COMMODORE
VIC SCHROEDER

August is like the Sunday of summer at Buckeye Lake. That last, long, easy stretch before the pace of the season starts to change. As we roll into the back half of our 120th Anniversary year, I hope you're all finding time on the water with family and friends. July gave us a lot to be proud of – three junior Sailors at Bay Week, BLYC running the fastest launch and recovery of sailboats in the nation, Car Show, Boat Show, Golf Outing – What a month of activity success and fun! Thank you to everyone who volunteered their time to make it happen. This club runs on that kind of commitment.

August also has a stacked calendar. We kick things off August 1st with the Auxiliary's "Disco & Diamonds" fundraiser, with food stations and silent and live auctions, so come dressed to impress and support a great cause, our yacht club. The 5th

Annual Cardboard Boat Race hits the water Saturday, August 8th, always one of the more entertaining afternoons of the summer. Our Dine & Dance lineup continues every Friday and Saturday night with Largemouth Brass, Zayne Harshaw, the Elaina Arthur Band, a Dance Party with DJ Justice Ishine, Madalene Roese & the Thorns, the Lakeside Trio, and the David Spires Duo – plus Acoustic Sundays throughout the month. Mark your calendars for the BLYC Luau on Saturday, August 22nd, featuring The Usual Suspects one of our biggest social nights of the year.

As we head toward our September board elections, I want to encourage any member who's considered getting more involved to reach out. This club is run by its members, for its members, and new voices and energy on the Board to keep it strong for the next 120 years. If you're interested in running or just want to know what's involved, don't hesitate to contact me, a Board member or Trustee.

A reminder to keep your contact information and photos current in the member portal, it helps us keep you in the loop and keeps our records accurate.

Here's to safe boating, great friendships, and making the most of these last long days of summer on the water.

See You at the Club

MEMBERSHIP

– Governor Mike Perez

At the July board meeting, we were excited to welcome two new members who were officially voted into the club. Please join us in extending a warm BLYC welcome to the following:

Mike Edwards and first mate Lori

David Thompson and first mate Deborah

We are thrilled to have you as part of our club community and look forward to seeing you around the island!

First Readings

In addition, we had three first readings at the July meeting. These prospective members will be voted on at the August board meeting. Please take a moment to review their personal information, which is posted on the bulletin board in the bar area.

Membership Is Open!

Although we are once again nearing capacity, membership is currently open and now is a great time to join. If you know someone who may be interested in becoming a member, please encourage them to complete an online application.

Member Information Reminders

To help keep things running smoothly, please review the following reminders:

Ensure that all your personal information in the member directory is current. Updates can be made through your member portal.

Don't forget to add a photo to your profile if you haven't already.

Please know your member number, which is helpful for our club staff. This can be found in your member portal via the club website: www.buckeyelakeyc.com.

If you would like your first mate to receive all club communications, please call the office and ask for Deanna. She can create a separate record in the Jonas system for your first mate.

I hope you've had a lot of fun at the club so far this season. If I can assist you, please let me know.

See You at the Club

BAR & KITCHEN

– Governor Bill Ghiz

First of all, I would like to give a big thank you to all of our staff for their hard work. They have worked tirelessly during extremely hot and busy days to deliver outstanding food and service to our members. These efforts have not gone unnoticed. Many members have shared highly positive comments about their experiences here at the club.

Our management continues to focus on areas in which we have room for improvement. They have been very receptive and responsive to the feedback that our members have brought to our attention. I would personally like to thank our management team and staff for their commitment to improving our club.

Chef Josh has been offering some really fantastic and unique fish specials and raw oysters, which have been incredibly popular. These seafood specials cannot be found anywhere else on the lake! Meanwhile, our steaks continue to be a favorite for many. The quality is simply outstanding, especially at such a modest price.

Thank you to all of the members who have been patient with us as we grow and improve. We are committed to continuing this progress. As always, please reach out to us with any feedback or comments.

Have a Great August

NOMINATING COMMITTEE

Candidates for Governor

What do you want to do when you come to the Club – relax, entertain friends and family, see friends, have a drink, swim, have dinner, sail? All of this happens because we have a Board of Governors, Trustees, and an Auxiliary that plans events and guides our Staff in all that happens at the Club. You do not have to have special skills, just a heart to give your time and a willingness to work with others for the benefit of all our members. We are not perfect, but we do give our best. We need you to join us for one term to bring your enthusiasm to our Board of Governors. Our Nominating Committee and Board members are available to talk with all potential candidates. Pick up your candidates packet in the Club office (Rebecca and Deana).

