*Shucking Buba Deluxe*

### Starry Night with the Gatlins

BLYC Auxiliary Fundraiser

Saturday, July 27

## COMMODORE MIKE BRUCKELMEYER

### Summer is in full swing at your Club!

Our patio and front basin project is complete! Please be sure to thank and congratulate both Vice Commodore Bill Collinson and P/C Charlie Campbell for working so hard to complete this project for our Club! There are, of course, others who were part of this project, but these two were critical and instrumental to its success. On behalf of all the members of the Buckeye Lake Yacht Club, THANK YOU!

There are activities for everyone during July. We begin the month with celebrating our country's Independence Day at our BLASST Fireworks Party on July 3<sup>rd</sup>. If you have never seen the fireworks from the Club, you are certainly missing out. Where else can you have dinner, dancing and the best view of the most spectacular fireworks in the area? This is a members only event so be sure to make your reservations!

We continue the celebration with the

Junior Training Pancake Breakfast and Annual American Flag raising ceremony on July 4<sup>th</sup>. We will also have a ceremony where we will dedicate the new yardarm and flagpole. It is going to be a very special day!

Did you know that the 4<sup>th</sup> Annual Cardboard Boat Race is scheduled for July 6<sup>th</sup>? This is such a fun and unique event so be sure to participate and cheer on your favorite boat! Each year it gets bigger and better.

Committee Chairman, Jeff Schwartz, has planned another fantastic BLYC Car Show to be held on Sunday, July 14<sup>th</sup>. This event is open to the public and gives car enthusiasts a great showcase for their cars and a fantastic way to spend a leisurely Sunday.

July 20<sup>th</sup> is the Annual BLYC Golf Outing at Harbor Hills. New member and Committee Chairman, Andy Joseph, has a great day planned for our golfers. All proceeds from the event will go to our Junior Training program. Thanks Andy!

Speaking of our Juniors, I want to wish our Junior Sailors all the best as they compete in the I-LYA Junior Championships at Put-In Bay the week of July 14<sup>th</sup>. Many of us will be there to support and cheer you on as you represent our Club.

I haven't even touched on all of the fantastic entertainment your Entertainment Governor, Joel Gabor, has planned for us this month. Joel has done a fantastic job all year keeping us dancing and enjoying our Club. Please review the Club calendar and Joel's monthly articles to keep up to date.

---

## COMMODORE

*Continued from p. 1*

Last but certainly not least, please be sure to attend the BLYC Auxiliary fundraiser on July 27<sup>th</sup>. This is always a special event for our Club. The Auxiliary does a great job keeping our Club beautiful, and this is a major fundraiser for them. Be sure to support them.

### See you at the Club!

Commodore Mike Bruckelmeyer  
Commodore@buckeyelakeyc.com

---

## MEMBERSHIP

*– Governor Mike Perez*

### Happy July!

Summer is in full swing, and I hope you're enjoying all the club has to offer.

If you run into any of our recent new members, please make them feel welcome. They will appreciate it! At the June board meeting, we voted in the following 5 new members.....

### WELCOME ABOARD!

**David Bauman**  
and first mate Nancy

**Patrick Ford**  
and first mate Danielle

**Tod Friedman**  
and first mate Cheri

**Richard Hoffman**  
and first mate Kimberly

**Kelly Pomante**  
and first mate Robert

Due to incredible demand for club membership, we are currently at capacity with a waitlist for new members. If you sponsor a prospective member, they will be added to the waitlist once I receive their online application and 2 sponsor letters. Remember, only the actual member and not the first mate can sponsor a new applicant. Also, the only applicants not subjected to the waitlist would be a member's adult child who is under age 40.

Remember that securing a spot on the waitlist will also require a refundable \$500 deposit, which will be applied to the initiation dues once the prospective member comes off the waitlist. Also, if a prospective member's circumstances change (e.g. move...) the \$500 will be refunded to them.

