COMMODORE
VIC SCHROEDER

As we kick off the new year at Buckeye Lake Yacht Club, I extend my heartfelt thanks to Commodore Collinson and the board for charting an exciting new direction for our Club. It's been an honor to be part of this journey. I'm deeply grateful to our membership for your unwavering support, friendship, and trust in allowing me to serve as

Commodore of *your* Club.

I feel incredibly fortunate to serve alongside such an outstanding group of Flag Officers and Governors in the 120th year of the BLYC. Their dedication to the long-term success and sustainability of our historic organization is unwavering. I encourage you to share your ideas and support them in their roles; they are here to serve you. The Club's future relies on your involvement. I invite you to contribute your time and energy to make this season a success. This is your Club, and your participation can make a significant impact. Together, we can navigate any challenge.

Thank you again for your continued support of this Board. We will keep working diligently in the best interests of BLYC. See you at the Club!

BAR & KITCHEN

– Governor Bill Ghiz

I am truly honored to serve as your Governor of Bar and Kitchen. Making people smile through food has been my greatest professional passion for many years. For the past 17 years, I've had the privilege of creating joyful dining experiences at my restaurant, and I now look forward to bringing that same spirit to our club. Together, we will create a warm and welcoming environment where families and friends can enjoy great food, memorable moments, and genuine hospitality.

Over the next year, I will work closely with our dedicated team to ensure we are consistently delivering the quality and service our members expect and deserve. By the time this message reaches you, you may have already noticed some of the positive changes we've implemented. These improvements reflect our commitment to enhancing your dining experience right away.

If you weren't able to attend the annual meeting, I'm thrilled to announce that Stephanie has agreed to return as our Front of House Captain. She and Ish bring valuable experience and fresh ideas to help guide and train our front-of-house staff. With their leadership, we're confident that service will become smoother, more efficient, and more enjoyable for everyone.

Of course, there may be times when we fall short. If that happens, I ask for your patience — and your feedback. Please don't hesitate to calmly let Ish, Stephanie, or Josh know if something didn't go as expected during your visit. We want the chance to make it right. After that, I also encourage you to fill out a comment card or email me directly. Your feedback helps us grow and improve.

Our staff is the heart of this club. We are incredibly fortunate to have a team of people who genuinely care about our members and our community. Let us never take them for granted. These are wives, husbands, moms, dads, sons, and daughters who take time away from their families to help us. Please join me in showing them the appreciation they deserve. Without them, this club could not be the same. Let's make this a year to remember—filled with laughter, great food, and unforgettable moments.

I look forward to seeing you around the club!

COMMUNICATIONS

– Rear Commodore Bob Hegedus

Fall has truly arrived — bringing with it football games under crisp skies, the satisfying crunch of leaves underfoot, evenings spent around glowing campfires, and of course, the excitement of our club elections and annual meeting. It was genuinely wonderful reconnecting with so many members at the recent porch picnic; these opportunities to catch up and share stories always reinforce the sense of community I value so highly within our club.

I sincerely want to thank everyone for entrusting me again with the role of Governor, and to my fellow Governors for entrusting me to serve as our Rear Commodore. Your support means a great deal to me, and I am genuinely enthusiastic about embracing new responsibilities this season. The prospect of stepping into my position with Race and Regatta is both thrilling and motivating, as I look forward to supporting our events and fostering even stronger participation. Additionally, I am eager to assist Governor Cottongim in his new role as Communications Governor.

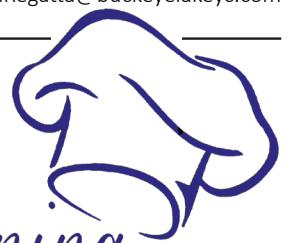

My collaboration with Governor Ghiz and the Bar and Restaurant team will remain a top priority. Together, we aim to further improve members' dining experiences by introducing improvements and responding to your feedback.

Receiving the Heber Yachtsman Merit Trophy is a tremendous honor for me, and it reinforces my commitment to serving our club with integrity and energy. I am truly grateful for the steadfast encouragement and backing I have received from both the board and the Trustees.