Looking Forward to *YOU* becoming a Governor in 2027!

In August, there are two events which I would like to specifically call out. The first is the Dance Party we have on August 15th. We are bringing in a DJ and are looking to "pump up" the club. The second is the Luau on August 22nd, this is also our New Member Reception and features The Usual Subjects. Both of the events promise to be an exciting time.

My goal is to always provide the club with a variety of different entertainment artists and groups. If there is an artist or group that you would like to see, please email me at entertainment@buckeyelakeyc.com. Additionally, there are times when we have last minute changes to our schedule, we try to keep the club calendar updated.

Hope to see you around the Club

DOCKS & RENTALS

– Vice Commodore Rickie Sue Grunden

Once again, the Classic Boat Show with the Plen Air artists was a great day on the lake. It is a beautiful site to see our docks filled with some of the most beautiful boats of yesteryear. Thank you to the members who dock on the island for moving your boats for the event and for making our visitors feel so welcome.

Dock Repair

As we move into August and the wear and tear of wave action is taking place, please check the posts on the docks and report any loose ones to docksandrentals@buckeyelakeyc.com. We are trying to tighten the dock posts before they are a major issue and we have to replace them. When you tie off, please tie at the bottom of the post to reduce the pull on the post.

Dock Waiting List

Are you interested in keeping your boat at BLYC? Complete the online dock application and identify the area you are interested in docking. There are not enough docks on Watkins Island for all of us. Most start in Eastport and move up as there is an opening. Our docks are private and only for your use.

Winter Boat Storage

Have you planned for winter boat storage? The storage in the Eastport boatyard is an annual fee and includes trailer storage during the boating season. Eastport is a secure facility, and you have the combination. An advantage to you as a Club member is that you will pass your stored boat each time you come to the Club and dream of last summer's fun and next summer's adventures! Apply online today!

HOUSE & GROUNDS

– Governor Brian Thom

New Pool Bar?

Yes, you read that correctly that the House and Grounds department, along with a committee of volunteers, are designing a new pool par that will serve both the pool area as well as the front patio along with additional seating around the pool. There are no planned dues increases or special assessments to fund this project. The new bar will be a beautiful addition to our club and will include outdoor TVs. We are very excited about this and renderings will be available soon. Our plan is to start construction at the end of pool season this year and be completed by pool opening next year 2027.

Speaking of the swimming pool, we have been extremely busy at the pool this year and have been at capacity several times. We would like to ask that members be mindful of the number of guests that you bring at one time especially during holiday weekends.

As you may have noticed, red lights have been installed around the island and docks. This idea came from Put-in-Bay, Ohio as they have them everywhere. This has been a proven method to help control the bugs on the island and yes it has been working.

Please feel free to reach out to me with any questions, concerns or even maintenance request and I will respond as quick as possible.

See You Soon at the Club

RACE & REGATTA

– Rear Commodore Bob Hegedus

August at the Yacht Club:

A Season of Champions & Cardboard Creations

The summer heat is in full swing, and the activity at the Buckeye Lake Yacht Club has been nothing short of electric. On a personal note, I was fortunate to crew on *Fair Wind* (Thanks Sanda!), and it was a blast! The comradery and sportsmanship from the entire fleet throughout the three races reminded me of how special and unique our club is! Join us on Sundays at 1:00!

Spring Series Winners

First Place: John Vangilder – *Framboise*

Second Place: Jim Gallagher – *Runaway*

Third Place: Don Harris – *Tantara*

We had a great turnout for our annual Commodore Earl O. Williams Independence Day long distance race, with the following results:

First Place: John Vangilder – *Framboise*

Second Place: Chuck Bendig – *Big Girl*

Third Place: Don Harris – *Tantara*

Our RC sailing fleet is proving that high-stakes racing doesn't always require a full-sized vessel. Congratulations to our top finishers for the Spring Series:

First Place: Bob Hegedus

Second Place: Clay Gibson

Third Place: David Olney

If you haven't seen these boats in action yet, you are missing out on some genuine excitement. Join us every Wednesday at 6:00 pm to see firsthand how much fun RC sailing truly is!