Since this is our busiest time of the year, please make sure you always make reservations for dining and honor the guest policy. We must be respectful and maintain an awesome experience for all our members!

Mike Perez  
Membership@Buckeyelakeyc.com

---

## BAR & KITCHEN

*– Rear Commodore Vic Schroeder*

Happy 4<sup>th</sup> of July. We are in full swing of this great summer, and we have some great feedback from the members. Many have shared with us their love for the Friday Buffets, some saying they like the variety of options. We also are excited with RESERVATIONS that we can get more folks into the club and served on these busy Fridays so people can relax with friends after a long week at work. Rodney says watch for an international flare on those buffets. Considering this, we will have the buffet on the busy Fridays of summer.

Keep an eye on the e-News and website for details of Rodney's Friday buffet and weekly specials. His team in the "Heart of the House" (kitchen) has the goal to provide members with the freshest and most delicious offerings possible. If you have any ideas or thoughts, please email me at [barandkitchen@buckeyelakeyc.com](mailto:barandkitchen@buckeyelakeyc.com)

Now for a little housekeeping... Please remember dogs are not permitted on the island. Please feel free to take them to and from your boat. We all love our pets, but our space is too small for us to break this rule. We have too many bare feet and not enough land.

Also, we have been notified by liquor control of the following:

*As Patio season gets in full swing, the Ohio Dept of Commerce's Division of Liquor Control and the Ohio Dept of Public Safety's Ohio Investigative Unit remind Ohioans that marijuana use remains strictly prohibited in liquor permit premises. After Ohioans voted to legalize the adult use of non-medical marijuana last November, the two Ohio agencies issued a memo to permit holders to emphasize that marijuana – in any form – cannot be used in their facilities or brought onto their properties. Since marijuana is still considered to be a controlled substance, the restrictions of Ohio Administrative Code 4301:1-1-52 remain in effect.*

Our license is for the whole island. Please obey all Ohio laws and regulations.

Lastly, the weekly Pasta specials are so good they will have you singing an Italian Opera, and if you haven't tried the Chicken Taco Salad or Mussel Entrée yet your gonna kick yourself when you do.

### Have a Great Summer!

Vic Schroeder  
[BarandKitchen@Buckeyelakeyc.com](mailto:BarandKitchen@Buckeyelakeyc.com)

**LET US KNOW ABOUT YOUR  
DINING EXPERIENCE**

## COMMUNICATIONS

– Governor Bob Hegedus

**Fun July 4th fact:** It is believed that there are 200 original printed copies of the Declaration of Independence. However, there are only 26 known copies still existing today. Keep your eye out while visiting garage sales this summer. You never know what you will find out there!

I want to thank everyone that visited our new club registry over the past month and for making updates to your contact information. Deana has also been doing a great job of going through our system and ensuring everyone's information is as up to date and accurate as possible, including the date you joined BLYC which had not been entered previously when our back office system was installed. For those of you who have not checked it out yet, please take a few minutes to review your information for accuracy and upload a picture! Also, if your first mate would like to have their own profile in the directory, just send me an email with their contact info (email address, phone number, date of birth) and we will set it up for you. As an added bonus once the first mate profile is configured they will receive all of the BLYC email communications (weekly E-news, Monthly electronic Log, event specific reminders, and emergency notifications). As always, let me know if you have questions or feedback on how to improve communications for YOUR club!

**Have a fun and safe July everyone!**

Bob Hegedus  
Communications@Buckeyelakeyc.com

---

## ENTERTAINMENT

– Governor Joel Gabor

**Happy July to All...**

Summer is now in full swing, and I do hope that you all were able to enjoy our recent June BLYC festivities here at the Club. I have gotten a fair amount of positive feedback regarding the new speakers outside at the pool area, so I hope that the new music vibe is working for you.

