberger, for bringing such fantastic speakers!

Winterfest is *January 28th* and is always a blast on Buckeye Lake! The Club will be open to the public at 6:30 am and will continue until 5:00 pm. We will be hosting the *Art Show* again this year where artists from Buckeye Lake and Central Ohio will showcase their work. We will have entertainment during the day with *Chris Logston* performing from 6:30 am–8:30 am, *Matt Frampton* from 9:00 am–12:00 pm and *Heart & Pine* playing from 1:00–4:00 pm. We can't pull off this event without the help of volunteers. We need volunteers to ensure this event runs smoothly and everyone has a great time. If you haven't done so already, please visit the BLYC website and sign up to volunteer. This event showcases our wonderful Club, so come on out and show others what we are all about!

Kicking off *February 1st*, we have a new event to be held every Wednesday evening at 7:00 pm — *Trivia Game Night Series*. Form your teams and test your wits to win some fun prizes. Please visit the BLYC website to sign-up. We will continue to have the Speaker Series on Thursdays. On *February 11th*, bring your sweetheart to our *Valentines Dinner* where *The Just Jazz Live Trio* will entertain us to our hearts' content. *AJ Angelo* will perform on *February 18th* for *Dine/Dance*. Until then...

RACE & REGATTA

- Governor Rickie Sue Grunden

Life is like sailing, you can use any wind to go in any direction.

— Robert Brault

BLYC will set sail in 2023 with the Tar Social! The Tar Social (the socializing of sailors) dates to the founding days of our Club before we had a clubhouse or Watkins Island and was held in the winter in either Newark or Columbus hotel ballrooms. Basically, our members gathered to eat, drink, and talk of sailing and boating and a clubhouse to call their own. Today we will gather at the clubhouse on Watkins Island! Come and join us to celebrate sailing and boating on Sunday, January 22nd from 1:00–3:00. We will socialize, play games, and make plans for the 2023 sailing season. Please bring your junior sailors and stay and participate with them in our planned event. The Tar Social is an opportunity for all who have expressed an interest in sailing and/or volunteering to be on the Race Committee/set up group to meet, organize, and test our sailing acumen in a fun atmosphere.

New for 2023 will be at least one Interlake sailboat that will be available for Club members to use for casual sailing and/or racing. You do have to meet requirements for safety and handling to take her out for a sail.

ODNR's Ohio Boating Education Course is our featured class in March. If you or members of your family are not certified to drive a boat, please take this course. It is open to the public and early registration on the ODNR website will assure your seat in the class. Safety on the water is more than having a personal floating device on board. We also have a full compliment of safety and sailing classes available for the winter and spring.

MEMBERSHIP

- Governor Mike Perez

Happy New Year!

I hope you experienced lots of joy over the holidays celebrating with your friends and loved ones. Hopefully, you were able to enjoy the club with all of its beauty during this time of the year. As we head into the new year, 2023 is going to be a big year for the Club with the front basin project in full gear. It is so exciting to think about the transformation that is about to take place. It will definitely solidify our spot as the best place on the lake!

Now that we're in the new year, we can hopefully get back to adding some new members to the Club. Since the Club is at capacity, the number of new members will be a function of how many current members choose not to renew their membership during the upcoming member dues cycle.

You will notice on your annual dues notice that there is a small increase in dues for 2023. This ensures that the Club continues to be managed in a fiscally responsible manner. Also, this will also be the first year for the assessment related to the front basin project.

If you haven't signed up for your Member Portal on the JONAS system, get that done ASAP. In the future JONAS will be the hub for so much at the club. Starting in February, you will need it to make online reservations. Also, you can see your club charges in real time and pay your monthly bill online. There is a tutorial for this on the club website.

WELCOME ABOARD!

No new members were added to club in December

As of the December 8th Board Meeting...

- **Total Members = 620**
- **Total Voting Members = 591**
- **Waiting List = 26**
(Online Application complete and 2 Sponsor Letters on File)

See You at the Club and Winterfest!

HOUSE & GROUNDS

- Rear Commodore Bill Collinson

If you are reading this article, you have survived the Christmas Holidays and rung in the New Year. We are now in January and Buckeye Lake is settling in for its long winter nap. However, that is not true for the Yacht Club. As many of you know, and I am pleased to state here, the club was able to close on its loan to proceed with the south basin and patio. In addition, we have at long last received the green light from ODNR to start our long anticipated project. If you have been to the club lately, you should have noticed the interior of the basin has had the boat lifts removed and some of the finger docks have been removed. The first major aspect of the project will be the installation of the new sea wall on the south side of the island which when completed will afford us the ability to add an additional 25,000 square feet to the front patio. While it is clearly understood there will be no docks available in the basin for the next boating season, we are working diligently to have the front patio available to the club for the upcoming summer season.

For those of you who like to keep track of such things, I have added a few photographs of the old basin and patio area below. As you examine the photos, you may note the extreme deterioration of the current sea wall in addition to the gaping holes in the metal sheeting that supports our wharfs.