Mark Your Calendars:

Annual Cardboard Boat Race on August 8th

Looking ahead to August, it's time to trade in high-tech rigging for heavy-duty adhesive and imagination.

Whether you are a seasoned boat-builder or a first-time engineer, we want to see what you can create. To help you get started, we have cardboard available in the trailer located in the club parking lot for your use. Gather your team, start your blueprints, and we'll see you at the starting line!

As we head deeper into the summer, thank you for making our club such a vibrant place to be. We look forward to seeing everyone out on the docks and at the clubhouse throughout August.

CHAPLAIN'S CORNER

– Mark Thogmartin, Fleet Chaplain

"Sit Down, You're Rockin' the Boat!"

The great jazz musician Louis Armstrong was born August 4, 1901. To honor his birthday, and to maintain the theme of "Boat Quotes," I present to you the lyrics from "Sit Down, You're Rockin' the Boat" by Frank Loesser, featured in the musical *Guys and Dolls*. Although Armstrong didn't pen the words, he recorded his own jazzy, energetic cover of the song shortly after the musical debuted, making it a popular hit single. The words are fun, but also thought-provoking (edited for repetition):

I dreamed last night I got on the boat to Heaven,
And by some chance I had brought my dice along.
And there I stood, and I hollered, "Someone fade me,"
But the passengers, they knew right from wrong.

For the people all said,
"Sit down, sit down you're rockin' the boat!" (repeat)
And the devil will drag you under
By the sharp lapel of your checkered coat.
Sit down, sit down, sit down you're rocking the boat!"

Now I sailed away on that little boat to Heaven,
And by some chance found a bottle in my fist.
And there I stood nicely passin' out the whiskey,
But the passengers were bound to resist.

For the people all said "Beware, you are on a heavenly trip."
People all said "Beware, beware you'll scuttle the ship."
And the devil will drag you under
By the fancy tie 'round your wicked throat.
Sit down, sit down, sit down you're rockin' the boat!"

Now as I laughed at those passengers to Heaven,
A great big wave came and washed me overboard.
And as I sank, and I hollered, "Someone save me!"
That's the moment I woke up, thank the Lord!

And I said to myself "Sit down, you're rockin' the boat" (repeat)
And the devil will drag you under
With a soul so heavy you'd never float.
Sit down, sit down, sit down you're rockin' the boat!"
And I ain't gonna' rock it no more.

As an afterthought, the apostle Paul cautions us not to put a "stumbling block" in the way of others who might be tempted to sin by our own actions (Romans 14:13). By "sitting down" when temptation comes, we'll avoid rocking the boat for ourselves and our friends and loved ones. (You knew the Chaplain would have to get in the last word!)

JUNIOR TRAINING

– Governor Jen Lynch

I am writing this log post from the porch of the Dodge House in Put-in-Bay — looking out past the docks to Gibraltar Island. People are on bikes and golf carts moving around and boats are coming and going from the marina. We have had a wonderful week supporting the BLYC junior sailors competing at Bay Week. Drew, Sadie, and Silas were all competing for their first-time at PIB and we are so proud of their hard work. Our club had close to 50 people on South Bass Island supporting our team. Every morning, BLYC members helped with the launch of the sailors and would meet back at the PIB Yacht Club in the afternoon to help the sailors to shore. Unfortunately, the Canadian fires caused poor air quality and low visibility for the sailors to race the last day.

One more junior sailing regatta at Hoover, and the junior sailing team will be wrapping up their 2026 season. We are proud of what the team accomplished this year and we will build on this for 2027.

A Snapshot at the BLYC Racing Team:

BLYC — 4 racers with Brooklyn Buechel placing 3rd in Optis

CYC — 2 racers with Drew Buechel placing 3rd with Laser

NCYC — 3 racers and Brooklyn placed 2nd in Optis

Mentor Harbor — 3 racers and Sadie Tritico won the Coaches Award

PIB Yacht Club (Junior Bay Week) — 3 racers —
First time at Bay Week for all three!

Hoover — coming up!

