COMMODORE
JEFF HAMILTON

Who is ready for spring? It is just around the corner and I am looking forward to it being here. We have been fortunate this winter though. I think old man winter is getting soft as the years go by. Lets hope that spring comes to stay and we don't have a late cold snap. Soon the spillway will be closing, and the lake will make its way back up to full pool. That is so exciting to see.

With the mild winter that we have been having, work is progressing on the front basin project. The new seawall is going in and should be close to completion when this article is published. Frank Foster is our contractor for this project. We are working closely with Frank and IBI who is the engineering firm. IBI is making sure that everything is being done correctly and according to the plans. Our Rear Commodore Bill Collinson is overseeing the project. As we progress with this project, we will keep the members informed.

We appreciate your patience and understanding while the dining room project continues. We are hoping for this project to be completed this month. The dining room is getting a much-needed face lift. As I mentioned previously, there will be new carpeting, wallpaper, paint, ceiling tiles, new lights, window shades and curtain panels.

Last month, you should have received a letter in your statement regarding the assessment. This should have gone out with the January statements, but it did not, and I apologize for that. The letter breaks down the amount of the assessment and how you can pay it. It is billed \$50 plus tax monthly for 10 months, you can pay \$500 plus tax a year for three years, or you can pay the full \$1500 plus tax. We are required to charge Ohio sales tax on our dues and assessments. If you need assistance with the billing, please contact the BLYC office.

We appreciate everyone who has paid their membership dues in a timely manner. If you have not paid your membership dues yet, we ask that you pay them now. Please contact the BLYC office to make your payment. We have a membership full of so many wonderful people. It is so great to be part of such a wonderful boating community.

Be sure to check out the Club calendar. There is so much going on this month at BLYC. Our Entertainment Governor, Allison Robb, has been working hard on getting wonderful entertainment for our members. The big event this month is St Patrick's Day. As always, this is a fun event at the Club. It will have great food and

Continued on p. 2

entertainment for you to enjoy.

It is going to be a great spring and summer at BLYC. Stay tuned for events that are coming up. It may be a little challenging with the front basin project this year but we will do our best to keep the fun going. Always remember to make a reservation when visiting our Club. We will try to accommodate everyone but those who have reservations do get priority.

With all of the projects going on at the Club, I appreciate your patience and understanding. The Board of Governors are all working together and very hard to make sure that everything is going smoothly. This project will take 18 to 24 months but in the long run it will be well worth it. Our Club is going to be the hidden gem on Buckeye Lake.

I look forward to seeing you at the Club.

Cheers!

Commodore Jeff Hamilton

Happy March! We're that much closer to spring and getting our boats back in the water. I can't wait for the 2023 boating season!

Hopefully, you have paid your annual dues by now. Your commitment to the club is much appreciated. We should start to get a sense of how many members haven't renewed, which could open some spots up for people on the waiting list. Stay tuned!

If you haven't signed up for your Member Portal on the JONAS system, please get that done ASAP. In the future, JONAS will be the hub for so much at the club. You can see your club charges in real time and pay your monthly bill online. There is a tutorial for this on the club website.

Also, don't forget that only one member of each couple is the actual member of the club, which gives them some rights that are not available to the other person. If you ever want to change who the actual member is, the process is as follows: the new member will submit an online application through the website and a letter explaining why should be submitted to the club and signed by both people requesting the change.

WELCOME ABOARD!

No new members were added to club in January

As of the February 9th Board Meeting...

- **Total Members = 620**
- **Total Voting Members = 591**
- **Waiting List = 34**

(Online Application complete and 2 Sponsor Letters on File)

See You at the Club!

BAR & KITCHEN

- Vice Commodore Mike Bruckelmeyer

What's New At BLYC?

