COMMODORE  
VIC SCHROEDER

June is here, and the Buckeye Lake Yacht Club is in full summer swing. This season holds special meaning as we celebrate our 120th Anniversary. On May 6, 1906, our founding members gathered on Orchard Island to establish the club. What began as a small group of boating enthusiasts has grown into a thriving private club that has proudly endured for more than a century. We look forward to honoring this milestone throughout the 2026 season. Thank you for being part of our remarkable history. I'm pleased to welcome our newest members who joined this spring. Your energy strengthens our club, and we cannot wait to see you on the water and at club events. A sincere thank you also goes to our dedicated volunteers, staff, and Board members whose hard work keeps the club running smoothly and delivers the exceptional

experience our members enjoy.

I'm especially excited to illuminate the launch of our fantastic new Summer Menu! Chef Josh and his team have truly outdone themselves with the amazing special menus, the creativity, flavor, and homemade touches are outstanding. In addition, Members are going to love the new Speed Apps section, the expanded and thoughtfully curated Cigar list, and the excellent Sip & Smoke pairings. And of course, our talented Pastry Chef Kodi has created a wonderful selection of desserts that are sure to delight everyone who visits the club.

Additionally, please take a moment this month to log into the member portal and update your contact information. Adding your spouse ensures everyone receives club communications. While you're there, please upload a current photo — it helps us all feel more connected and assists our staff.

The 2026 calendar is packed with exciting regattas, social gatherings, and our traditional summer celebrations. I encourage you to participate and make the most of another great season on Buckeye Lake.

Here's to safe boating, strong friendships, and a memorable 120th anniversary year. I look forward to seeing you at the club soon.

# JUNIOR TRAINING

– Governor Jen Lynch

It has been an honor to serve in my first year as the junior training Governor. I am so thankful and impressed with the day in and day out work I see from this board, trustees, staff, auxiliary, and members.

Our talented coaching staff, led by Katy Schroeder and assistant coach Kyle Buchwalter, have assembled a team of junior sailing coaches. They have been diligently working with the 7 racing team members, with hopes to take a crew to Junior Bay Week in addition to other races in the regatta series.

The entire month of May was spent getting ready for our first I-LYA regatta and the junior sailing camps. Thank you to the volunteers and staff for making our first regatta a success!

School is out and sailing camps are in motion! We have the largest number of junior sailors participating in club history, with over 80 sailors ready to hit the water this month. We are excited for the kids to use the new EZ docks, creating a more efficient and better experience for our juniors.

Thank you for everyone who attended the Seafood Boil over Memorial Day Weekend! All of our efforts to raise money for the program continue to build a best-in-class program, and we could not do this without your support.

If you are interested in learning more about the junior training program, or have thoughts or ideas, please let me know.

## Thank You!

# RACE & REGATTA

– Rear Commodore Bob Hegedus

*"There shall be a pleasant illusion in June that the whole world is a giant boat, and we are all merely drifting toward a perfect summer."*

## Greetings, BLYC Family!

The docks are bustling, the lake is sparkling, and the official start of the summer season is finally upon us. May gave us a fantastic warm-up, but June is where the real magic happens at Buckeye Lake Yacht Club.

Here is a look at what's happening around the club that will make you feel like one of the sailors!

## Sunday Sailing is Back in Full Swing!

The sailing season has officially begun! Even though inclement weather forced the postponement of the Praying for the Wind/Burning of the Socks ceremony, the Fleet was heartily blessed on Memorial Day, complete with an appeal to the Creator for fair racing weather this season. We are resilient here at the Club!

## Watch the Action on the Water

Looking for the perfect Sunday afternoon plan? Grab a refreshing drink, find a spot on the porch, and join us every Sunday at 1:00 pm to watch the exciting Sail on Sunday races. There is nothing quite like cheering on our skippers as they battle it out on the water.

Be sure to add the Annual Cardboard Boat Race to your schedule for August 8<sup>th</sup>! More information to follow to help you build and enter your very own boat!

## Big Fun, Smaller Boats: RC Sailing Fleet

If you prefer your racing with a remote control in hand, we've got you covered. We have officially kicked off our weekly RC Sailing Fleet races, held every Wednesday at 6:00 pm. Our inaugural race was dedicated to Commodore David Luttenburger, who was certainly with us in spirit. Whether you're a seasoned captain or just want to see what the buzz is about, come on out and join in on the fun!