We have a strong entertainment lineup for July, which kicks off with the Fourth of July lineup of *Perfect Timing*, *The Victorious Kay Birds*, and a return of our friends *The Majestics*. We close out the month with the full *Shucking Bubba Deluxe* band on Friday night July 26<sup>th</sup>, followed by the BLYC Auxilliary's Starry Night with *The Gatlins* fundraising event on Saturday July 27<sup>th</sup>.

Please refer to the Club calendar for specific dates, times, and additional information.

**See you at the Club!**

Joel Gabor  
Entertainment@Buckeyelakeyc.com

**Each week, Rodney and the kitchen staff prepare several great weekly features for your dining pleasure.**

**Check them out online at  
[www.buckeyelakeyc.com/gob-mess/weekly-features](http://www.buckeyelakeyc.com/gob-mess/weekly-features)**

---

## JUNIOR TRAINING

– Governor Stephanie Dolan

**Summer is off to an AMAZING start!**

We hosted the first I-LYA Junior Traveler Series Regatta of the season on Saturday June 1<sup>st</sup> at BLYC. THANK YOU to all of the staff and volunteers who made this event GREAT! We had over 50 sailors from various clubs competing. It was a very exciting and wonderful day!

We wrapped up our junior sailing camps in June and watched the sailors gain some great skills and knowledge to use as they move forward in their sailing journeys! We can't wait to see many of them on the BLYC Race Team in the future!

We will be hosting a Pancake Breakfast on Thursday July 4<sup>th</sup>, 2024 to raise funds for the Junior Training program. Please call the club for more details and to make your reservation today!

It is once again time for I-LYA Junior Bay Week this month! This will take place July 14-18 at Put-In-Bay! Our club always has an incredible turnout on the island from our members to help and support our Junior Sailing Race Team. Thank you to all of those who have volunteered to assist so far. Please let me know if you plan to join us on the island. Our club/team picnic will be held at the PIBYC Pavilion on Tuesday evening, and we would love for you to join us if you to support our Race Team. Volunteers are needed for morning launch and various other jobs to help the team during this busy but fun and exciting week!

Thank you all for your support of the Junior Training Program! We couldn't do it without the AMAZING members of BLYC!

Stephanie Dolan  
JuniorTraining@Buckeyelakeyc.com

# CHAPLAIN'S CORNER

– Fleet Chaplain, Mark Thogmartin

## Souls on Board

*“And the Lord God formed man of the dust of the ground, and breathed into his nostrils the breath of life; and man became a living soul”* (Genesis 2:7, KJV).

The BLYC Race Committee met in early April this year to prepare for the upcoming sailboat racing season. The purpose of the meeting included clarifying several of the rules competitors must follow. I had the privilege of attending this important gathering. This is inside information, folks.

One of the requirements is that each boat competing on race day must check in with the race committee prior to each heat. The spokesperson for the boat's team, when checking in, must recite the boat's sail number/name and must state the number of people in the vessel.

The committee discussed the preferred terminology related to this reporting of the number of people in the boat. It was decided that the phrase “souls on board” should be used because it's more concise, it's traditionally used in

the nautical world and, well, it has a classy, distinguished ring to it. Sailboat racing is a pretty classy way to spend a summer afternoon.

I recall a couple people on the committee wondering aloud the origin of the phrase “souls on board,” so I decided to do a little research (pastors and chaplains like to talk about souls). Here's what I found:

It would be reasonable to assume the phrase has its roots in the King James version of the Bible. The Apostle Paul was involved in a shipwreck off the coast of Malta. Paul's traveling companion, Luke, authored the account in the book of Acts. In typical old English, King James jargon, Luke reported: *“And we were in all in the ship two hundred threescore and sixteen souls”* (Acts 27:37, KJV). The Apostle Peter, when discussing God's longsuffering patience with disobedient sinners, remarked that *“eight souls were saved by water”* in Noah's ark (1 Peter 3:20, KJV). Biblically speaking, souls don't always fare well in treacherous seas. Especially disobedient souls.

