BAR & KITCHEN

– Governor Bill Ghiz

For this issue of the *Log*, I thought Ish and Josh should share their thoughts.

From Ish...

Happy Fall from your Front-of-House Manager, Ish! Now that summer has come to a close, we're shifting gears and focusing on getting fully staffed and trained for the winter season.

Based on your incredibly supportive and much appreciated feedback, we will be working on several initiatives to help us improve our restaurant service. We're also bringing back some fun favorites and new ways to enjoy the club!

What's Coming Up:

- **Wind Down Wednesdays** – Relax midweek with good company, music, and drinks.
- **Wine of the Month Specials** – Discover new favorites with monthly features.
- **Celebrity Bartender Nights** – Join us for fun guest bartenders behind the bar!
- **Name That Tune & Trivia Nights** – Test your knowledge and win prizes!

We're excited to make this season social, fun, and full of great memories at the club.

From Josh...

Hello Members! This is Executive Chef Josh providing you with an update regarding recent and forthcoming menu changes designed to enhance your overall restaurant experience! There is a new fall look to the menu that was heavily influenced by your menu feedback and suggestions (THANK YOU!). We are now offering entrée style meals with your steak, chicken, and salmon dishes that include two sides of your choice. You will also notice most of our weekly features now include sides. We have switched from a smaller

burger into a much larger 1/3-pound black angus burger with a brioche bun. This makes a great combination with our brand new 3/8" straight cut french fry.

You will notice that there are two new chicken dishes on the fall menu as well. The chicken and rice bowl with a bed of white rice topped with a mix of sautéed vegetables, a generous portion of pan seared chicken and your choice between BBQ, honey mustard, teriyaki or blackened chicken has made this a fan favorite.

The second new addition is smothered chicken with sautéed bell peppers and onions hit with a balsamic drizzle and smothered with provolone cheese, making it a tough choice for our chicken lovers!

Some things to look forward to are the country style home cooked specials that will change on a weekly basis. We have already prepared spaghetti and meatballs, meatloaf, blackened catfish, and chicken & dumplings. We have a lot of good home style cooking in store for our weekly specials which you can see posted every Wednesday afternoon on the BLYC website.

Sunday pizzas are back starting October 26th! Pastry Chef Kodi and I have developed a sourdough crust that is crisp and perfectly chewy. We pair this crust with the freshest possible ingredients and club made sauces to make a delicious combination you can only get at the BLYC.

Looking for a night off prior to the holiday? We have you covered! The day before Thanksgiving we will be offering a Thanksgiving Buffet that will include turkey and ham, stuffing, mashed potatoes and gravy, green bean casserole, candied sweet potatoes, roasted carrots and sweet corn. For dessert you will find an assortment of fresh handmade pies for \$32 per person. Please make

reservations online or with the club office.

Anyone who wants us to do your cooking for Thanksgiving Day can buy "Thanksgiving to Go Meals" by preordering before November 15 through the club. Pick up will only be available the day before Thanksgiving. To go meals will include your choice of turkey or ham, a choice of 3 sides, a dinner roll and a slice of pie for \$28 per serving. Whole pies are available for preorder as well. Choices include but not limited to pumpkin, apple, cherry, pecan and peanut butter cream pie. **While supplies last, so be sure to get your preorder in!**

From Governor Ghiz...

Josh, Ish, Kodi and the rest of our restaurant team work very hard for our members and are focused on making your restaurant experience the best possible.

Please shoot me a text at (740) 415-4033 anytime you'd like to share something with me about your experience. We love compliments, suggestions, and feedback!!

Have a Happy Thanksgiving!!

IT'S THAT TIME OF YEAR AGAIN!

The Good Neighbor Committee has kicked off their planning for this year's Christmas Drive-In. At the Drive-In, families will meet Santa from the safety (and warmth) of their cars, while our volunteers load gifts, goodie bags, and food gift cards into their cars in the parking lot. For over 24 years, BLYC has been the home to a Christmas Party hosted for over 120 less-fortunate children of the Buckeye Lake area, and with the difficulties that the families have faced, specifically over the past few years, we need your help now more than ever to make it a bigger success than in year's past.