We are so proud of our sailing program. Coaches Katy Schroeder and Kyle Buchwalter managed five weeks of camps with 85 junior sailors, six regattas, and all of the day-to-day that goes into a successful program. So much goes into running the junior training program and we are so thankful to have such dynamic and dedicated coaches.

Onward to the Cardboard Boat Race this August!

COMMUNICATIONS

– Governor Kendall Cottongim

One of the greatest traditions in yachting is camaraderie shared between yacht clubs around the world. I recently shared my experience using my reciprocal courtesy card at the Clearwater Yacht Club in Florida. Earlier this year, BLYC member Brigitte Charles proudly carried that tradition halfway around the globe during her trip to the north island of New Zealand where she visited three distinguished New Zealand clubs – the Bay of Islands Yacht Club Inc. (Ken Armishaw), the prestigious Royal New Zealand Yacht Squadron, and finally Gulf Harbour Yacht Club where she was warmly welcomed by Commodore Mike Pigne'guy and fellow members. Brigitte told me that “each of the yacht clubs were very welcoming and hospitable” and they were “an example of family sailing and family values”.

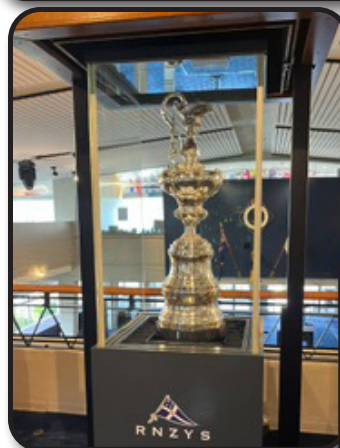

Brigitte presented each club with one of our treasured BLYC burgees and in return received their club burgee to bring home to Buckeye Lake. These exchanges represent far more than a simple swap of flags. Burgee exchanges are a cherished maritime tradition symbolizing friendship, mutual respect, and the shared passion for sailing that unites yacht clubs across the world. The visit to Gulf Harbour Yacht Club was made especially memorable through the gracious hospitality extended by Commodore Pigne'guy whose warm welcome exemplified the fellowship that defines the international yachting community. The generosity shown by all three clubs reflects the enduring spirit of cooperation and goodwill shared among sailors, no matter where they call home.

The pictures of Brigitte exchanging the burgees are included here as well as the Americas Cup trophy that was on display at the Royal New Zealand Yacht Squadron. On behalf of the Buckeye Lake Yacht Club, we extend our sincere appreciation to Brigitte for representing our club with enthusiasm, grace, and pride. Her willingness to serve as an ambassador for BLYC demonstrates that our club's reputation extends well beyond the banks of Buckeye Lake. We look forward to displaying these beautiful New Zealand burgees in our clubhouse as symbols of the connections our members continue to build across the globe.

My email is communications@buckeyelakeyc.com and I look forward to hearing from you. As always, don't forget to update your profile, including adding your picture. If you need help accomplishing that, please contact the Club office.

See You at the Club. Cheers!

LOOKING AFT

- P/C Steve Harris, BLYC Historian

Again this month, I found inspiration for my column from Governor Cottongim's article. One of the items he mentions from Brigitte's trip is the America's Cup Trophy on display at the Royal New Zealand Yacht Squadron. Well, did you know that BLYC has an America's Cup connection as well? I wrote the following article for the December, 2012 issue of the Log, following a visit to San Francisco...

The America's Cup

This past month, I had the opportunity to travel to San Francisco as I-LYA's delegate to the US Sailing Annual Meeting. The city is abuzz with preparations for the upcoming America's Cup. The "America's Cup World Series" was held there in October and the Louis Vuitton Cup (Challengers' Series) and America's Cup Regattas will be held there next summer & fall. One may think that "pond sailors" from Buckeye Lake couldn't ever dream of sailing in a regatta so renowned. But, that's not true... BLYC has our own America's Cup Champion.

In August, 1851 a "radical looking schooner" sailed past Queen Victoria's Royal Yacht from which she was watching the races. After it passed, she asked one of her attendants, "Who is second?" "Your Majesty, there is no second," came the reply. That schooner, *America*, from the fledgling New York Yacht Club won the day, beating the best that the British could offer and won the Royal Yachting Squadron's 100 Guinea Cup. Thus was born what is now the oldest trophy in international sport. The United States held the trophy from that day until 1983 – the longest winning streak ever in any sport – and thus it came to be known as "America's Cup." Beginning with that 1983 loss to Australia, interest in taking back the Cup grew throughout the country, but notably to us, that interest really grabbed a young man from our Club.