In slave trading days, ships were used to transport slaves and/or servants. Many people at the time did not consider these unfortunate captives as fully human. But Christian ministers believed they had souls that could be

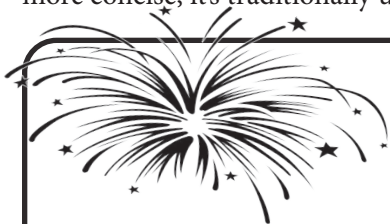

saved by converting to Christianity. So, even on slave-bearing ships, the total souls on board were counted.

Perhaps the use of the term “souls” helps to distinguish between other forms of life or non-life that can be on board vessels like ships or airplanes. Sometimes an inanimate object is assigned a seat number. If the craft is transporting human remains, reporting “souls on board” distinguishes between the living and the dead. And if live animals are among the cargo, they may be living creatures, but in biblical parlance they aren't “souls,” as in human beings. Peter didn't count any of the many animals on board the ark as “souls.”

Another thought...to eliminate the potential confusion around reporting the number of passengers on a vessel separately from the number of crew members, stating the total of souls on board clarifies the human lives that are at stake independently of the roles they may be filling at the time.

So, if you come in first on race day, don't merely say “We won.” Honor the humanity of the losers by proclaiming “We kicked those poor souls' butts.” It would be the scripturally accurate way to report your victory.

Mark Thogmartin  
FleetChaplain@Buckeyelakeyc.com

## HOUSE & GROUNDS

– Vice Commodore Bill Collinson

As I write this article, I am pleased to report that work on the front basin continues.

In addition, the race shack is complete and the sunshade at the north end of the pool has been installed.

The outer rim of the new dock structures has been completed. In addition, fenders have been placed on all the vertical dock posts to allow for safe tie up for visiting boats. Members are also encouraged to use their own fenders for additional protection. As you all know, there are times where the wave action is quite active on the lake, and tying up to the perimeter of the new docks during those times could result to damage to your boat. It is the boat owner's responsibility to determine if it is safe to tie your boat up on the perimeter docks.

You will note that each post has a cleat attached to it which needs to be used to tie up the boat. The placement of the cleats are low to the deck by design which will prevent excess torque on the tie up. You will also notice that there are 3-foot high light pedestals on the perimeter docks. Under no circumstances should you tie up your boat to these pedestals nor should they be used to access or egress your boat. Doing so may cause damage to the light fixture.

If you have been out to the club recently, you are aware that we have received and set up the new patio furniture and umbrellas. In the few short weeks it has been in place it has seen a great deal of use from our members. I want to bring to your attention that two of the tables have LP gas fire pits in them. It is our hope that the furniture adds to your experience at the club.

As you are aware, the kiddie pool located south of the main pool has been closed. It appears that we have a leak in our scupper line. In order to correct the issue, it would be necessary to close the pool area for at least two weeks while the repair is completed. Given the fact that we have less than 70 pool days left in the season, it was agreed by the board that we keep the kiddie pool closed for the remainder of the season and determine its future in the fall. We apologize for this inconvenience, however, weighing the pros and cons, with such a short pool season, this was the best approach.

As you are aware, elections for board members are scheduled for this coming September. I would encourage anyone considering running for the board to contact me through the yacht club and I will be happy to discuss with you what board membership entails. It is an opportunity to have an impact on the success of your club.

**Wishing all of you a happy summer season!**

Bill Collinson  
HouseandGrounds@Buckeyelakeyc.com

---

## RACE & REGATTA

– Governor Dean Pickett

The 4<sup>th</sup> Annual Cardboard Race is happening on July 6<sup>th</sup>. There is still time to build a boat, grab some great BLYC food or even cheer on our participants in the race. Last year's race saw some exciting action from boats sinking as soon as the race started or a certain skipper destroying his boat after 30 seconds (maybe not even that long). We also had quite a few participants in our youth division. As with last year, we will have two divisions (adult and youth), award flags will be handed out to the top finishers in each division. Lastly, we will have voting for boat categories and finish placements. If you are unavailable to pick up your winnings, the office will retain them for 1 week. Unclaimed winnings will be donated to the Junior Training program.