ENTERTAINMENT

– Governor Dean Pickett

First, thank you again for letting me serve you as Entertainment Governor over the past year. When P/C Collinson assigned me entertainment last year, I didn't know what to expect from the position. It has been a blast — listening to new bands has been something I really enjoyed. I am also thankful to Commodore Schroeder for assigning me to the position again this year.

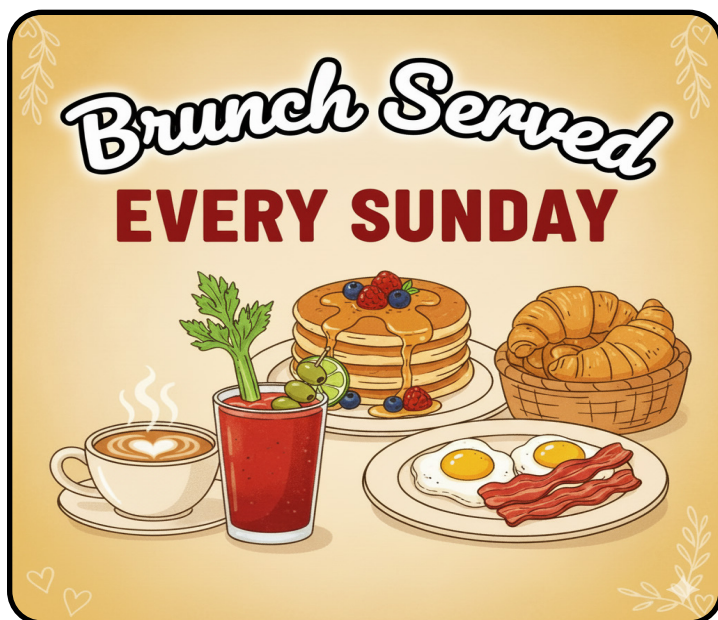

As we move into our slower months, we have some changes to our entertainment schedule. First, we will move the times for the bands from 7:00-10:00 pm to 6:00-9:00 pm. Additionally, except for special events, we will mostly utilize the BLYC sound system. As last year, this is to help reserve our funds for next summer. For next summer, we are going to try for the following; one night have a band and the other weekend night, have smaller groups (1-3 people). Lastly, I am going to work and get a solo acoustic artist to play the pool once per month.

In October, we have the following events:

- **October 3rd** — Dine & Dance with Ashley Best
- **Oct 4th** — OSU v. Minnesota Tailgate - Kickoff 7:30
- **Oct 10th** — Sailing Awards with David Spires Duo
- **Oct 11th** — OSU @ Illinois Tailgate - Kickoff TBD
- **Oct 18th** — OSU @ Wisconsin Tailgate - Kickoff TBD
- **Oct 24th** — Just Jazz Duo
- **Oct 31st** — Adult Halloween Party with Chaz Mechenbier and Hang Time
- **Nov 1st** — OSU v. Penn State Tailgate - Kickoff TBD

Thank you for your feedback, and feel free to email me at Entertainment@buckeyelakeyc.com with any special entertainment request.

HOUSE & GROUNDS

– Governor Brian Thom

Free Donuts and Pizza!!

Unfortunately it's that time of year and the pool has officially been closed for the season. We had a great run and look forward to next season. It's now time to start preparing for the winter months. We will have our annual fall work day on October 19th (Sunday) from 8:30 am until approximately 12:00 noon. Yes, we will again provide donuts in the morning followed by Pizza Cottage pizza for lunch. We are asking for any volunteers to come join us on this day. Ok, I'll even throw in a free beer or two for those who attend.

It has been a great year in the House & Grounds department and, fortunately, I will get to serve this position for another year under our new Commodore, Victor Schroeder. We will be starting off the new year with repairs/minor renovations to the Commodores Lounge restroom and also put a little love into the women's bathroom as well. Please stay tuned to future issues of the *Log* as we will keep you updated to any future projects that will be completed around the club.