How does it work?

Lakewood Schools will select families in need from the area, and each child provides us with a Christmas wish list for the committee to utilize when shopping. The committee asks members to sponsor a child for \$50.

When is the Drive-In?

The Christmas Drive-In is December 21st from 2-4 PM at BLYC.

Interested in shopping?

We are always in need of shoppers. Please contact at GoodNeighborCommittee@gmail.com if you would be willing to shop.

Looking to donate to this cause?

Each year we are able to increase the amount spent per child on toys and clothing through generous donations from members and local businesses; all at no cost to the Club. Thanks to the generosity of our donors last year, we were able to sponsor over 35 families with children at \$150 each, along with donating \$100 gift cards to 40 high school students. Over the last three years, donations have totaled \$15K (2022), \$13K (2023), and \$19K (2024). Our goal for the current year is to see an increase by 20%.

Let's make this year bigger and better for the kids!

COMMUNICATIONS

— Governor Kendall Cottongim

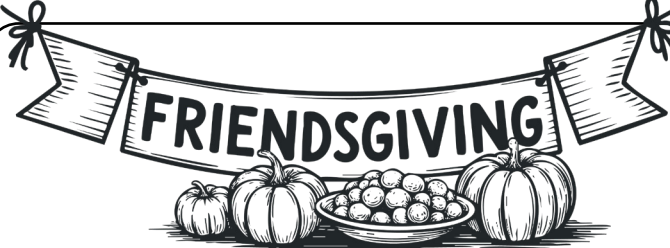

As we move into the winter months, it reminds me of change. Change of seasons, of shorts and t-shirts to jeans and hoodies, of ice-cold beverages to hot chocolate and warm spiced wine, and for me personally, a change in my role as Race and Regatta Governor to Communications Governor. Any change requires patience on all those affected, so I ask that as I take on this new role at Buckeye Lake Yacht Club that you provide me the same patience as you exhibit in your day-to-day lives. That being said, please hold me accountable for those things I don't perform to your level of satisfaction. My email has changed to communications@buckeyelakeyc.com, and I welcome all comments and suggestions on any area of the Club. Continue to look for the weekly E-News, monthly Log, and please join our Facebook page. There is always something good happening, and you don't want to miss it.

November also brings two very important holidays, Veterans Day and Thanksgiving. So please take a moment this month to thank a Veteran and to also give thanks to your friends and family. Remember to include those who may be alone and seek companionship for a warm meal.

Happy Thanksgiving — Go Bucks!

HOUSE & GROUNDS

– Governor Brian Thom

Happy November!

How is it already November? The weather is getting colder, and things are starting to shrink up. I'm talking about the amount of daylight left and the number of remaining OSU football games. I would like to thank everyone who came out for our annual fall work day. The club got a good cleaning inside and out and is ready for the winter. Grab your favorite cocktail and stay warm by the fire as the fire pits will remain outside on the patio, ready to be used.

Please reach out to me with any questions or concerns. Each question will cost one beer and each concern costs three beers. I wish everyone a safe and Happy Thanksgiving and look forward to seeing you at the club.

Go Bucks!

JUNIOR TRAINING

– Governor Jen Lynch

Leaves are falling, water levels are lowering, and boats are being winterized. At the same time, we are preparing for the upcoming season and 2026 junior training. Junior sailing coach Katy Schroeder and assistant coach Kyle Buchwalter presented to the board and trustees a plan to help increase and improve dock access, increase safety, and grow the love of sailing for our youth. We are excited to help support this effort and bring these plans to the broader club membership for support in the months ahead.

I look forward to diving into my duties working to enhance our junior training program as we plan for the junior sailing camps, Inter-Lake Yachting Association Fall Meeting, and positioning ourselves to be ready for the 2026 regattas and other events.

Please reach out with any questions or ideas.

DOCKS & RENTALS

– Vice Commodore Rickie Sue Grunden

Boating Season ends on November 1st

ODNR regulations say we need to have our boats out of the water at that time. BLYC will have the water on and the dumpster and port-a-pot available until November 15th for those who are putting away their boats. Please park your boats in the Eastport boatyard in the spots assigned to you on your lease agreement.