JUNIOR TRAINING

- Governor Stephanie Dolan

Happy New Year 2023!

I hope everyone had a wonderful holiday season with your family and friends! We have a lot of exciting things going on in the Junior Training world. To start, we are excited to announce that we have purchased a new storage building which will house and store boats and equipment for the Junior Training program. This storage building is a much needed addition to the Junior Training program and will be put to very good use. I would like to say a big "THANK YOU" to the Auxiliary who made an extremely generous donation to assist with a large part of the funding for this building. The Junior Training program is SO grateful and cannot thank the Auxiliary enough for their help in making this project possible! Pictures of the new storage building are included in this article as well.

Have a Junior who is interested in summer sailing camp at BLYC? Sailing camp registration will be going live this month so please be on the lookout and sign up!

BLYC has a very exciting event coming up on January 22nd, "The Tar Social" (the socializing of sailors.) This event will be held from 1:00-3:00 pm at the BLYC. This event will celebrate sailing and boating. There will be socializing, games, and discussions regarding the plans for the upcoming 2023 season. Junior sailors and their families are more than welcome and encouraged to attend this great event.

Mark your calendars for all the FUN to come this sailing season. It's going to be an AMAZING year!

See You at the Club!

Stephanie Dolan
Junior Training

COMMUNICATIONS

- Governor Dean Pickett

Happy New Year BLYC!!

As we begin the new year, there are many happenings going on this year. As Rear Commodore Collinson noted, the front basin will be getting underway (hopefully by the time of the monthly Log, we will be underway). As Governor Dolan mentioned, Junior Training has acquired some much needed storage. Lastly, as we have mentioned in the last couple of months, we have implemented the JONAS system. As part of our Speaker Series, on Jan 19th, P/C Steve Harris will be presenting "Using the New JONAS Member Portal." If you are having difficulties or just want additional information, it will be a great opportunity. Lastly, please remember, starting in February, reservations will now through the Jonas system. Please make sure you have set up your member portal account.

On a more solemn note, I would like to take a moment to acknowledge all the members who we have lost in the past year. The BLYC will miss you.

"Winter is a season of recovery and preparation."

— Paul Theroux

I hope to see you around the club

Dean Pickett
Communications

DOCKS & RENTALS

- Governor Vic Schroeder

Even with it being dead of winter we are busy as heck with work on the island. After many years of work, planning, paperwork, forms and forms and reports and reports. (Did I mention paperwork?) and discussions with the Army Corp and ODNR we are on to doing the actual work. If you see members of the past 10 boards or so you should thank them for all their hard work on this project. Our current board is Refrigerator Perry and those past boards are the Walter Payton's of the Super Bowl XX Champions Bears team (if you don't understand ask a friend) All kidding aside, it is a great time to be a member. We truly appreciate your patience during this work. I am asking for your help as well on the below items.

1. If there is any change in your slip status, please go to buckeyelakeyc.com and under the "Our Club" tab fill out the form. If you are not needing your slip next year, please do this ASAP as slips are at a premium.
2. When sending in your rental payment, make sure you send a copy of your insurance and boat registration. We will need a PDF or actual copy. Without this, per our agreement with the Club's insurance company, we will not be able to rent you yard space or a slip.

Hope to see you at the Club

Vic Schroeder
Docks & Rentals

BLYC AUXILIARY

Happy 2023 from your BLYC Auxiliary

Our BLYC Auxiliary Children's Christmas Party was a wonderful day and a lot of helping hands went into making it happen. A special thank you to Julie Bruckelmeyer, Sue Derlis, Marcia Henderson, Claudia Belt, Sue Smith, Kathy Sharpe, Cheryl Boggess, Lori Falter, Michelle DeMatto, Janine Conrad, Michelle Smith, elves & Santa, too.

Engraved bricks are on sale and a great way to support Junior Training. This is a 501(c)(3) organization. Or if you prefer, make a donation. We are working with Governor Stephanie Dolan to get the word out.

We are selling \$35 tickets to win \$900 towards your 2023 member dues. You may purchase as many chances as you would like. The link is live through the BLYC website or weekly e-News... get your chance now. They can be purchased through midnight on Wednesday, January 25th. The winner will be drawn and announced on Friday, January 27th, 2023.

The BLYC Auxiliary Annual fundraiser is right around the corner — July 29th, 2023. Please come and join us for planning & discussion on Sunday, January 15th at 1:00 pm.

Mark your calendar and join us on Thursday, February 9th. We have added a winter Auxiliary meeting, followed by an evening of wine tasting & flatbreads by our friends from Heidelberg distributing. RSVP either online www.buckeyelakeyc.com or by calling the club 740-929-9941. Make sure to notate you are coming to Auxiliary. We look forward to seeing everyone! Please check the BLYC website under the Auxiliary Tab and the weekly e-News for the most up to date information.

Reminder: Please go online at www.buckeyelakeyc.com, the Auxiliary tab, to pay your 2023 Auxiliary annual membership dues of \$25.00 or fill out the form at BLYC, payment can be made by cash, check or member charge.