Please come out and support your club.

In July and August, the following events will be occurring:

- *Sail on Sunday* — weekly except for 7/14 & 8/4
- *Wind on Wednesday (casual sailing)* — weekly
- *Commodore Earl O. Williams Long Distance Race* — July 4
- *4<sup>th</sup> Annual Cardboard Boat Race* — July 6
- *I-LYA Junior Bay Week (Put-In-Bay)* — July 14 to 18
- *ILYA Senior Sail Regatta (Put-In-Bay)* — August 1 to 4

Wind on Wednesday is a relaxed sailing event and is a great way to get on a sailboat. If you would like to get on a sailboat, please email me or Fleet Captain Dave Paligo.

Lastly, the BLYC Classic Boat Show makes its return on August 10. Check the kiosk and e-News for more information.

Dean Pickett  
RaceandRegatta@Buckeyelakeyc.com

# LOOKING AFT

– P/C Steve Harris, BLYC Historian

The past several years have not been good for one of BLYC's greatest traditions — The Classic Boat Regatta. As we all know, the spring of 2015 brought the announcement that the lake would be lowered for several years for dam repairs, effectively ending boating at Buckeye Lake until the 2019 season. This, of course, was followed by the pandemic, then the removal of our old covered docks which housed several of the classic boats of BLYC members, and finally the loss of all on-island docking last summer for the long overdue replacement of all docks.

This year, Chris Hebert and his committee are diligently working to revive this long-time BLYC and Buckeye Lake tradition. This seemed like a good time to reprint this article, first published in the July 2012 issue of the Log.

- SGH

## BLYC's First Classic Boat Regatta

Boats in the Front Basin at the 2014 Show

Photo by Greg Miller

*In the late 1970's and early 80's, sailboat racing was king at BLYC. If one peruses the old issues of the Log available on the BLYC website (Thank you P/C Frank Foster, III for making these available), it's easy to see that most of the Club activity at that time centered around sailboat racing and social events. There just doesn't seem that there was that much geared towards our power-boating and non-racing members. In 1981, BLYC's 75th Anniversary year, that changed... It was first announced in the December, 1980 Log by Race & Regatta Governor Gordon Forster that a new weekend activity was being developed...*

*"An invitational classic and antique WOODEN power and sail boat regatta." The first chairman was P/C Ed Metzgar. The entry fee was \$20 per boat and 28 boats participated. According to the post-event write-up in the Log...*

Commodore Jim Dressel, committee members and entrants were more than pleased after launching the first, of what's hoped to be many, antique boat contest.

The weatherman cooperated by bathing the north shore area with plenty of sun, perfect to bring out the patina of lovingly cared-for mahogany, gleaming chrome and mellow brass.... Last minute scurrying before judging found them polishing hulls and wiping telltale finger and foot marks from chrome hardware and touch-me-not-decks.

*In the past 30+ years, the show has certainly evolved. The name has changed, it now includes classic non-wooden boats, and each year may bring different types of boats and participants from different parts of the country. But, it doesn't sound like that much has changed. Every year since 1981, BLYC has hosted this highlight event of our summer season and, just as in that first show, nervous boat owners clean & polish and prepare their pride-and-joy crafts for judging and the admiration of spectators.*

*At the 1981 event, the "Best of Show" Trophy went to Mrs. Zenna Sayre for her 1928, 26' triple cockpit Chris Craft Runabout, Cherokee. The First Place trophy for "Nearest to Original Condition" went to Phil Schell for a 1948 Chris Craft Sedan, Margus II. If I'm not mistaken, both of these families have had boats in every Classic Boat Regatta BLYC has hosted. And... 1981 wasn't the only time they've taken home well-deserved trophies.*