Front of The House Manager

I would like to introduce you to our new Front of The House Manager at the Buckeye Lake Yacht Club, Zahia "Ish" Howe. Ish comes to us with over 16 years of Bar & Kitchen experience as a server, bartender and manager with an additional 5 years as a General Manager away from the restaurant business. Ish will be reporting to our General Manager, Rodney Probst, while working with our Bar & Kitchen team to provide exceptional service to our members. Ish is a mother of three wonderful children, Zyan, Zayire and Zoei who range in age from 18 to 24. She is really excited to get back to her passion of bar & kitchen service!

Ish will begin her duties at the Club in early March so please be sure to introduce yourself and please join me in welcoming her to our wonderful Club!

New Menu

Be sure to check out our new menu with options developed by our fantastic kitchen team. You will find new items (some suggested by our members!) as well as delicious new options that will tempt your palate!

Commodore's Ball

Members of the Buckeye Lake Yacht Club are cordially invited to attend our Annual Commodore's Ball on April 15, 2023. This annual event is our chance to recognize and appreciate the Past Commodores of the Buckeye Lake Yacht Club and honor our current Commodore, Jeff Hamilton. This special event is open to *ALL* members of the Club so please make sure to attend and help us celebrate a wonderful evening! We will have a special menu as well as entertainment from The Mike Roberts Band. Watch for additional information in next month's *Log* and weekly E-News.

Until next time,

Bon Appetite!

HOUSE & GROUNDS

- Rear Commodore Bill Collinson

As I write this article, it appears to me that Benny the Bass may have been correct in his prognostication of an early spring, and while we are all enjoying the warmer than normal temperatures, there is another benefit that the higher temperatures are providing to the yacht club. As you may recall in my last article, we have started work on the south side of the island. The finger docks as well as the band deck have been removed, and because there has been little to no ice on the lake, we have been able to start work on the new sea wall.

Once the wall is completed, the backfilling process will begin and as previously noted this will add approximately 2,500 square feet to our front patio. Hopefully the weather will continue to cooperate and we can move along with the project without any interference from mother nature.

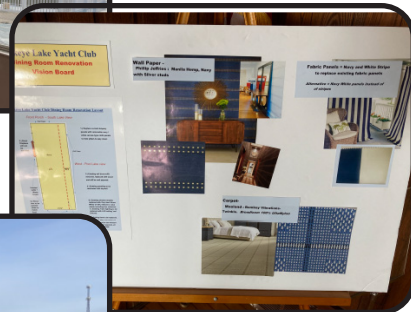

While the work outside continues, we have also started the remodeling of the Lakeside Dining Room. The old soffit has been removed and replaced with a new one offering a fresh crisp look to the room. We have also installed dry wall in preparation for the wall paper application. It is our intention to replace the carpeting, the drapes, and the shades. If you visit the club please check out the display showing the design concepts of the dining room.

If you visited us during Winterfest, you may have noticed we had caution tape blocking off the grass area which we normally use for parking. Due to the warmer temperatures and rainfall, the area became quite soft and muddy. We are currently looking into the cost of having that area, as well as the area where the old garages used to be, graveled to make a workable parking area for our members.

Finally, we are taking bids to update our security camera system which will result in adding additional cameras in the parking lot area as well as the pool, east side docks, and south side docks.

Here's hoping spring comes soon and we can all start looking forward to boating season once again.

SAILING COACH NEEDED FOR 2023 SEASON!

The Buckeye Lake Yacht Club is searching for a Junior Race Team Head Coach. This instructor would be the head coach for BLYC Junior Race Team. They would also assist with Junior Sailing Camps. We are seeking a US SAILING Level 1 Certified Sailing Coach/Instructor or above. Housing for the summer will be available as well. Job responsibilities include, but are not limited to, being the primary instructor for all Junior Sailing Race Team programs including regattas, team practices, meetings, and Put-In-Bay Junior Bay Week. If you are interested in this position, please contact the Buckeye Lake Yacht Club Junior Training Governor Stephanie Dolan at stephaniedolan22@yahoo.com. Sailing season is expected to begin in May and last through July/August.