Mike Hein II, son of Commodore Mike & Joan Hein, began his sailing career at BLYC at the age of 6. Throughout his youth, he raced on our Junior Sailing Team – including several Junior Bay Weeks. In 1975, at the suggestion of Commodore George Fisher, his parents bought him a Lightning and his racing career began.

In 1982, at the age of 18, Mike and his crew won the Junior Lightning North American Championships. The next year, he competed as crew in the 1983 World Championships in Italy, finishing 5th. It was during this time that Dennis Conner was putting together his crew to take back the Cup. Not knowing Dennis, Mike did what any ambitious young sailor might do – he got himself a job at San Diego Yacht Club, Dennis Conner's home club, as the head sailboat racing instructor.

– SGH

Mike went on to crew for Conner in 1985 on *Stars & Stripes*. The boat was so fast that they finished their trials ahead of schedule and ended up with several weeks off. It was during that layover that Mike met Bill Koch, owner of the 81' Maxi racing yacht *Matador*. Mike crewed for Koch, sailing all over the world and crewing in six Maxi World Championships including the two-time winning crew of *Matador 2* in 1990 & 1991. In 1992, Bill Koch put together a syndicate to battle Dennis Conner in the Defender Series to race for the U.S.'s defense of the America's Cup. Mike Hein, who began his sailing career on our little lake in the middle of America, was part of that crew.

In 1991, leading up to the Cup, BLYC Commodore Jim McBride challenged the membership to help raise money for the campaign. The membership came through in a big way, with more than 80% of the members donating. As a result, BLYC received a half-boat model of the yacht Koch's syndicate would sail in defense of the Cup, *America*³, and during the America's Cup, the BLYC Burgee was displayed on the transom. For several years, this model was on display behind the BLYC bar.

Sailing with such greats in the sport as helmsman Buddy Melges and tactician Dave Dellenbaugh, Koch's *America*³ defeated Conner and went on to defend the Cup against the Italian challengers on *Il Moro di Venezia*. Following the win, live on ESPN, Mike proposed to his girlfriend Annie, to whom he's been married since 1993.

Initially, Mike and Annie Hein settled down in San Diego, but sailors love the sea and they soon decided that living in the 'rat-race' of the city wasn't their cup of tea. After three years, they sold their house and

cars and put their belongings in storage to go sailing on two private cruising yachts through the end of the century. Mike did the annual world championships and still raced professionally through 1999.

In 2000, Mike and Annie moved to New Zealand to oversee the construction of a 130' private yachtfisher, *Mea Culpa*. This was cutting edge technology. Utilizing all their experience gained from the America's Cup, building other boats, maintaining them, working with designers, architects, and the shipyard, Mike and Annie completed the build by the end of 2003. As a trained chef, Annie was in charge of the interior fitout and Mike did the engineering and exterior.

In 2003, their daughter Abigail was born in Sydney, Australia and in 2005 they were blessed with a son, Maxwell, born in the Gold Coast, Australia, where they are living today. Currently, Mike is still the vessel's Captain, having sailed over 111,000 nautical miles on her own bottom, traveling in the Pacific, Southern, and Atlantic Oceans as well as the Caribbean Sea.

When asked how did a sailor from Ohio get to where he is today, Mike replied, "First and foremost, I thank God for His guidance. I had a wonderful upbringing at BLYC, with incredibly supportive parents. My entire family, including Commodore Bob and Doris Dye and my sisters Tracey and Barb, supported me. The Fisher, Dressel and Petersilge families not only challenged me, but taught me how to sail. After every race, we always debriefed on the dock."

What about advise for others? "Set goals for yourself and never give up. Keep striving and figure out how to get there. Others are willing and able to help, but it's simply up to you to go and do it. Dream the biggest dream you can and go achieve it, take the set backs as a learning process and go on. Share all the knowledge you have with others, to help them become better sailors and persons. This will enable them to challenge you to get better yourself! Also, go travel now, go live your dreams now, don't wait as one never knows what tomorrow may bring."

BLYC's half-model of America³ is on display in the library upstairs in the BLYC Clubhouse
