Summer is Here!

The pool opened over Memorial Day weekend, and we are in full summer mode at BLYC. Please take note of our summer hours that are listed on our website. We are now open for lunch Wednesday through Sunday.

While making your summer plans, don't forget to check out the calendar of events at BLYC. From sailing on sundays, junior sailing camps, cardboard boat races, golf outing, fantastic entertainment, car show, classic boat regatta, auxiliary fundraiser, and wonderful views of Buckeye Lake while dining, it is all here at our Club.

At the writing of this article, we have been at the mercy of mother nature. The concrete has been poured for the compass rose and burgee. By publication of the *Log*, it should be completely installed. The concrete for the patio will be poured once mother nature decides to give us a few days

without a chance of rain. I know we are all excited to see the patio completed but we greatly appreciate your patience and understanding.

In January, the invoice for dues and for the assessment was sent out to all members. You were given three options of paying for the assessment. You could either pay the \$1,500 plus tax upfront, you could pay \$500 plus tax a year for three years, or you could pay a monthly fee of \$50 plus tax for ten months. I greatly appreciate everyone who has been paying for the assessment in a timely manner. We are seeing members who have not paid their assessment. This is not an option. Every member must pay their assessment on time, or your membership will be in jeopardy. Letters have been sent out to members who have not paid their assessment. This is not fair to all the other members who are paying their assessment. If you have any questions, please contact the BLYC Office and they will be happy to answer any questions. You can pay via the portal, over the phone or you can mail in a check.

I would like to welcome all our new members that were voted in at the last Board of Governors meeting. You are going to really enjoy spending time at our Club. If you have any questions about the Club or need help with anything, please reach out to myself or anyone on the Board of Governors.

As we are getting into the busy season, I would like to welcome our new staff members. We have some returning staff members as well, I am happy to see

some familiar faces. Please introduce yourself to the new staff members. Without our wonderful staff, we would not have the great service that we have.

As a reminder, when coming to dine at the Club, please make a reservation. We will gladly try to accommodate all our members but making a reservation makes life so much easier for scheduling of staff both in back and front of house. This also helps with food ordering and food preparation. Making a reservation is so easy to do. You can either call the Club directly or you can make a reservation online. You may feel like we preach this every month, but it just helps out the Club in the long run all around.

I am so happy that summer is here. It is so wonderful to see boats on the water and so many members at the Club.

I appreciate any time that you can spend at your Club. It is going to be a great summer season full of events and great memories.

See you at the Club!

Cheers!

- Vice Commodore Mike Bruckelmeyer

June starts the official busy season on Buckeye Lake and at the Club. The pool is open, dining is available outside, and we have great entertainment for your enjoyment. As you know with the construction of our new patio and bandstand things are changing daily. We ask for your patience and understanding during this challenging and exciting time.

I cannot stress enough the importance of making reservations for dining at the Club. With all the activity and interest in the Club we must sometimes limit the number of people we can serve at a given event to provide the best service possible. Please actively review the upcoming events in the *Log* and website, plan your activities, and make reservations. It's easy, either just go online or call the Club to make your reservations. If you make a reservation and cannot keep it, please contact our office by 2:00 pm on the day of to cancel. This courtesy will allow members on a waiting list to attend the event or dinner. The \$25 per person charge is in effect for any reservations not cancelled.

In a matter of months, we will be in September (Note — I am not wishing the summer away, I am just planning ahead) and we will be getting ready for our annual meeting and elections. At the semi-annual meeting, the Nominating Committee was selected. As next year's incoming Commodore, I will be joined by Past Commodore Mark Russell and Member-at-Large John Sowers. We will be reaching out to members and to see if they would be interested in running for the Board of Governors. We will have 4 spots available. Also, if you are interested in running, please reach out to either myself, Mark, or John. We will gladly answer any questions that you may have about the election process and serving on the Board.

Until next time,

Enjoy!

HOUSE & GROUNDS

- Rear Commodore Bill Collinson

Happy Summer!

I am pleased to report that the pool has been cleaned and painted and is ready to start the summer season. The pool deck has been repainted and the pool bar has received a coat of stain. We have a new awning over the pool bar and the sail over the grassy area as well as the sun umbrella should be providing the shade for those hot summer days.

Work continues on the front basin. By the time you read this article, the compass rose with the BLYC logo in the center should be in place with the cementing of the patio moving to completion. The back filling of the new space created by the seawall is well under way and the band deck is taking shape.

To accommodate various tents we use during the season, permanent anchorage will be installed in the concrete which, when not in use, will maintain the smooth surface of the patio so as not to create a tripping hazard.