JUNIOR TRAINING

- Governor Stephanie Dolan

Happy March!! We are working our way towards spring *FINALLY* and getting ready for a great junior sailing season. We are busy taking equipment inventory and are hard at work preparing for what will be an AMAZING 2023!

Sailing camp registration is open on the BLYC website and filling up quickly. As sessions fill, please be aware that we do have a waitlist available. Please contact me to be placed on the waitlist as it is first come, first served as well.

Do you know a great candidate for a Head Junior Sailing Race Team Coach? We are **HIRING!** Please see the job description in the *Log* this month for further details and please reach out to me for further information or questions!

I-LYA Junior Bay Week at Put-in-Bay is July 16-20, 2023 this year. This is an exciting week of sailing and our club always has an AMAZING turnout of volunteers and guests to support our Junior Sailing Race Team. Be sure to make your reservations on the island now if you plan to join in the fun! I'm so excited to say that we will be on the water before you know it!! See you at the club!

The annual Commodore Bob Dye Poker Run will be held on Saturday, May 13th this year. Make plans to have your boat in the water and see if you can draw the winning hand, running on an early spring day with some of your besties from the Club. Commodore Dye started the poker games at the Club. Commodore Bob was a power boater so in his memory, his fellow poker players established the Poker Run in the 1990s to honor his memory. So... join the tradition and plan for a fun day on the Lake! For more information contact the granddaughters of Commodore Dye – Barb Hein and Tracey Davis.

Our chair this year for the annual

Cardboard Race is Governor Dean Pickett. He is looking for volunteers to help with this event that is held in July. This is your opportunity to design a seaworthy watercraft in your garage and race some of the funniest boaters on Buckeye Lake. Contact Dean Pickett to join the committee and bring mirth and laughter to our Club.

BLYC is establishing a new "Sail On" program which will allow club members who are qualified sailors to sail select Interlakes from our Fleet. P/C Commodore David Lawrence is chair of this committee. They are currently working to develop a waiver of liability, reviewing sailing experience qualifications, rigging responsibilities and available dates for use. Please contact Commodore Dave if you would like to serve on the committee or are interested in using Club boats.

The annual Classic Boat Show is August 12th. This year's chair is Chris Hebert. He is forming his committee and is looking for people to help plan the event and work on the day of the event. Please contact Chris if you would like to be involved.

See You on the Lake!

LOOKING AFT

- P/C Steve Harris, BLYC Historian

Recently, I-LYA Historian Tom Thanasiu shared an article from the 1957 I-LYA Yearbook on Facebook. This article highlights the team that won the first Junior Bay Week Regatta in 1956...

Wakefield Crew — 1956

I-LYA Junior Champions Buckeye Lake Yacht Club

After 6 years of desperate attempts to win the coveted Wakefield Cup the Buckeye Lake Yacht Club Junior Sailing Team finally crashed through on top in the 1956 Series at Put-in-Bay. Two of the members of this team started with the original entry of 1951 and have sailed each of the 6 years. Jim Dressel, the skipper of the Wakefield winning crew of 1956, has one more year of participation since he started when he was 11 years old. Jim promises for certain that he will be back again this year at the Bay with a little more experience.

The original 1951 team reported to the Sandusky Sailing Club with a great amount of awe and respect for the considerably older crews they were to compete against. Jerry Cooper, the skipper for that year, and Jeff Dum were 12; Don Wilson was the "old man" of the crew with 13 years of age. The team hardly expected to win, but after the series was over and they finished in last place they fully realized what they would have to do to be serious competition. The next year, the same team reported to the Edgewater Yacht Club, and they came back home with a far better record. Through the years of participation, various members of the team have been elected skipper in accordance with the boat that was to be sailed. Jerry Cooper dropped out in later years because of activity in early football practice. Jerry today is a Naval Cadet at Annapolis and takes part in the Academy Yacht Racing Program. Age eliminated Don Wilson, but he is still a member of a "hot" Lightning crew. 1956 was the last year for Jeff Dum who is now a student at Ohio State University with a future planned for the field of medicine.