Membership Privileges: One of the privileges of BLYC membership is out of season storage at the Eastport boatyard. Storage can be on a trailer or on blocks from now until October 31st, 2026. Yes, during boating season, the trailer can be parked in your space. The Eastport boatyard is a secure facility. Contact docksandrentals@buckeyelakeyc.com to reserve your storage space at below market price.

Another membership amenity is the leasing of dock space for 2026 boating season. If you are a current dock holder,

now is the time to let us know that you want to continue with your dock and/or exchange docks. If you would like a dock, please complete the Dock Application on the BLYC website. Invoicing for docks is in February. We need a copy of your boat insurance and your boat registration on file for 2026 for Eastport boatyard storage and for your 2026 dock. You can email them to docksandrentals@buckeyelakeyc.com.

There is a waiting list for each docking area (on-island, area 8, and Eastport) and docks are given according to the rules in the Constitution and By-Laws. (By-Laws Article VII and Article XI) Please note all requests must be submitted by online application to the Governor of Docks and Rentals. If you had a dock in 2025 and are not planning to lease a dock in 2026 please email docksandrentals@buckeyelakeyc.com.

Bird Control: We have installed solar squawk boxes at Area 8 and Eastport docks. All the boxes will be used until the seagulls move on from Buckeye Lake. Even though the boats are no

longer in the docks, we do not want the gulls to roost on our docks.

To keep our docks and boatyard shipshape, we have a Docks Committee consisting of P/C Charles Campbell, P/C Jeff Hamilton, Scott Evans, Tom Reynolds, Mike Smith, Mike Fornataro, Matt Fennen, and David Olney to review all docks and the boatyard.

Goals for the year include:

- Boatyard cleanup including cleaning the fence line and adjusting the fence on the east side.
- Keeping the seagulls off our dock areas.
- Power washing all docks as bird blasts occur.
- Identifying and repairing docks as needed.
- Having all boater registration and insurance declaration page on file for all dock rentals.

See you on the Lake!

Show Them the Ropes

Leadership changes at the Buckeye Lake Yacht Club are different than anything I've ever experienced. Instead of running for a specific position, those who desire to join the governing board submit their names into the running for the office of Governor. Once the governors are chosen by the general membership, the Commodore assigns to the governors, according to his own pleasure, knowledge, and input from others, the various roles the governors will fill during his or her tenure.

It's not unusual for a governor to be assigned a position for which he or she feels unqualified. This means that the person or persons who have previously filled that role will need to help the novice become familiar with all the various responsibilities to which s/he has been charged. They will need to show the newbie the ropes.

The roots of the idiom "show them the ropes" are probably very familiar. Almost all operations on a sailing vessel involve ropes - halyards, shrouds, sheets, warps, reefs, lifts, outhauls, downhauls — and even though (especially on older ships) these were all actual ropes made from hemp or whatever, none of them were called "ropes." And for good reason. Imagine, in a crisis, the captain giving orders to "Winch that rope 'till she's taut! No not *THAT* rope... that one!!" A specific function requires a specific name. An effective crew member must learn the ropes.

A new governor taking on a new role requires a boatload of humility. A cynical person might think that aspiring leaders desire to govern because they are arrogant or prideful. Not so. There's a proverb that asserts "Pride goes before destruction, and a haughty spirit before a fall" (Proverbs 16:18), ESV). A person who desires a leadership position out of selfish motives will eventually be humiliated. Jesus admonished His disciples "Whoever would be great among you must be your servant, and whoever would be first among you must be your slave" (Matthew 20:26, ESV). Let's honor our leaders and especially support those who are learning the ropes around their new positions for the first time.

LOOKING AFT

- P/C Steve Harris, BLYC Historian

What was happening at BLYC 50 Years Ago?...