With the ongoing construction, we will continue to implement measures providing the least disruption to our members regarding their enjoyment of the club.

The new gravel parking area has resolved the bog and mud issues that were problematic in the grass area of the parking lot. By the time you read this article, the mound of dirt will have been disbursed in the low areas and the transition from the new gravel to the grass will be smoothed out.

A port-a-potty as well as a six-yard dumpster has been positioned at Eastport for our members who park there to access their boats.

As you all know, we have elections coming up in September for membership to the board. I would like our members to consider their skills sets and available time for running for the board. A strong board is imperative to continue the work we have started.

I, myself, have been House and Grounds Governor for two years and have been asked to continue that position for the upcoming year. I can tell you, it has been a time consuming, but rewarding, endeavor which has allowed me as well as others to continue the effort of improving the club. I would strongly encourage any member who believes they can add value to the club's present and future endeavors to consider throwing their hat in the ring for board membership. If there is anyone that is particularly interested in House and Grounds and what that entails, I will be happy to meet with that person and fully explain what the position entails.

I would like to wish all members fun and enjoyable summer season.

ENTERTAINMENT

- Governor Joel Gabor

Weather is getting warmer and our outdoor space continues to progress. I hope that you have enjoyed our recent May entertainment schedule as we move into summer!

It is always great seeing you at the Club, and I especially appreciate all of the very constructive feedback that you share with me regarding your entertainment "likes and dislikes" — everything from volume levels, to band selection, to how often we provide live music. Please know that we value your input, and I will be mindful of it all as we continue to offer you talented entertainment through the coming months.

Highlights for June include *Rese Jhordan* and the *Shuman Band*, both acoustic artists to be enjoyed during our Supper Clubs on June 2nd and June 9th respectively. Also paying us a visit during the month are *The Majestics*, *Perfect Timing*, *Randy Goin*, and *Reelin' In The Years*. I think that you will very much enjoy these groups, and please refer to our calendar for specific dates and times.

That's it for now, and I am looking forward to seeing you at the club, hopefully outside!

DOCKS & RENTALS

- Governor Vic Schroeder

Summer is full speed ahead and so is the work on the island. It will be great with more new Island and new docks. While we are under construction the transient docks will be at Eastport in front of the Club Boat Yard. The dock numbers that are for visiting members will be marked with white and red stripes on the post. Those current transient docks are 446, 454, 461 and 463. Please look for the marked docks when visiting the club.

If you want a name plate on your dock, contact dandy@palprinting.com or call 740.928.8933. Also, if you see an open slip don't just use it, someone has rented it.

RACE & REGATTA

— Governor Rickie Sue Grunden

"Land was created to provide a place for boats to visit."

—Brooks Atkinson

The sailing season is here, and our spring Sail-on-Sunday began with the Burning of the Socks and Pray for Wind Party on Friday, May 19th. Saturday, May 20th we held a Racers Row Open House for all Club members and junior sailors and families. On Sunday, May 21st the sailors hoisted their sails and the race was on! The Spring Series Sail is held May 21, 28, June 4, 18, and 22 with a 1:00 pm start.

Memorial Day began with Fleet Chaplain Mark Thogmartin blessing the fleet and all other Buckeye Lake boats that attended. The traditional Commodore Edward C. Metzgar Memorial Day Long Distance Race went out at noon. In 1906 the first BLYC sailing race and power boat race were held on Memorial Day. This makes this race the longest standing race for our Club.

BLYC is sending a racing team to the Mills Trophy Race from the Toledo Yacht Club to Put-In-Bay. This is an overnight race. Bill Collinson, David Paligo,

Sunday afternoon on the Porch of the Club is the best location for enjoying lunch, a beverage, conversation with friends, and to watch the Sail-on-Sunday Series. We will provide a program with captains, boat names, and sail numbers so you can watch the action. This year opera glasses and/or binoculars will help you tell our sailors apart. Please feel free to join our captains and crew after racing for results and Fun!

BLYC Perpetual Trophies...

BLYC Long Distance Races

As we have since the first official gathering of the Buckeye Lake Yacht Club — Memorial Day, 1906 — BLYC holds three “distance races” each season — Memorial Day, Independence Day, and Labor Day. I recall years back, while we were holding an I-LYA Traveler Series Junior Regatta at the Club, we had a poster up encouraging people to register for the upcoming “Long Distance Race.” A sailing friend from Port Clinton Yacht Club inquired of me, “What do you do? Sail the length of the lake 10 times?” The races are not distance races in the normal sense. Most true distance races cover long expanses of open water — Chicago to Mackinac, Newport to Bermuda, or the Mills Trophy Race from Toledo to Put-in-Bay, for example. While the idea of a “distance” race on Buckeye Lake may seem odd, we work with what we have. Each of these races has a perpetual trophy awarded to the winner, each bearing the name of a BLYC Commodore.