Thanks for everyone's support this past year, and I look forward to another great year!!

– Governor Mike Perez

Happy October!

Now that election season is over and our new Board is in place, I'm looking forward to my fourth year as the Membership Governor of the club. It has been an honor to serve you these last 3 years. I've had a lot of fun and met a lot of nice people!

At the September board meeting, we had zero new members voted into the club. However, membership is now open on a limited basis. If you know of someone who wants to become a member, have them submit an online application. We had 11 first readings at the September meeting. Check out their information on the bulletin board in the bar area.

Our policy is that if someone becomes an official member in October–December, then their dues are paid in full through the end of the following calendar year. It is a pretty sweet deal!

Finally, for those of you who participated in the elections and the annual meeting in September, thank you very much. The club is only as good as the engagement of its members.

We appreciate you!

See you at the Club!

DOCKS & RENTALS

— Vice Commodore Rickie Sue Grunden

As the boating season is nearing the end, please remember that ODNR requires all docks to be vacated by November 1st. As the water level drops, you may want to consider taking your boat out earlier. The issue is not only lower levels in the club docks, but lower levels of water and the drop off at the boat ramps where your rear tires may go into the holes that are under the water.

As you plan for winter boat storage consider the Eastport boatyard. The storage in the Eastport boatyard is an annual fee and includes trailer storage during the boating season. Eastport is a secure facility, and you have the combination — you can apply online at buckeyelakeyc.com. Your parking will be assigned now and you will be invoiced in February, 2026.

Our docks at Eastport, Area 8, and Watkins Island are one of our greatest assets and amenities for our members. The most popular transient docking is in the front basin and the outside wall docking on Watkins Island. Here are the numbers on dock rentals:

- **Watkins Island Docks:** 48 Leased. 13 Transient. 1 ODNR = 62 Docks
- **Eastport Docks:** 36 Leased. 10 Transient. 1 Fire Department. 14 open. 2 Junior Sailing = 63 Docks
- **Area 8 Docks:** 41 Leased. 2 Transient = 43 Docks
- **Eastport Storage Yard:** 26 Leased. 48 Open. 7 Junior Sailing = 81 Docks.

As you winterize your boats, remember that each year we need a copy of your boat insurance declaration page and a copy of your boat registration for our records each year. If you are considering docking with the Club, now is the time to go online and get on the waiting list for 2026 if you want to change docks.

Thank you again for a great boating season! A special thank you to our Docks Committee — P/C Charlie Campbell, P/C Jeff Hamilton, Matt Fennen, Mike Smith, Mike Fornataro, and David Olney for putting up and down the dori poles and all the other things that needed to be done over the summer.

JUNIOR TRAINING

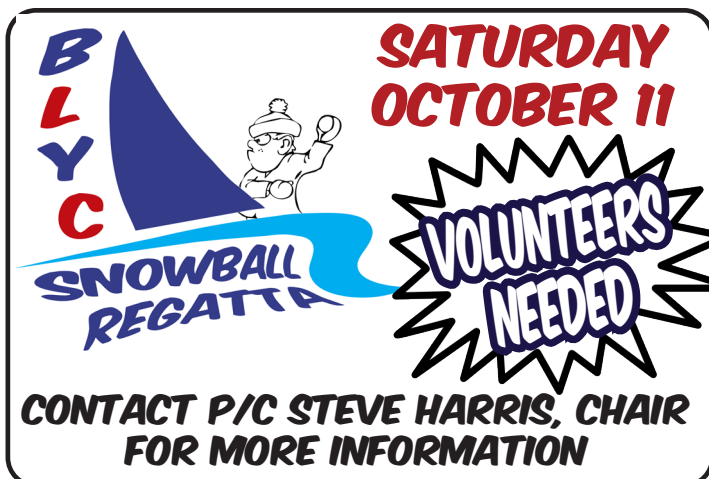

— Governor Jen Lynch

I look forward to serving as your new Junior Training Governor! For the past two years, summer has kicked off with our sons participating in Junior Sailing Camp. We have been so impressed with the leadership of Katy Schroeder, and her team of Kyle, Andrew, and Lily. The long days on the water made for some very tired children — but the excitement to begin the next day never dulled. Junior sailing teaches not just sailing techniques, but how to work with a team in sometimes challenging environments, as well as independent sailing navigating a boat around their peers. Your children, grandchildren, and nieces and nephews will meet new friends and have unique experiences that will enhance their childhood development and build core memories. We are growing the next class of racers and lifelong sailors.