All four of the members of the team of last year are owners of Lightnings at the Buckeye Lake Yacht Club in which they

take part in every race scheduled and also travel to many of the regattas. After winning the Wakefield Series last year, "Father Dressel" came through with the purchase of a new Lightning for his son, Jim, and Tommy Davis took over ownership of Jim's old boat.

In the four-boat round robin race of the elimination series last year, the Buckeye team sailed against Devil's Lake, Lorain YC, and Toledo YC. Two firsts, a second, and a third gave them a first place and permitted them to continue into the Wakefield Series against Vermilion BC, Perrysburg, Bayview YC, and Detroit BC. In this series of 5 races they picked up 4 firsts and a third for a total of 24 points as compared to their nearest competitors' 14 points. During one of the races of the series a sudden squall took an unexpected turn and caught the fleet with most of them on the downhill home leg. The Buckeye Lake team was well in the lead when stresses won over the mast and down it came. The debris was cleared away and pulled aboard and a small portion of the main was left flying to carry them over the finish line for a winning gun. The race was called off due to damage to other boats that was beyond the control of the crews.

Winning the Wakefield Series provided the Buckeye Lake team with the highly prized honor of being the entry of the Detroit Rive Yachting Association and the Inter-Lake Yachting Association in the Sears Cup Races for the North American Junior Sailing Championship at Montreal. The host club for the races was the Royal St. Lawrence Yacht Club. No greater praise could be given to any organization for the manner in which the races were conducted nor the hospitality provided. Each minute of the week-long stay was provided with interesting and entertaining activity. All of the races were under the direct supervision of the North American Yacht Racing Union and every detail was considered. The Y-Flyer, an 18-foot scow-type boat, was used; this boat was new to most of the crews. Light rigging caused many breakdowns. Nearly all of

1956 Wakefield Champions

Jim Dressel, Ed Ballenger, Tommy Davis, Jeff Dum

the races were sailed in good winds and the crews had a real work-out for the 8 races. The racing was held off the Lord Reading Yacht Club near the junction of the Ottawa and St. Lawrence Rivers that forms Lake St. Louis.

The final results of the series were:

1. Corinthian YC, Seattle
2. St. Petersburg YC, St. Petersburg
3. Edgewood YC, Narragansett Bay
4. Royal Hamilton YC, Hamilton, ON
5. Chicago Corinthian YC, Chicago
6. Monmouth BC, Red Bank, NJ
7. Buckeye Lake YC, Columbus, OH
8. Larchmont YC, Larchmont, NY

The experience encountered will surely be remembered by all four members of the Buckeye Lake Yacht Club team. Their most sincere thanks are extended to everyone concerned.

1951 Junior Sailing Team - Buckeye Lake YC
Jeff Dum, Jerry Cooper, Jim Dressel, Don Wilson

In 1957, the BLYC team returned to Junior Bay Week — Jim Dressel, Ed Ballenger, Tommy Davis, and newcomer Marty Headlee would go on to repeat BLYC's 1956 win and, once again, earn the opportunity to represent I-LYA and DRYA in the North American Junior Championships, this time held at Southern Yacht Club in New Orleans. -SGH

COMMUNICATIONS

- Governor Dean Pickett

It's Spring Time!

The winter season is quickly getting behind us and we are all excited about the spring season around BLYC. The water is rising, and we are itching to get our boats out of storage.

Winterfest was exciting and a huge success, thank you for all the members who volunteered and all the BLYC staff members who worked the event. Without volunteers and staff members, we would not be able to have success events.

Have you come out to BLYC on Wednesday night for Trivia Night? If not, you should definitely come out. Trivia Night is well attended and the prizes which Governor Robb is securing from our weekly sponsors are very nice. Starting in March, we will be hosting Trivia Night ONLY on the 1st Wednesday of the month.

The front basin project is making great progress and Rear Commodore Collinson is doing his best to keep everything on track.

I hope to see you around the Club