**DOCKS & RENTALS**

– Vice Commodore Rickie Sue Grunden

**Transient Docks:** One of the great traditions of the Buckeye Lake Yacht Club is coming to Watkins Island by boat for swimming and dining! There are ten docks with bumpers and cleats along the outside wall of the front and west basins. There are also ten docks inside the front basin and one dock inside the west basin. All transient(courtesy) docks on the island, Eastport, and Area 8 are marked BLYC on green signs. Since there is a commercial bar and grill next to Watkins Island, we chose to mark them BLYC instead of transient to discourage non-members from parking here and going next door. An empty dock only means that someone is enjoying a boat ride on Buckeye Lake! Please respect their space.

**Boater Safety:** Unfortunately one of our members, who is an experienced boater, had a boating accident at his dock. To ensure the safety of our members we are installing ladders on Area 8, Eastport, and the east side of the island. Please take a mate with you when it is rough and cold. Over the past 6 years we have had several people fall off their boats while docking. If you need instruction on safe docking, let me know and I will have one of our experienced boaters teach you the ropes (lines)!

**Dock Post Tie Ups:** This spring, wind and wave action has been excessive. To prolong the life of your docking lines and the posts, tie off at the bottom of the post, not the top. Also, make sure you tie off so the front of your boat is not banging into the front of the dock. I hope these tips make boating more enjoyable.

**The Swimming pool is OPEN!**

Yes, you read that correct there is no P in our pool and we would like to keep it that way ☺. Just a few reminders that no outside food should be brought to the pool, no glassware, and all children should be supervised.

As mentioned earlier in the Log, the pool bar will be member charge only. Did I mention the pool heater is on and set at 85 degrees? Poolside entertainment will be provided on select Sundays throughout summer.

# COMMUNICATIONS

– Governor Kendall Cottongim

I recently had the pleasure of visiting the beautiful Clearwater Yacht Club, where we experienced not only exceptional hospitality, but the warm camaraderie that makes the yachting community so special. One of the highlights of our visit was witnessing how yacht clubs across the country, despite differences in geography and waterways, share the same core values: fellowship, volunteerism, family, and a love of life on the water. And I am very proud to say that the Buckeye Lake Yacht Club excels in all these areas, and I am equally proud to be a member here.

The month of June is a busy time for the Club, and I am sure the other Board members will highlight some key events. I personally want to call your attention to the Sail For A Cure, a day filled with what I previously mentioned, fellowship, volunteerism, family and a love of life. The date is June 27. We have all been touched in our personal and professional lives by cancer, and as our t-shirts say, pardon the language but — *Cancer Sucks!* So, we please ask you to support our campaign by buying a shirt or a burgee, participating in the silent and live auctions, fishing in the duck pond, or watching our sailors take the young kids out on their sailboats. It promises to be a fun day. And it is with a heavy heart that we announce this year's event is in memory of Commodore David Luttenberger (2016) who passed away in May. Rest in Peace dear friend.

My email is [communications@buckeyelakeyc.com](mailto:communications@buckeyelakeyc.com) and I look forward to hearing from you with any observation, positive or negative. And, don't forget to update your profile, including adding your picture.

**See You at the Club! Cheers!**

# MEMBERSHIP

– Governor Mike Perez

At the May Board Meeting, we were excited to welcome four new members who were officially voted in the Buckeye Lake Yacht Club. Please join us in extending a warm BLYC welcome to the following:

**Paul Thompson**

and first mate **Shawna Corder**

**Jay Livingston**

and first mate **Juliet Barnhart**

**Dr. Jennifer D'Abreau**

and first mate **Dr. Stephen D'Abreau**

**John Robert Van Gilder**

We are thrilled to have you as part of our club community and look forward to seeing you around the island!

## *First Readings*

In addition, we had one first reading at the May meeting. This prospective member will be voted on at the June Board Meeting. Please take a moment to review their personal information, which is posted on the bulletin board in the bar area.

## *Membership Is Open!*

Although we are once again nearing capacity, membership is currently open, and now is a great time to join. If you know someone who may be interested in becoming a member, please encourage them to complete an online application. Joining now allows new members to take full advantage of all the excitement the summer season has to offer!