I look forward to working with all of you to promote and strengthen our exceptional junior training program in the years to come.

Is it June yet?

CHAPLAIN'S CORNER

– Mark Thogmartin, Fleet Chaplain

Landlubbers

Recently a good friend of mine who is into “thrifting” presented me with a hat he purchased at the local Goodwill store. The cap is khaki with navy blue accents, and above the bill is the BLYC logo with the words GUN CLUB embroidered under the colors. It reminded me when, back in the day, one of my neighbors was the Commodore and, knowing that our family was into various gun sports, invited me to come one Sunday mid-winter afternoon to do some trap shooting at the club. I must have looked surprised.

“Yes,” he said. “We’ve got all kinds of activities at the Yacht Club that appeal to boaters and landlubbers alike.”

At the time I was a landlubber, so I think his recruiting efforts were both appropriate and admirable. I never took him up on his offer, and I’ve regretted it ever since, especially now that the BLYC Gun Club is a relic of history.

The root of the term “landlubber” is the Middle English word “lubber” which means “A big, clumsy, lazy fellow.” Combine it with the word “land,” and it describes someone clumsy and inexperienced at sea due to their singular familiarity with good ol’ terra firma.

One thing I’ve appreciated during my short time at the Club is the way members have made those unfamiliar with sailing, racing, boating, or just the intricacies of being a BLYCer feel welcomed and at ease. Everyone at some time or another feels out of place or uncomfortable in unfamiliar surroundings. We should resolve to “friend” such folks whenever possible, introducing ourselves and offering to help by answering questions or inviting them to share a table. Next week we might be the ones landlubbing in unfamiliar territory. “Be wise in the way you act toward outsiders; make the most of every opportunity. Let your conversation be always full of grace, seasoned with salt, so that you may know how to answer everyone.” (Colossians 4:5-6, NIV)

As summer comes to a close, it is my pleasure to announce that the Race and Regatta community has had a very successful year. We wrap up the season with our Annual Awards Banquet on October 10th and the Snowball Regatta on October 11th. I don't want to spoil it for everyone but here are just a few of the awards that will be given out (come join us for the banquet to see all the award winners and share some social time with us)

As many of you know by now, my new role on the BLYC Board will be as the Communication Governor. I am excited to take on this challenge but equally sad at departing as the Race and Regatta Governor. I have thoroughly enjoyed learning about sailing, working in the Race Committee Shack, and even experiencing racing as a crew person. But more importantly, getting to know the sailors and develop amazing friendships has been the highlight of my year as Race and Regatta Governor. I can't wait to celebrate with you on October 10th at the Awards Banquet.

LOOKING AFT

- P/C Steve Harris
BLYC Historian

A few weeks back, I was at Put-in-Bay the same weekend as Commodore Collinson and some of his friends visited the island for their annual trip. We, of course, met for drinks at PIBYC that Saturday afternoon. They were staying with friends on the island who recently purchased, and are now remodeling, one of the island's oldest and most majestic homes, Inselruhe, built in 1875 by US Navy Admiral John Hunker. Thanks to Bill I was able to visit and, yes, there is a BLYC connection...