Doing some research, I discovered that all three of these trophies were inaugurated the same year, 1969. Digging deeper, I came across a *Log* article from our Commodore that year, Edward C. Metzger, in which he announced his gift of a new trophy for the Memorial Day race, and encouraged others to consider doing the same.

“I was most pleased to bestow Skipper Jim Dressel the Commodore Metzger Trophy on Memorial Day. This is the first recipient of this newly deeded trophy for the Long Distance Race - Memorial Day, any Class, Handicap. Congratulations, Jim... We are asking anyone who desires to offer a trophy to the Club to supply a properly detailed Deed supporting the purpose, duration, description of qualifications to receive the award, etc. This could be a problem, and we want a permanent record of each Trophy and the Deed. The Club must approve any gift...”

So, there are two basic ways that trophies are named — they are either named for someone (as in the “Gussie” and the

Fisher) or they are named by someone (as in the Heber and these long distance race trophies.) Unfortunately, I’ve never seen, nor have I come across the deeds of gift for these trophies. I hope we’ve been awarding them properly. I’ve collected a bit of information about the Commodores who generously provided these trophies.

Memorial Day Distance Race Commodore Edward C. Metzger (1969)

Ed Metzger was our Commodore in 1969. He was elected to the Board in 1965 and served as Secretary/Treasurer his first two years, prior to being elected Rear Commodore. He again served as Secretary/Treasurer in 1974 & 1976, following his time as Commodore, when the Club Constitution was changed to allow that position to be filled by a non-member of the Board. He was the 1968 recipient of the Heber Yachtsman Merit Trophy. He owned and operated an insurance agency in Columbus.

Perusing old issues of the *Log*, Commodore Metzger’s year was very focused on sailing and family activities at the Club — “Family Sundays,” Sing-a-Longs, and parties specifically for the juniors. His year was probably most known, however, for liquor... Two days prior to the 1968 Annual Meeting, the Club was cited for the sale of liquor without a license. Apparently, BLYC’s permit it had held since the 1930’s only allowed for the sale of beer, not “spiritous liquors.” Under Metzger’s leadership, the D1 permit was cancelled and the Club applied for, and received, a D4 “Private Club” permit. It was not without consequence, however. The permit specifically forbade gambling and games of chance, along with carrying in of alcohol from off-premises (much as our current permit does). It also restricted sales to Club members only.

For more information on the long saga of BLYC’s liquor permit, please read my article “A Quaint Little Drinking Club...” in the History Archives of the BLYC website.

Labor Day Distance Race Commodore Dwight Haggard (1960) and

Independence Day Distance Race Comodore Earl O. Williams (1961)

Few records remain from the time of Commodore Williams and Haggard

on the Board, but those that do are significant — the purchase of Watkins Island. For much of the history of our lake, the State of Ohio controlled all of the land adjacent to the dam and most, if not all, of the islands — including Watkins Island. These lands were then leased to individuals by the state. In November of 1957, the Ohio Department of Natural Resources determined these lands to be “no longer needed for public recreation... or other projects of a public nature” and sold them to the leaseholders. The Club had the land appraised and determined an approximate value of \$5,000 for the island and the Club had sufficient funds earmarked in savings for said purchase. To their surprise however, when the state presented their offer to BLYC, it included nearly 30% more land — much of it underwater — at a total cost of over \$11,000! Commodore Haggard and his board focused on raising the necessary funds and in August of 1960, the Board of Trustees approved the expenditure of \$11,608.14 for the purchase of the island.

The following spring, when it came time to write the check, the Club had less than \$4,000 of cash available. However, as noted in a May 2nd letter to all members announcing the date of the semi-annual meeting, there were over \$7,000 of unpaid dues still outstanding. A check was cut to the State that same day and presumably enough of the unpaid dues were collected as the check apparently cleared and ownership of Watkins Island was transferred to BLYC on May 22, 1961. Despite the obvious financial hardship this presented the Club, Commodore Williams’ year ended with over \$5,000 in available cash and within a few years, BLYC was back on solid financial ground.

Both Williams and Haggard remained active in BLYC for many years thereafter and are remembered through our Independence Day and Labor Day Distance Race Trophies.

Commodore Jim Dressel (1981)

It is of significant note that the inaugural recipient of all three of these trophies in 1969 was Jim Dressel — championship sailor, Junior Training Governor at the time, and our 1981 Commodore.