*Other BLYC member earning trophies in 1981 included Mrs. Nancy Benson, 1st Place "Oldest Restored," for her 1928 Chris Craft Runabout and P/C Gus Schell, "Sailboat Special Award," for his 1931 Ludke "K" Boat, Cat's Paw. I'm pretty sure that both boats are still*

*around Buckeye Lake, although I know that the years have taken their toll on Cat's Paw. She is one of the last "K" boats remaining of what was once one of the premier sailing fleets in this region.*

P/C Schilling's 25' Lyman, Lybation, at the 2014 Show

Photo by Greg Miller

Sadly, since the original publication of that article, *Cat's Paw* deteriorated beyond repair and was scrapped. However, there are still many classic and antique boats around BLYC and the lake. I'm sure that P/Cs Ryan will continue the tradition of the Sayre boats entering the event — he is the current owner of *Squawman* — and several other members will certainly bring their boats as well. This year's Classic Boat Regatta will be held the weekend of August 9-10. Just as in 1981, it will certainly be a highlight of our summer season. Not only is this a great event for our members, it is also a time when we have the opportunity to show off our great Club to the public at large. Make plans now to attend, participate in, or volunteer for this great BLYC tradition!

P/C Tim Ryan aboard *Squawman* at the 2014 Show

Photo by Greg Miller

## DOCKS & RENTALS

– Governor Rickie Sue Grunden

Coming to the Club by boat is one of our finest traditions! The biggest issue is whether a transient dock will be available. Look for the green BLYC signs at Watkins Island, Eastport, and Area 8! There are only 3 slips in the front basin that are leased by our members. The Board of Governors decided to open the other front basin docks as transient docks, and those are marked with the green BLYC signs. This will give all our members an opportunity to boat to the Club.

Please note that there is a change in the configuration of the docks in the front basin. The Club is on an island. To get construction materials and large kitchen equipment to the island, it needs to come by barge. The front basin expansion allows us to park a barge without disturbing any docks. We also have green BLYC signs at the end of Area 8 and both Eastport piers. At Eastport there are several green BLYC signs on the west pier. As we move boats back to the west basin, we will create more transient dockage at Eastport.

### Transient Docking Rules

- *There is no overnight parking in Transient Docking.*
- *These docks are for the use of BLYC members only, they are not for friends meeting you at the Club.*
- *You are welcome to sit on your boats, but all food and drink consumed must be purchased at the Club. Bringing alcohol on the island and into our docks is a violation of our liquor license.*
- *You need to come on the Island or go to one of the bars for service. Our staff will not be serving you on your boats.*
- *The ODNR dock is not for members use. It is for the ODNR as part of the Clubs obligation to ODNR allowing BLYC to use their bridge to Watkins Island. Please respect this dock.*

**Name Plates on Island Docks:** We appreciate all that those who dock on Watkins Island have endured during the construction project. In appreciation of your patience, the Construction Committee gave all who had paid in April name plates. The signs with three silver stars recognize our Past Commodores. We hope you enjoy them.

**Racers Row:** We are a Yacht Club and have an active sailboat racing group and a very active junior instruction program. Did you know we have "Racers Row" where these magnificent boats are docked at Eastport? It is a beautiful sight from the lake!

**Classic Boat Show:** Another of BLYC's time honored traditions is the Classic Boat Show which is returning on Saturday, August 10. All boats on Watkins Island will be temporarily docked at Eastport from Friday, August 9 to Sunday, August 11 at 9:00 am for the show. This is open to the public, and it will be one of the biggest antique boat shows in central Ohio. Thank you in advance for welcoming our guests to the Classic Boat Show and moving your boats for the show.

**Happy Independence Day!**

Rickie Sue Grunden  
DocksandRentals@Buckeyelakeyc.com