BLYC's "Missing" Commodore

I was fortunate to serve the Inter-Lake Yachting Association as Commodore in 2014. Having been under the mentorship of P/C Gus Schell for several years, I considered it a great honor to be the third BLYC member to represent our fine Club in this capacity, following Gus who served in 1975 and P/C Edgar Wolfe in 1937. Much to my surprise, however, when I received the proof of the 2014 I-LYA Yearbook, I discovered that history as I understood it was incorrect. I was not the third, but rather the fourth! The I-LYA Historian reported, "*I-LYA 50 Years Ago (1964): Frank H. Miller of Put-in-Bay and Buckeye Lake Yacht Clubs was I-LYA's Commodore.*" This set me on a search... Who was Commodore Miller? — His picture does not hang in the Commodores' Lounge with Commodores Wolfe & Schell neither is he listed among our Past Commodores of BLYC. I discovered, from BLYC's 75th Anniversary edition of the *Log*, that he had been a member in BLYC's early years, later relocated to Put-in-Bay, became Commodore of PIBYC and, eventually, I-LYA. But there is much, much more to the story of Commodore Miller.

Born in 1902, Frank Miller first came to Buckeye Lake in 1910, summering at the Schell Beach Hotel with his family. His father, James, joined BLYC in 1914. In 1917, he and Max Slaughter became the first Junior Members of the Club. Frank quickly became very active — iceboating and racing boats (power) were his passion. Over the years, he owned some of the fastest boats on Buckeye Lake —

I-LYA Commodore Frank H. Miller - 1964

Unadilla, a 33' long, 46" wide speedboat — the fastest boat (24 mph) in the early 1900's — which he "rescued" from Circle Island; *Dixie II*, "The Fastest Classic Boat on Earth," now on display at the Antique Boat Museum in Clayton, NY; and *Cat's Paw*, a Luedtke K Cat sailboat, later purchased and brought back home to Buckeye Lake by Gus Schell.

In his early years, Frank represented BLYC at the Detroit Gold Cup Races and the Chris Craft events in Algonac, Michigan (according to P/C Miller, Chris Smith, the founder of what would later become Chris Craft was, himself, also an early member of BLYC.) In 1919, the founding fathers of BLYC, including our first Commodore, Larry Sackett, were grooming Frank to become the youngest Commodore — at the tender age of 18! Believing that he lacked the maturity to run an active Club, he declined, instead offering to run the Club's races that season — sail and power. Sackett agreed to take his place, thus serving a second term as Commodore.

Around that same time, Commodore Sackett introduced Frank to Ruth Smith, an Olympic swimmer, on board his boat, *Dancing Sally*. Frank and Ruth married in 1924 and moved to Ashland, Kentucky, ending his regular involvement at BLYC. He was a founding member and the 2nd Commodore of the Ashland Yacht Club, modeled after BLYC, later purchased a summer home at Put-in-Bay and joined the Put-in-Bay Yacht Club. He went on to become very active in PIBYC, becoming its first "off-island"

Commodore in 1952. Although most of his activity was at PIBYC, he remained involved at BLYC, returning each winter for iceboating. However, distance and the commitments of raising a family kept him from serving our Club as an officer. He did, however, continue to enter *Cat's Paw* in the annual I-LYA Regatta under BLYC's burgee and remained a member until his death in 1995.

A few years ago, I located Commodore Miller's portrait in the archives. When I removed it from its frame so that it could be digitized, I made an exciting discovery — a handwritten letter, dated August 1979, from Commodore Miller to Commodore George Fisher (1958), detailing his history with BLYC and requesting that his portrait hang in the Commodores' Lounge at BLYC — "... my favorite Yacht Club where I cut my teeth..."

As I-LYA Commodore, many of his key volunteers were BLYC members and an integral part of the team that made 1964 a very successful year. He went on to encourage Gus Schell to follow and also represent BLYC as Commodore of I-LYA, continuing a long tradition of BLYC leadership.

Somewhere through the years, likely due to a lack of institutional memory, Commodore Miller's portrait was removed. It has now been digitally restored and, in 2018, was reprinted and framed to match those of Commodores Wolfe and Schell (and now Harris), and appropriately hung in the Commodores' Lounge, per his wishes.

Editor's Note: Commodore Miller's handwritten letter is available in the History Archives on the BLYC Website