## *Member Information Reminders*

To help keep things running smoothly, please review the following reminders:

Ensure that all your personal information in the member directory is current. Updates can be made through your member portal. Don't forget to add a photo to your profile if you haven't already.

Please know your member number, which is helpful for our club staff. This can be found in your member portal via the club website: [www.buckeyelakeyc.com](http://www.buckeyelakeyc.com).

If you would like your first mate to receive all club communications, please call the office and ask for Deanna. She can create a separate record in the Jonas system for your first mate.

The summer season is here! As you experience all the club has to offer, I hope you have an amazing summer. If I can assist you, please let me know.

**See You at the Club!**

## CHAPLAIN'S CORNER

– Mark Thogmartin, Fleet Chaplain

### Be Prepared

*"It was easy. They cut my PT boat in half."*

~ John F. Kennedy

If you are a student of history, you may have already guessed what prompted the comment above by our country's 35<sup>th</sup> president. Kennedy made this self-deprecating remark when asked how he became a war hero during the Second World War.

While Kennedy's performance prior to the disaster that sunk the PT boat he was commanding is still shrouded in controversy, his heroic actions in the hours and days following earned him the Navy and Marine Corps Medal and a Purple Heart. Even so, Kennedy perpetually suffered from a guilty conscience because two of his men died and another was seriously injured when a Japanese destroyer crashed into their PT boat and ripped it in two.

All of us are, potentially, only seconds away from a sudden event that could change our life or the lives of people we love. I don't mean to sound fatalistic, but it's true. How prepared are we to act "heroically" if thrust into a crisis situation?

In my youth, I was a Boy Scout. The Scout motto is "Be Prepared." Prepared for what? No one could know for sure, but the scout program was well-rounded and robust, and the training we received in first aid, knowledge of the environment, physical fitness, and personal relations would serve us well in an unanticipated and difficult situation.

"A scout is trustworthy, loyal, helpful, friendly, courteous, kind, obedient, cheerful, thrifty, brave, clean, and reverent." So reads the Scout Law. Interestingly, Kennedy holds the distinction of being the first U.S. President to have been a Boy Scout. Whether or not he was vigilant and prepared to avoid the disaster that confronted him and his crew, there is no doubt that his excellent swimming skills, bravery, and loyalty prevented any further deaths among his men.

Those 12 guiding principles contained in the Scout Law are eternal and certainly suitable for young and old, male and female alike. Aspiring to internalize and to consistently demonstrate them would prepare each of us to act heroically if a "destroyer" suddenly appeared on the horizon and turned our life upside down.

## BAR & KITCHEN

– Governor Bill Ghiz

I hope everyone had a great and safe Memorial Day weekend.

Wow! Summer has arrived! Mark, Ish, and Josh have worked very hard preparing for this season. I would like to thank them and their staff for all of their hard work in getting ready to provide our members with a special summer filled with fond memories shared with friends and family.

This new summer menu added chicken quesadillas, pimento cheese with cantaloupe & crackers, bruschetta, and other new items.

Please feel free to email me with any questions, comments, or concerns. Your feedback is a big help in shaping and improving our future plans.

So let the good times roll. Summer is here! Be safe and have lots of fun.

# LOOKING AFT

- P/C Steve Harris, BLYC Historian

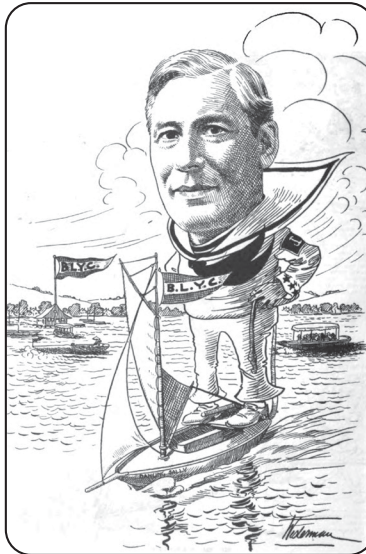

## Commodore George Mooney

On the evening of April 24, 1906 a group of Columbus yachtsmen met at Leachman's Chop House at Broad and High streets in Columbus and what would 11 days later become the Buckeye Lake Yacht Club was formed. Among those fifteen original members was George Francis Mooney.