Here's to making 2023 the best year!

- P/C Steve Harris, BLYC Historian

BLYC Perpetual Trophies...

This month, we explore the Commodore George V. Fisher Sportsmanship Trophy. It is awarded annually to an active member of the BLYC sailing fleet or race committee who has provided exceptional service to sailing at the Club and best exemplifies George's example. When I became BLYC Historian in 2011, the following article was my first offering in this new role...

Sailing's Gentleman Champion

It doesn't matter where one goes in the sport of sailing, all around the nation and in multiple one-design classes, sailors know the name George Fisher. A 13-time Interlake National Champion, 4-time Lightning North American Masters Champion, and countless many more trophies to his name, George was certainly known as a great competitor. But, unique to the sport of sailing and particularly unique to George, he was just as well known for his exemplary sportsmanship and his willingness to help others enjoy the sport. Of all the things I've ever seen written about George, the one phrase that describes him best in my opinion is "Sailing's Gentleman Champion."

George's first sail wasn't until he was in his early twenties. After serving in the Navy during World War II, George returned to central Ohio and began racing with his brother in the Lightning fleet here at BLYC. That was the rather humble beginning of what became a lifelong passion — not only for sailing, but also for BLYC. George's passion for the sport ran so deep that he and Marty spent their honeymoon at the Lightning Class Championships in St. Petersburg in 1953! They sailed together until the kids came along and then George had a new audience with whom to share his passion. George & Marty had three children, Greg, Matt, & Gayle. George had the kids sailing at a very young age — around 6 or 7! The boys particularly took to the sport and share George's passion for it. Like their father, both Matt & Greg have established themselves as champions in the sport. But, don't leave Gayle out. According to a 2006 interview with George for the Lightning Class, Gayle "was as talented as anybody but she got into horses when she was nine and she was as goofy

about riding as the boys were sailing." Gayle has continued her father's legacy, perhaps not on the race course, but in service to BLYC and was our Commodore in 2013.

George sailed Lightnings competitively here at BLYC and beyond from the 1940's up into the 21st century. Many of the trophies in our case bear witness to his prowess on the race course. He was very active in our Club, not only as a sailor, but also active on the Board and participating in Club workdays and other projects. George served as our Commodore in 1958. Although his sailing often took him away from BLYC, he was always available to help and encourage our BLYC sailors. Over the years, he added other classes to his sailing repertoire, including Interlakes and MC Scows, which he continued to sail into his 80's. In those years, he amassed, literally, hundreds of trophies. When asked what his most memorable regatta of all time was, however, he didn't name one which he, personally won as the skipper. Instead he replied "Buffalo Canoe Club — 1977!" — a regatta in which he was crew. Why? Well, 1977 was right in the middle of the heyday of Lightning sailing at our Club. During that time, BLYC was home to many of the best sailors and up-and-coming sailors in the class — Jim Dressel, Willy Petersilge, Mike Hein, and, of course, three guys named Fisher. That year, George crewed for Matt in the North American Championships. When it was all done, Matt won the Championship, with Greg finishing second! George was just as

George, Matt, & Greg

Commodore George Fisher - 1958

proud to be crew and father of the top two finishers, than winning himself.

As the years went on, he continued to be very competitive in the sport,

but became known as much for what he did off the water, as on. He was well known for his rules & tactics seminars both here at BLYC and at Hoover Sailing Club in Columbus. He assisted with the Junior Sailing programs at both clubs, giving freely of his time and talents to help insure the future of the sport. His knowledge of the sport was nearly unparalleled and his opinion highly respected. Very often, rules disputes arising during a race were settled, not through a long drawn-out protest hearing, but by both competitors saying, "Let's see what George thinks." His calm demeanor, humility, and character surely set him apart. I remember several years back I saw George at the Club shortly after the Lightning Midwinters in Miami. I asked him how he sailed. George didn't say much about his regatta, but instead gave a recap of Matt's performance at the event. As it turns out, George won the Masters (again) that year! Never boastful, always an ambassador for the sport, in 2002 he was awarded one of the highest honors in sailing in the United States — US SAILING's J. Van Alan Clark Sportsmanship Trophy.

I would imagine that everyone in this life wonders just how much of an impact they've

had on others. George should have had no doubt. In 2006, in conjunction with celebrating BLYC's 100th anniversary, that year's Snowball Regatta also celebrated George's 80th birthday. It was, by far, one of the largest Snowballs in years — nearly 30 Lightnings, 10 Interlakes, several Flying Scots, and a full compliment of PHRF boats from BLYC. Sailors came from all over the nation to sail at "George's Regatta" that year. Some came just to be here and didn't sail. It was a truly amazing event, recognizing a pretty amazing man. He really was a great ambassador for the sport and for our Club! George passed in 2008, following a battle with cancer. His torch has been passed to the rest of us, not only to promote the sport of sailing, but our Club as well. I'm certain that he would be happy to see the increased interest and activity in sailing taking place currently at BLYC. And, in his own, typical, quiet way, I think he's encouraging us to keep going and keep improving.