50 years ago, our Commodore was Robert Preston. Preston was Assistant Adjutant General of the Ohio Air National Guard and was responsible for starting the annual fly-overs at Buckeye Lake that we enjoyed for many years on the 4th of July. By all accounts, celebrating the 70th anniversary of the founding of our club and the 200th anniversary of the founding of our nation, 1976 was a good year for BLYC.

A "Founder's Day Party" was held on April 24th — 70 years to the day after the first organizational meeting held at Leachmen's Chop House in Columbus. Hors d'oeuvres were provided by the Past Commodores' ladies, cocktails flowed freely, followed by dinner and dancing — sounds a lot like our parties of today.

The Club also hosted quite the weekend celebration for the Bicentennial. It kicked off with a party up and down the towpath followed by a band on the yacht club porch on Saturday the 3rd. Sunday the 4th brought a Champagne Breakfast, the traditional flag raising, boat parade, jet fly-over and, of course, sailboat races. That evening there was a cookout at the club, a "floating cocktail party" hosted by the Venture fleet, and fireworks. Monday was more of the same with another Champagne Breakfast, the long distance race, kids games, and a "Beer & Coke Bust."

Sailing was king at BLYC in the 1970's, and 1976 was no exception. There were five active fleets racing at BLYC that season — Highlanders, Lasers, Lidos, Lightnings, and Ventures. Eleven boats represented BLYC at the I-LYA Regatta — 3 Lidos, 7 Ventures, and a K-boat, *Cat's Paw*, skippered by P/C Gus Schell. Junior sailing camps were led by head instructor Holly Petersilge (now Holly Hanbaum, still active at BLYC.) Among the "first year sailors" mentioned in the *Log* that year was a girl named Tracey Hein (now Davis, also still an active member.) BLYC sailors enjoyed great successes, both on and off Buckeye Lake. In particular, our juniors did very well. BLYC was represented in the US triplehanded quarterfinals at Put-in-Bay by the team of Willie Petersilge, Dan Roshon, and Tom Hudgins who competed their way to a 3rd place finish. We were represented by Dan Dressel and Steve Beeson in the Doublehanded and Lonny Moyer in the Singlehanded class — both regattas being held in Port Clinton. Lonny won the quarterfinals, won the semifinals at Portage Lake in Michigan, and finished a strong 8th in the finals in Miami.

Joining BLYC in 1976 and celebrating 50 years of membership this year are Chet Hauck, P/C Frank Foster, III (1983), P/C George Conrad (1990), and our Parliamentarian, Tom Campbell. As with any year, however, there was sadness too. Commodore Kyle W. Armstrong who joined BLYC in 1920, served as Commodore in 1949, received the Heber Award in 1954 and authored *The Story of Buckeye Lake Yacht Club* to commemorate our 50th Anniversary in 1956, passed away in March, just weeks shy of the Club's 70th birthday.

SAILING FLEETS

- Fleet Captain David Paligo

I hate this time of year... the morning chill has returned, the leaves are falling, the sporadic rain has returned and all that I can see is the end of the sailing season and a long gray winter stretching out before me.

Looking back on the 2025 Racing/Sailing season, many changes have taken place with this rapidly growing BLYC fleet...

Spring found us holding classes on Sailing Rules, Boat Handling, Safety-At-Sea, as well as Tactics and Strategy. By late April and early May, several PHRF boats were in the water and beginning to practice, trying to remove those winter cobwebs and rust before the season opener.

During the Lambrecht Cup Series, we put 10-12 boats to the start line, crewmembers were honing in on teamwork and boat handling skills, skippers were working on tactics required for the competition and all the teams were looking for that "First Place horn" and being able to fly the coveted checkered Performance Rabbit Flag.

As I write this, I'm reflecting back to our race season. I thought of the countless little bits of knowledge we took for granted every race as we prepared the boat, but what really stands out to me was that after every race, the post-race socializing reflected what crews were doing to improve their teamwork, which then improves the competitiveness of the fleet. After only a few years of fleet building, we continue to see sailors interested in these sailboats, not only for the boat performance, but because they have heard that the BLYC fleet is social, friendly, supportive of new racers, and yet at the same time highly competitive.

We are already looking forward to the 2026 race and sailing season.