Several years ago, a caricature of George F. Mooney was donated to BLYC. It shows him sailing atop his K-boat, *Dancing Sally*, sailing under the "new" BLYC burgee. Further research revealed that this caricature had been drawn by famed Columbus cartoonist Harry Westerman as a part of the book "Club Men of Columbus in Caricature" published in 1911. Until recently, this was the only picture of Commodore Mooney we could locate.

George Francis Mooney was born in Steubenville, Ohio in 1867. After completing his schooling, he worked for several years teaching music, but eventually ended up working the retail liquor business in Columbus. In 1896, he purchased the Pabst Brewing distribution agency in Columbus and was very successful. In the fall of 1905, he was a founding partner of the Washington Brewing Company in Columbus and served as its Secretary and General Manager up until its closing, due to prohibition, in 1919. Located at 2<sup>nd</sup> Avenue & Perry Street in Columbus (in what is now the Harrison West neighborhood), no evidence of the brewery remains, the area having been converted over to single family houses years ago.

George Mooney was not just a founding member of the Club, he was also very active from the start. At that first meeting in April of 1906, Lawrence Sackett was elected our first Commodore and one of his first actions was to appoint a committee to develop a Constitution & By-Laws to govern the new Club. Mooney, along with Club Secretary Charles D. Lynch, and Rear Commodore Al Corrodi, were charged with this important task. He frequently participated in the Club's regatta's on *Dancing Sally* (unfortunately dismasting in the 1906 Labor Day event) and was part of the committee established to find a location and build the first

Clubhouse. He was instrumental in the effort to secure the unpaid lease on Castle Island (now part of Brook's Beach), which was ultimately unsuccessful, and later helped to found the Buckeye Lake Building Company which then took over the lease of Colonel Wm. Wells (also a founding member of BLYC) on Sunken Island. Having served the Club enthusiastically in his efforts to build the original Clubhouse, he was elected to the Board and served as our Vice Commodore in 1910 and as Commodore in 1911. One of his first actions as Commodore was to abandon the design of the "old" burgee in favor of our current burgee, which was much more in line with the design of other, well establish yacht clubs of the time. Under his leadership, and with his involvement and influence in the Building Company, he would finally get the ball rolling towards building a "real" Clubhouse, our current Clubhouse, for BLYC – an effort that had been talked about since the beginning and came to fruition in 1913. During his tenure, BLYC and Buckeye Lake's greatest ally, George H. Watkins, State President of Public Works and truly the "Father of Buckeye Lake," died suddenly of a massive stroke. Commodore Mooney established a "Watkins Memorial Committee" to appropriately honor Watkins, although it would take another 14 years until he would finally be so honored with the bronze plaque that hangs in our current dining room.

As Commodore of BLYC, he presented a silver loving cup trophy to I-LYA to be awarded in the 1911 Regatta. This Cup, known as the "Buckeye Lake Yacht Club Trophy," won that year by Commodore W.

F. Brown of Toledo Yacht Club. The cup is silver, 11 inches high overall – the cup itself stands 7" high with three handles and is 6" in diameter at the top. The base stands 4" in height with a 4½" diameter at the base.. It is beautifully preserved and displayed in the trophy case of the Toledo Yacht Club. It appears that the Cup was only awarded at the I-LYA Regatta in 1911. In 1983, TYC returned the cup to competition as a PHRF-class trophy for the annual Mills Trophy Race.

BLYC was very active in I-LYA during Commodore Mooney's time. Mooney served on the Entertainment Committee under I-LYA Commodore Winton in 1911, and was an integral part of the Perry's Victory Centennial Celebration committee in 1913 under I-LYA Commodore George Worthington. Later that year, Mooney was elected to the office of Rear Commodore of I-LYA. Why he never moved up the ranks to Vice Commodore and Commodore is not known.

There isn't much information about Commodore Mooney to be found after 1925, although some sources suggest that he re-opened the Washington Brewing Company in 1933 following the repeal of prohibition. Commodore George F. Mooney passed away in 1951 and is interred at the Amaranth Abbey Mausoleum in Columbus.

The Buckeye Lake Yacht Club Trophy

As you may be aware, TYC has fallen on hard times and the Club has been foreclosed on. It is scheduled for auction later this month. I am attempting to reach out to their officers to find out what will happen to their extensive trophy collection, specifically the Buckeye Lake Yacht Club trophy, and will offer that BLYC will accept the trophy on loan if necessary to ensure it's safe keeping.
